OF THE SECURITIES EXCHANGE ACT OF 1934**

PRELIMINARY DETERMINATION OF THE CLAIMS REVIEW STAFF

In response to the above-referenced Notice of Covered Action, the U.S. Securities and Exchange Commission received a joint whistleblower award claim from [REDACTED] (“Claimant 1”) and [REDACTED] (“Claimant 2”) for the above-referenced matter(s). Pursuant to Section 21F of the Securities Exchange Act of 1934 (the “Exchange Act”) and Rule 21F-10 promulgated thereunder, the Claims Review Staff has evaluated the above claim in accordance with the criteria set forth in Rules 21F-1 through 21F-17.

The Claims Review Staff has preliminarily determined to recommend that the Commission deny the above award claim.¹

The basis for this determination is marked below as follows:

Claimants 1 and 2 did not provide information that led to the successful enforcement of the above-referenced Covered Action within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(3) and 21F-4(c) thereunder because any information provided did not, under Rule 21F-4(c)(1) of the Exchange Act: (1) cause the Commission to (a) commence an examination, open or reopen an investigation, or inquire into different conduct as part of a current Commission examination or investigation, and (b) thereafter bring an action based, in whole or in part, on conduct that was the subject of claimant’s information; or (2) significantly contribute to the success of a Commission judicial or administrative enforcement action under Rule 21F-4(c)(2) of the Exchange Act.²

Claimants are not “whistleblowers” under Exchange Act Rule 21F-2(a)(1) with respect to the Covered Action. To qualify as a whistleblower, an individual must (among other things) provide information regarding a potential securities law violation to the Commission in the form and manner that is required by Exchange Act Rule 21F-9(a), which Claimant did not do.

¹ To the extent Claimants have applied for an award in a related action, because Claimants are not eligible for an award in an SEC Covered Action, they are not eligible for an award in connection with any related action. *See* 15 U.S.C. § 78u-6(b); Exchange Act Rule 21F-3(b), (b)(1); Rule 21F-4(g) and (f); Rule 21F-11(a); *see also* Order Determining Whistleblower Award Claim, Release No. 34-86902 (Sept. 9, 2019).

² **Claimants 1 and 2’s information did not cause the opening of the investigation that led to the Covered Action. Rather, the investigative staff responsible for the Covered Action opened the investigation prior to receiving information from Claimants 1 and 2, based on information from other sources, including information learned during a prior investigation. Furthermore, none of Claimants 1 and 2’s information significantly contributed to the success of the Covered Action because it consisted of information that was already known to the staff, was largely in the public domain, or was otherwise general and non-specific.**

Notice of Covered Action: [REDACTED]
[REDACTED]

Claimants failed to submit the claim for award to the Office of the Whistleblower within ninety (90) days of the date of the above-referenced Notice for the Covered Action, as required under Rule 21F-10(b) of the Exchange Act.

Claimants' whistleblower submission(s), upon which Claimant bases the claim for an award, was not made voluntarily as required by Exchange Act Section 21F and Rules 21F-3 and 21F-4(a)(1) because Claimant made the submission(s) after a request, inquiry, or demand that relates to same subject matter as the submission(s) was directed to Claimant or anyone representing Claimant (such as an attorney) by (i) the Commission, (ii) another regulatory or law enforcement agency or self-regulatory organization (such as FINRA), or (iii) Congress or any other authority of the federal government.

Claimants did not provide "original information" that led to the successful enforcement of the above-referenced Covered Action within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(2) and 21F-4(b) thereunder because the information was not derived from Claimants': (1) "independent knowledge," as defined under Rule 21F-4(b)(2), but instead was derived entirely from "publicly available sources;" or (2) "independent analysis," as defined under Rule 21F-4(b)(3), because the information did not include an examination and evaluation of information that "reveals information that is not generally known or available to the public."

Claimants did not provide "original information" that led to the successful enforcement of the above-referenced Covered Action within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(2) and 21F-4(b) thereunder because the information provided by Claimants was already known to the Commission.

Claimants did not provide "original information" that led to the successful enforcement of the above-referenced Covered Action within the meaning of Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a)(2) and 21F-4(b) thereunder because the information was not provided to the Commission for the first time after July 21, 2010 (the date of enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act).³
