The information contained herein will be superseded by the description of the collateral contained in the prospectus supplement and, except in the case of the initial collateral information sheets, such information supersedes the information in all prior collateral information sheets. This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer

The information contained herein will be superseded by the description of the collateral contained in the prospectus supplement and, except in the case of the initial collateral information sheets, such information supersedes the information in all prior collateral information sheets. This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer prices may vary significantly due to market volatility or illiquidity. All prices and other information relating to any security are subject to change without notice. Bear, Stearns & Co. Inc. and its affiliates and associated persons may have positions and conduct transactions in the securities covered by this report, and may solicit business from and perform services for the issuers of such securities or their affiliates.

This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer prices may vary significantly due to market volatility or illiquidity. All prices and other information relating to any security are subject to change without notice. Bear, Stearns & Co. Inc. and its affiliates and associated persons may have positions and conduct transactions in the securities covered by this report, and may solicit business from and perform services for the issuers of such securities or their affiliates.

The information contained herein will be superseded by the description of the collateral contained in the prospectus supplement and, except in the case of the initial collateral information sheets, such information supersedes the information in all prior collateral information sheets. This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer prices may vary significantly due to market volatility or illiquidity. All prices and other information relating to any security are subject to change without notice. Bear, Stearns & Co. Inc. and its affiliates and associated persons may have positions and conduct transactions in the securities covered by this report, and may solicit business from and perform services for the issuers of such securities or their affiliates.

The information contained herein will be superseded by the description of the collateral contained in the prospectus supplement and, except in the case of the initial collateral information sheets, such information supersedes the information in all prior collateral information sheets. This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer prices may vary significantly due to market volatility or illiquidity. All prices and other information relating to any security are subject to change without notice. Bear, Stearns & Co. Inc. and its affiliates and associated persons may have positions and conduct transactions in the securities covered by this report, and may solicit business from and perform services for the issuers of such securities or their affiliates.

Please populate column D (&E) with the corresponding pool characteristics in Column B.

- For values in currency format, omit $.
- For values in percentage format, provide data to 3 decimal places and omit %.
- For WAC Net Rate, subtract servicing fee, trustee fee, and initial MI fee.
- For MI Flag, Y or N.

The information contained herein will be superseded by the description of the collateral contained in the prospectus supplement and, except in the case of the initial collateral information sheets, such information supersedes the information in all prior collateral information sheets. This report does not constitute a bid or offer by any person for any security or an undertaking by any person to provide or accept any such bid or offer. Each investor must determine for itself the appropriateness of any transaction in securities, including any related legal, tax and accounting considerations, and no recommendation is made herein as to any security or transaction. No assurance is given (x) as to the accuracy or completeness of any of the information set forth herein, or (y) that the prices indicated (i) constitute prices at which the securities listed could have been or may be purchased or sold in any market, (ii) have been confirmed by actual trades, (iii) reflect the value Bear Stearns assigns to any security while in its inventory, or (iv) take into account the size of any position in the securities listed. Spreads between bid and offer prices may vary significantly due to market volatility or illiquidity. All prices and other information relating to any security are subject to change without notice. Bear, Stearns & Co. Inc. and its affiliates and associated persons may have positions and conduct transactions in the securities covered by this report, and may solicit business from and perform services for the issuers of such securities or their affiliates.
