*Regulation S-B and its accompanying forms, including Forms 10-QSB and 10-KSB, are in the process of being removed from the federal securities laws. See Release No. 34-56994 (Dec. 19, 2007). The removal is taking effect over a transition period that will conclude on March 15, 2009, so by that date, all reporting companies that previously filed their periodic reports on Forms 10-QSB and 10-KSB will be required to use Forms 10-Q and 10-K instead. Forms 10-QSB and 10-KSB will no longer be available, though issuers that meet the definition of a "smaller reporting company" (generally, a company that has less than \$75 million in public equity float as of the end of its most recently completed second fiscal quarter) will have the option of using new, scaled disclosure requirements that Regulation S-K now includes.
