**File No. 500-1**

**ORDER OF SUSPENSION  
OF TRADING**

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of NanoSave Technologies, Inc. (“NanoSave”) due to questions regarding the accuracy and adequacy of publicly disseminated information in NanoSave’s press releases, periodic financial statements, and related disclosures provided to OTC Markets Group, Inc. (“OTC Markets”) from at least January 2015 through May 2017 concerning, among other things, NanoSave’s operations and financial condition. Its securities are quoted on OTC Link (formerly “Pink Sheets”), operated by OTC Markets, under the ticker symbol NNSV.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on October 3, 2017 through 11:59 p.m. EDT on October 16, 2017.

By the Commission.
