**ORDER INSTITUTING ADMINISTRATIVE
AND CEASE-AND-DESIST PROCEEDINGS,
PURSUANT TO SECTION 8A OF THE
SECURITIES ACT OF 1933 AND SECTIONS
15(b) AND 21C OF THE SECURITIES
EXCHANGE ACT OF 1934, MAKING
FINDINGS, AND IMPOSING REMEDIAL
SANCTIONS AND A CEASE-AND-DESIST
ORDER**

I.

The Securities and Exchange Commission (“Commission”) deems it appropriate that public administrative and cease-and-desist proceedings be, and hereby are, instituted pursuant to Section 8A of the Securities Act of 1933 (“Securities Act”) and Sections 15(b) and 21C of the Securities Exchange Act of 1934 (“Exchange Act”) against Kevin D. Miller (“Respondent”).

II.

In anticipation of the institution of these proceedings, Respondent has submitted an Offer of Settlement (the “Offer”) which the Commission has determined to accept. Solely for the purpose of these proceedings and any other proceedings brought by or on behalf of the Commission, or to which the Commission is a party, and without admitting or denying the findings herein, except as to the Commission’s jurisdiction over him and the subject matter of these proceedings, which are admitted, and except as provided herein in Section V, Respondent consents to the entry of this Order Instituting Administrative and Cease-and-Desist Proceedings, Pursuant to Section 8A of the Securities Act of 1933 and Sections 15(b) and 21C of the Securities Exchange Act of 1934, Making Findings, and Imposing Remedial Sanctions and a Cease-and-Desist Order (“Order”), as set forth below.

III.

On the basis of this Order and Respondent's Offer, the Commission finds¹ that:

Respondent

1. Respondent was the sole officer, director, and majority shareholder of Mobieyes Software, Inc. ("Mobieyes Software"), a Florida corporation, until approximately February 9, 2010. Respondent, 56 years old, is a resident of Alpharetta, Georgia.

Other Relevant Entities and Persons

2. Mobieyes Software, incorporated in Florida on January 15, 2009, registered an offering of 3,000,000 shares of common stock pursuant to a registration statement effective as of June 3, 2009. Mobieyes Software's stated principal place of business was in Milton, Georgia. On February 9, 2010, Mobieyes Software underwent a change of control pursuant to a stock purchase agreement. Prior to that change of control, Mobieyes Software had at least three undisclosed parents, promoters, and control persons ("undisclosed control persons").

Background

3. One of the undisclosed control persons approached Respondent and asked him to be the sole officer and director of a company whose sole purpose was to be sold as a public vehicle. This undisclosed control person told Respondent that Respondent would be the sole officer and director of the company until it could be sold and merged with another operating company. Respondent understood his responsibilities as the sole officer and director of the company would be administrative and ministerial because the proposed company would have no operations until it was sold. The undisclosed control person told Respondent he would receive a \$10,000 flat fee upon the sale of the company for providing these services. That company was soon incorporated as Mobieyes Software on January 15, 2009.

4. On February 27, 2009, Mobieyes Software filed a Form S-1 registration statement seeking to register the offer and sale of 3,000,000 common shares in a \$30,000 public offering, and amended its statement on April 8, 2009, April 29, 2009 and May 20, 2009 (together, the "Registration Statement"). The Registration Statement became effective as of June 3, 2009.

5. According to the Registration Statement and Mobieyes Software's other filings with the Commission, Respondent was the President, Sole Director, Principal Executive Officer, Principal Financial Officer, Principal Accounting Officer, majority shareholder, and sole member of management of Mobieyes Software.

¹ The findings herein are made pursuant to Respondent's Offer of Settlement and are not binding on any other person or entity in this or any other proceeding.

6. The Registration Statement and Mobieyes Software's other filings with the Commission claimed that Respondent had capitalized Mobieyes Software and controlled, and would continue to control, Mobieyes Software. Respondent knew at all material times that, to the contrary, Mobieyes Software was capitalized, operated and otherwise controlled by the undisclosed control persons, none of whom was disclosed in any of Mobieyes Software's filings with the Commission.

7. The Registration Statement and Mobieyes Software's other filings with the Commission claimed that Mobieyes Software was "a mobile enterprise software company aimed at improving the productivity of the field service organization." Respondent took no actions toward any such business plan for Mobieyes Software. Respondent understood and believed that Mobieyes Software had no purpose other than to engage in a merger or acquisition with an unidentified entity. Therefore, Mobieyes Software was an undisclosed "blank check company" as defined in Rule 419 under the Securities Act.

8. Respondent took no actions toward devising, designing, maintaining, or evaluating internal accounting controls, disclosure controls and procedures as defined in Rule 15d-15(e) under the Exchange Act ("disclosure controls and procedures"), or internal control over financial reporting as defined in Rule 15d-15(f) under the Exchange Act ("internal control over financial reporting") for Mobieyes Software.

9. The undisclosed control persons assembled Mobieyes Software's Forms 10-Q filed on June 4, 2009, September 14, 2009, and December 10, 2009, and Form 10-K filed on February 9, 2010. These periodic reports and certifications contained material misrepresentations and omissions pertaining to Mobieyes Software's business plan and Respondent's involvement in Mobieyes Software, including but not limited to Respondent's purported design, establishment, evaluation, and maintenance of disclosure controls and procedures and internal control over financial reporting. Although Respondent did not expressly consent to the use of his electronic signature on these periodic reports and the accompanying certifications, Respondent signed management representation letters in connection with Mobieyes Software's periodic reports and received email confirmations from the Commission upon the filing of Mobieyes Software's periodic reports containing certifications signed in his name.

