A Daily Summary of  
S.E.C. Activities

Washington, D.C. 20549

(Prepared by the SEC Office of Public Information)

(Issue No. 72-221)

FOR RELEASE November 20, 1972

## DECISION IN ADMINISTRATIVE PROCEEDING

NOCIARO AND LESER BARRED. The SEC has barred Daniel A. Nociaro and Barbara J. Leser, both of Las Vegas, Nev. from association with any broker or dealer. Nociaro, after twenty-one months, and Leser, after three months, may apply for permission to become so associated but only upon an adequate showing of proper supervision and subject to the limitation, among others, that they will only handle transactions of securities of corporations having made recent offerings pursuant to Regulation A under the Securities Act of 1933 or which are subject to and are in compliance with the reporting requirements of the Securities Exchange Act.

According to the decision, respondents, who were officers of Enterprise Securities Corporation, formerly a registered broker-dealer, sold unregistered securities of Barr Financial Ltd. and Industrial Manufacturing Corporation, made false and misleading statements to customers and bid for and purchased Industrial securities while engaged in their distribution. In addition, it was found that respondents aided and abetted improper extensions of credit by Enterprise and the opening and maintenance of fictitious customer accounts.

The Commission's order was based on an offer of settlement in which respondents, without admitting or denying the allegations in the order for proceedings, consented to the findings and sanctions. Respondents also consented, without admitting or denying the allegations of the complaint, to the issuance of permanent injunctions against them in pending court proceedings (Securities & Exchange Commission v. Industrial Manufacturing Corporation) in which they are charged with violating the registration and antifraud provisions of the securities laws in connection with the offer and sale of securities of Industrial Manufacturing Corporation. (Rel. 34-9855)

## NEW RULES AND RULE PROPOSALS

RULE 3a-12-1 ADOPTED. The SEC announced on Nov. 17 the adoption of Rule 3a-12-1 under the Securities Exchange Act of 1934 (Act). Under the new rule mortgages and interests in mortgages sold by the Federal Home Loan Mortgage Corporation will become "exempt securities" under section 3(a)(12) of the Act.

The Federal Home Loan Mortgage Corporation, an integral part of the Federal Home Loan Bank System, was established by Congress to create a liquid market in residential mortgages. Rule 3a-12-1 is intended in part to facilitate the establishment of this liquid market. The principal impact of the new rule is that broker-dealers dealing solely in these mortgages and other exempt securities will not be subject to the registration and net capital requirements and other provisions of the Act which are not by their terms applicable to "exempt securities". The Commission noted, however, that it has not totally exempted these mortgages sold by the Corporation from the securities laws administered by the SEC. These mortgages are, for example, still subject to the anti-fraud provisions of the Act. (Rel. 34-9865)

## COMMISSION ANNOUNCEMENTS

SUSPENSION OF TRADING IN LDS LIFTED. The SEC announced on November 16 that the suspension of the over-the-counter trading in the securities of LDS Dental Supplies, Inc., of Melville, N. Y., will terminate at midnight (EST) November 16, 1972. The suspension of trading was requested by counsel for LDS when the former president of LDS, Welsh Slayton, and in excess of \$250,000 of funds belonging to LDS were reported missing. The Commission ordered a suspension of trading on May 31, 1972. On June 2, 1972 LDS filed a petition under Chapter XI of the Bankruptcy Act. Since that date the company has operated the business as a "Debtor-in-Possession".

On October 24, 1972, LDS sent to shareholders a letter containing the results of an audit of the company's books and records as of June 2, 1972, showing for the period October 1, 1971 through June 2, 1972, a net operating loss of \$229,127 and total assets of \$747,061, including \$714,232 of current assets, and current liabilities of \$721,864. The shareholders' letter reported that operations for the period June 2 through September 30, 1972 (unaudited) resulted in a net profit, before taxes, of \$47,220. It also stated that present management is of the opinion that the business of the company can be conducted profitably if a satisfactory arrangement can be made with the company's creditors and its future operations can be properly financed. (Rel. 34-9866)

