

UNITED STATES OF AMERICA
Before the
SECURITIES AND EXCHANGE COMMISSION

February 23, 2021

In the Matter of

Renuen Corp. (RENU)

File No. 500-1

**ORDER OF SUSPENSION OF
TRADING**

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension in the trading of the securities of Renuen Corp. (“RENU” or “the Company”) (CIK No. 0001176231), an inactive Florida corporation, because of questions regarding the accuracy and adequacy of information about the Company in the marketplace and recent, unusual and unexplained trading activity affecting the market for its securities in light of a lack of recent public disclosures and the fact that the company is no longer operating. The Company was administratively dissolved by the Florida Department of State in 2017, and the staff of the Securities and Exchange Commission has confirmed with RENU’s last known corporate representative that RENU is no longer in operation and it has no objection to the suspension.

The Company’s common stock is quoted and traded on OTC Link, whose parent company is OTC Markets Group, Inc., under the ticker symbol RENU. As of February 19, 2021 RENU’s common stock had six market makers, and was eligible for the “piggyback” exception of Rule 15c2-11(f)(3) under the Securities Exchange Act of 1934.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed Company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed Company is suspended for the period from 9:30 a.m. EST on February 24, 2021, through 11:59 p.m. EST on March 9, 2021.

By the Commission.
