**ORDER OF SUSPENSION OF  
TRADING**

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension in the trading of the securities of Bravatek Solutions, Inc. (“BVTK” or “the Company”) (CIK No. 0001449574) because of questions regarding the accuracy and adequacy of information in the marketplace since at least February 28, 2020. Those questions relate to statements BVTK made in press releases and social media posts, including its statements regarding third party tests of its partner’s disinfectant against COVID-19, its work to register the disinfectant with the EPA, and a \$150 million order for the product that it purportedly received. BVTK is a Colorado corporation with its principal place of business located in Austin, Texas. The Company’s common stock is quoted on OTC Link (previously “Pink Sheets”), operated by OTC Markets Group Inc., under the symbol BVTK. As of April 8, 2020, BVTK’s common stock had 10 market makers, and was eligible for the “piggyback” exception of Rule 15c2-11(f)(3) under the Securities Exchange Act of 1934.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on April 16, 2020, through 11:59 p.m. EDT on April 29, 2020.

By the Commission.