10. At the direction of the undisclosed control persons, Respondent signed other documents in furtherance of Mobieyes Software's sole purpose as a public vehicle for merger or acquisition, including board resolutions, an affidavit and due diligence questionnaire in support of a Form 211 application, and management representation letters to auditors. These documents contained false or misleading statements related to the issuance of Mobieyes Software's shares, the accuracy of Mobieyes Software's disclosures, Respondent's knowledge of fraud involving Mobieyes Software, and the existence and nature of Mobieyes Software's disclosure controls and procedures and internal control over financial reporting.

11. Respondent took these various actions at the direction of Mobieyes Software's undisclosed control persons. Respondent received \$10,000 upon the sale of Mobieyes Software as

the flat fee agreed upon with the undisclosed control persons which had no correlation to the value of Respondent's Mobieyes Software shares per the change-of-control transaction.

12. As a result of the conduct described above, Respondent willfully violated Section 13(b)(5) of the Exchange Act, which prohibits a person from knowingly circumventing or knowingly failing to implement a system of internal accounting controls or knowingly falsifying any book, record or account described in Section 13(b)(2) of the Exchange Act.

13. As a result of the conduct described above, Respondent willfully violated Rule 13b2-1 under the Exchange Act, which prohibits a person from directly or indirectly falsifying or causing to be falsified any book, record, or account subject to Section 13(b)(2)(A) of the Exchange Act.

14. As a result of the conduct described above, Respondent willfully violated Rule 13b2-2 under the Exchange Act, which prohibits an officer or director of an issuer to make or cause to be made, or omit or cause another person to omit to state, a materially false or misleading statement to an accountant in connection with the preparation or filing of any document or report required to be filed with the Commission.

15. As a result of the conduct described above, Respondent violated Rule 15d-14 under the Exchange Act, which requires that the principal executive and principal financial officers of an issuer that files a report pursuant to Section 15(d) of the Exchange Act sign a certification that, among other things and based on their knowledge, the periodic report filed with the Commission does not contain any untrue statement of material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading.

16. As a result of the conduct described above, Respondent violated Rule 15d-15 under the Exchange Act, which requires the management of an issuer that files reports pursuant to Section 15(d) of the Exchange Act to evaluate the effectiveness of the issuer's disclosure controls and procedures, and which requires the management of an issuer that either had been required to file an annual report pursuant to Section 13(a) or 15(d) of the Act, or had previously filed an annual report, to evaluate the effectiveness of the issuer's internal control over financial reporting.

17. As a result of the conduct described above, Respondent caused violations by the undisclosed control persons of Section 17(a) of the Securities Act, which prohibits fraudulent conduct in the offer or sale of securities.

18. As a result of the conduct described above, Respondent willfully aided and abetted and caused violations by the undisclosed control persons of Section 10(b) of the Exchange Act and Rule 10b-5 promulgated thereunder, which prohibit fraudulent conduct in connection with the purchase or sale of securities.

19. As a result of the conduct described above, Respondent willfully aided and abetted and caused violations by Mobieyes Software of Section 13(b)(2)(A) of the Exchange Act, which requires that an issuer which is required to file reports pursuant to Section 15(d) of the Exchange Act make and keep books, records, and accounts, which, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the issuer.

20. As a result of the conduct described above, Respondent aided and abetted and caused violations by Mobieyes Software of Section 13(b)(2)(B) of the Exchange Act, which requires that an issuer which is required to file reports pursuant to Section 15(d) of the Exchange Act devise and maintain a system of internal accounting controls.

21. As a result of the conduct described above, Respondent aided and abetted and caused violations by Mobieyes Software of Section 15(d) of the Exchange Act, Rules 12b-11, 12b-20, 15d-1, 15d-13 and 15d-14 thereunder and willfully aided and abetted and caused violations by Mobieyes Software of Rule 302 of Regulation S-T, which require that an issuer which has filed a registration statement which has become effective pursuant to the Securities Act file periodic information, documents, and reports as required pursuant to Section 13 of the Exchange Act, including quarterly reports on Form 10-Q and annual reports on Form 10-K, and that such reports be signed, contain such material information as may be necessary to make the required statements in light of the circumstances under which they are made not misleading, and include certifications signed by the issuer's principal executive and principal financial officers.

22. As a result of the conduct described above, Respondent willfully aided and abetted and caused violations by Mobieyes Software of Rule 13b2-1 under the Exchange Act, which prohibits a person from directly or indirectly falsifying or causing to be falsified any book, record, or account subject to Section 13(b)(2)(A) of the Exchange Act.

23. As a result of the conduct described above, Respondent aided and abetted and caused violations by Mobieyes Software of Rule 15d-15 under the Exchange Act, which requires an issuer that files reports pursuant to Section 15(d) of the Exchange Act to evaluate the effectiveness of the issuer's disclosure controls and procedures, and which requires an issuer that either had been required to file an annual report pursuant to Section 13(a) or 15(d) of the Act, or had previously filed an annual report, to evaluate the effectiveness of the issuer's internal control over financial reporting.

Disgorgement and Civil Penalties

24. Respondent has submitted a sworn Statement of Financial Condition dated October 14, 2014 and other evidence, and has asserted his inability to pay full disgorgement plus prejudgment interest or a civil penalty.

IV.

Accordingly, pursuant to Section 8A of the Securities Act and Sections 15(b) and 21C of the Exchange Act, it is hereby ORDERED that:
