

UNITED STATES OF AMERICA
Before the
SECURITIES AND EXCHANGE COMMISSION

May 11, 2020

In the Matter of

Bioscience Neutraceuticals, Inc.

File No. 500-1

**ORDER OF SUSPENSION OF
TRADING**

It appears to the Securities and Exchange Commission (the "Commission") that the public interest and the protection of investors require a suspension in the trading of the securities of Bioscience Neutraceuticals, Inc. ("Bioscience" or "the Company") (CIK No. 0001555995) because of questions regarding the accuracy and adequacy of information in the marketplace about the Company and its securities since at least March 20, 2020.

Those questions relate to Bioscience's apparent lack of business activity and an e-mail stock promotion from an unknown source directed to investors which claimed a potential for continued appreciation in the price of Bioscience's stock based solely on its past market performance. There are also questions about (a) the lack of shareholder transparency, and (b) the recent trading activity in the securities of Bioscience including substantial selling of Bioscience's stock by a single account.

Bioscience is a Nevada corporation with its purported principal place of business located in Chicago, Illinois with a class of securities registered with the Commission pursuant to Securities Exchange Act of 1934 ("Exchange Act") Section 12(g). The Company's common stock is quoted on OTC Link (previously "Pink Sheets"), operated by OTC Markets Group Inc.,

under the symbol DEVV. As of May 1, 2020, Bioscience's common stock had eight market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed Company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed Company is suspended for the period from 9:30 a.m. EDT on May 11, 2020, through 11:59 p.m. EDT on May 22, 2020.

By the Commission.