MAGNETIC TAPE FILE OF SUMMARY DATA FROM INSTITUTIONAL INVESTOR STUDY BECOMES PUBLIC. The SEC has prepared a magnetic tape file summarizing the "Holdings of Specific Common Stocks as of September 30, 1969." The I-3 summary file, developed from data gathered as part of the Institutional Investor Study, contains holdings data on individual stocks accumulated for all respondents and by respondent type. The Summary File has been accessioned as a public record by the National Archives and Records Service and copies will be made available by that Agency for purchase by the public. The file is organized by stock. Individual stocks are identified by CUSIP number. Data elements on each record are (1) dollar value of holdings, (2) number of shares held, (3) dollar value of restricted holdings, (4) number of restricted shares, number of respondents holding, (5) restricted and (6) unrestricted shares. Holdings of individual respondents are aggregated by respondent type and for all respondents for each stock so that complete confidentiality of individual holdings is assured. Copies of this file and related documentation may be obtained on a single reel of 9-track 800 BPI IBM EBCDIC tape by ordering from the Machine Readable Archives Branch, National Archives and Records Service, Washington, D.C. 20408. The cost per copy is \$40 payable to the General Services Administration. Shipment will be made within 2 weeks of receipt of order. In ordering, refer to item number NN371-208, I-3 Summary Tape.

OVER

**SEC LIFTS SUSPENSION ON NORTH AMERICAN PLANNING.** The SEC has lifted, as of 10:00 a.m. (EST) on November 20, the temporary suspension of over-the-counter trading in the securities of North American Planning Corporation, New York City broker-dealer. The original suspension was ordered on July 24, 1972. North American, its president and a director consented to the entry of a permanent injunction enjoining further violations of the Commission's net capital rule. A New York City Federal Court appointed a Securities Investor Protection Corporation Trustee to liquidate the firm. Since it will take some time for the Trustee to complete the liquidation, the Commission advised the brokerage community that soliciting orders or otherwise effecting transactions with respect to the securities of North American may well involve violations of the Federal securities laws. (Rel. 34-9868)

#### COURT ENFORCEMENT ACTION

**THREE COMPANIES CITED FOR FAILURE TO FILE REPORTS.** The SEC on November 17 filed three complaints in the Federal court in the District of Columbia seeking court orders directing Sovereign Industries, Inc., Mobile, Ala., Major D Corporation, Pasadena, Calif., and Tran-Aire Systems Incorporated, Houston, Tex., and its president, Darvin R. Watson, to comply with the reporting provisions of the Securities Exchange Act of 1934.

The SEC alleged that these firms and Darvin R. Watson failed to file certain annual and other periodic reports and that Major D was late in filing its registration statement with the Commission under the Securities Exchange Act.

These actions supplement the work of the joint NASD-SEC team recently named by Chairman Casey to inspect over-the-counter trading firms specializing in making markets in low-priced speculative securities, and follow other actions filed by the Commission since its announcement of October 15, 1970 (Rel. No. 34-8995) expressing concern about delinquent filing of periodic reports. (LR-5634)

**COMPLAINT CITES KNIFFEN, OTHERS.** The SEC Washington Regional Office announced November 15, the filing of a complaint in the Federal court in the District of Columbia seeking to enjoin Clifford Alton Kniffen, Colonial Gas Company and Great Bend Petroleum Associates of Charleston, W. Va. from further violations of the registration and anti-fraud provisions of the Federal securities laws in connection with the offer and sale of fractional undivided working interests in oil and gas leases located in Ohio and West Virginia. Sam Clammer, CSC Enterprises, de la Warr Associates, all of the District of Columbia, Drummond Lee Scott of Rockville, Md., Rodney Rose of Honolulu, Hawaii and Roy Proffitt and A & P Drilling Co. of Racine, Ohio were also charged in the complaint with violating and aiding and abetting violations of the registration requirements of the Federal securities laws in connection with the offer and sale of the above mentioned securities. (LR-5631)

**SEC CITES DAVENPORT HOTEL, OTHERS.** The SEC Seattle Regional Office announced on November 16, the filing of a complaint in the Federal court in Spokane against the Davenport Hotel, Inc., and two of its officers, J. Harlow Tucker and Stanley J. Burke. The complaint seeks to compel the filing of a Form 10 registration for that corporation's convertible debentures, to enjoin the defendants from failing to file periodic reports, and further violations of the anti-fraud provisions of the Federal securities laws in the offer and sale of securities. (LR-5632)

**INJUNCTION SOUGHT AGAINST STINEBAUGH, BARTON AND ELLIS.** The SEC Seattle Regional Office announced that on November 14 a complaint was filed in the Federal court in Spokane, Washington, seeking to enjoin Donald E. Stinebaugh of Post Falls, Idaho, Carl A. Barton of Spokane, Washington, and Dick D. Ellis of Anaheim, California from violations of the unregistered sale and anti-fraud provisions of the Federal securities laws in connection with the sale of promissory notes signed by Stinebaugh, common stock of Power Research & Development Co., Inc., a Washington corporation, or any other securities. (LR-5633)
