Re: Request for rulemaking regarding member records of "short" positions and reporting and public dissemination of aggregate positions by security.

Dear Sir,

The common stock of our company NoFire Technologies, Inc., is listed on the OTCBB.

Please accept this notice as our strong support for the above referenced change in SEC Rules.

This rule change is urgently required to prevent fraudulent acts, expose market manipulation, promote fair principles of trade and protect investors. Small issuers on the Pink Sheets and the OTCBB deserve the same transparency and regulatory oversight of short selling as those listed on Exchanges or NASDAQ.

Thank you for your consideration in this matter.

Respectfully submitted,
Dr. Samuel Gottfried, PhD
CEO, NoFire Technologies, Inc.
