PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To be held Tuesday, December 11, 2001
Mailed on or about November 9, 2001

INTRODUCTION

This proxy statement (the "Proxy Statement") is being furnished to stockholders of NCS Healthcare, Inc., a Delaware corporation ("NCS" or the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board" or the "Board of Directors") from holders of record of the Company's outstanding shares of Class A Common Stock, \$.01 par value (the "Class A Stock"), and Class B Common Stock, \$.01 par value (the "Class B Stock") (the Class A Stock and Class B Stock hereinafter collectively referred to as the "Common Stock"), as of the close of business on October 30, 2001 (the "Annual Meeting Record Date") for use at the 2001 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), and at any adjournments or postponements thereof. The Annual Meeting will be held on Tuesday, December 11, 2001, at 9:30 a.m. (local time), at the Sheraton Cleveland City Centre, 777 St. Clair Avenue, 6th Floor, Cleveland, Ohio 44114. This Proxy Statement and the accompanying proxy card are being mailed to stockholders on or about November 9, 2001. The headquarters and principal executive offices of the Company are located at 3201 Enterprise Parkway, Cleveland, Ohio 44122.

Proxies will be solicited by mail, telephone or other means of communication. Solicitation also may be made by Directors, officers and other employees of the Company not specifically employed for this purpose. The Company will reimburse brokerage firms, custodians, nominees and fiduciaries in accordance with the rules of the National Association of Securities Dealers, Inc. for reasonable expenses incurred by them in forwarding materials to the beneficial owners of the Common Stock. The entire cost of solicitation will be borne by the Company.

VOTING RIGHTS AND PROXY INFORMATION

Only holders of record of Common Stock as of the close of business on the Annual Meeting Record Date will be entitled to notice of and to vote at the Annual Meeting or any adjournments or postponements thereof. Holders of Class A Stock are entitled to one vote per share on any matter that may properly come before the Annual Meeting, and holders of Class B Stock are entitled to ten votes per share on any such matters. Except as otherwise provided by the Company's Certificate of Incorporation or required by law, holders of the Class A Stock and Class B Stock will at all times vote on all matters (including the election of Directors) together as one class. The presence, either in person or by properly executed and delivered proxy, of the holders of a majority of the voting power of the Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting and to permit action to be taken by stockholders at such meeting. Under Delaware law, Common Stock represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares present and entitled to vote for purposes of determining the presence of a quorum.

A plurality of the votes present in person or represented by proxy at the Annual Meeting is required to elect the nominee for Director. "Plurality" means that the individuals who receive the largest number of votes cast are elected as Directors up to the maximum number of Directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of a Director, except to the extent that the failure to vote for an individual results in another individual receiving a larger number of votes.

Unless otherwise provided by law or the Company's Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of the Common Stock entitled to vote on such a matter and present in person or represented by proxy at the Annual Meeting is required to approve all other matters properly brought before the Annual Meeting. Abstentions as to all such matters will have the same effect as votes against such matters. Broker non-votes, however, are not counted as present and entitled to vote for purposes of determining whether a proposal has been approved and will have

no effect on the outcome of any proposal requiring the affirmative vote of the holders of a majority of the outstanding shares present and entitled to vote.

As of October 17, 2001, there were 18,461,599 shares of Class A Stock and 5,255,210 shares of Class B Stock outstanding and entitled to vote at the Annual Meeting. All shares of Common Stock of the Company represented at the Annual Meeting by properly executed and delivered proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated, such proxies will be voted for the nominees for Class III Directors recommended by the Board.

In the event that a quorum is not present at the time the Annual Meeting is convened, or if for any other reason the Company believes that additional time should be allowed for the solicitation of proxies, the Company may adjourn the Annual Meeting with or without a vote of the stockholders. If the Company proposes to adjourn the Annual Meeting by a vote of the stockholders, the persons named in the enclosed proxy will vote all Common Stock for which they have voting authority in favor of such adjournment.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (i) filing with National City Bank, in its capacity as transfer agent for the Company (the "Transfer Agent"), at or before the Annual Meeting, a written notice of revocation bearing a later date than the proxy, (ii) duly executing a subsequent proxy relating to the same shares of Common Stock and delivering it to the Transfer Agent at or before the Annual Meeting or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, in and of itself, constitute a revocation of a proxy). Any written notice revoking a proxy should be sent to National City Bank, Corporate Trust Administration, 629 Euclid Avenue, Room 635, Cleveland, Ohio 44114, Attention: Ms. Laura S. Kress.

ELECTION OF DIRECTORS

The by-laws of the Company fix the number of Directors of the Company at seven. The Board of Directors of the Company is currently comprised of four Directors. The Company has three classes of Directors. The Board has nominated and recommends the reelection of each of Mr. Osborne and Mr. Outcalt as a "Class III Director" for a three-year term expiring at the Annual Meeting of Stockholders to be held in 2004. THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Presently, the Board is comprised of four members, two of whom are not officers or employees of the Company. Mr. A. Malachi Mixon, III, a former Class I Director, resigned from the Company's Board of Directors in December, 2000 following the 2000 Annual Meeting of Shareholders. During the fiscal year ended June 30, 2001, the Board met eight times. During the fiscal year ended June 30, 2001, each Director, with the exception of Mr. A. Malachi Mixon, III, attended at least 75 percent of the meetings of the Board of Directors and any Committee of the Board of Directors on which he served.

The Board has two standing committees: (i) Audit and (ii) Human Resources. The Audit and Human Resources Committees were created on February 5, 1996, in connection with the Company's initial public offering. The members of each committee are appointed by the Board of Directors and serve at its discretion. A majority of the members of each committee constitutes a quorum, and the acts of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by all of the members, are acts of any of the respective committees. The Company does not have a standing nominating committee or a committee performing similar functions.

The current members of the Audit Committee are Richard L. Osborne and Boake A. Sells. The Board of Directors continues to consider qualified candidates to fill the vacancy on the committee resulting from the resignation of Mr. Mixon. Neither Mr. Osborne nor Mr. Sells has been an officer or employee of the Company or any of its subsidiaries. Mr. Sells does have a consulting agreement with the Company. However, the Board of Directors has determined that this relationship does not interfere with his exercise of independent judgment. Therefore, both Mr. Osborne and Mr. Sells are independent directors as defined in the New York Stock Exchange listing standards. The Audit Committee has general responsibility for the supervision of the financial controls as well as accounting and audit activities of the Company. The Audit Committee annually reviews the qualifications of the Company's independent certified public accountants, makes recommendations to the Board of Directors concerning the selection of the accountants and reviews the planning, fees and results of such accountants' audits. The Audit Committee met six times during the fiscal year ended June 30, 2001.

The members of the Human Resources Committee are Richard L. Osborne and Boake A. Sells, neither of who has been an officer or employee of the Company or any of its subsidiaries. The Human Resources Committee has the authority to (i) administer the Company's stock option plans, including the selection of optionees and the timing of option grants, (ii) review and monitor key employee compensation and benefits policies, and (iii) administer the Company's management compensation plans. The Human Resources Committee met three times during the fiscal year ended June 30, 2001.

The Executive Committee was created on April 22, 1997 and has general authority for exercising the power of the Board of Directors regarding the acquisition of institutional pharmacies and related businesses in the long-term care industry. The Executive Committee did not meet during the fiscal year ended June 30, 2001.

AUDIT COMMITTEE AND RELATED MATTERS

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee's activities are governed by a written charter adopted by the Board of Directors, a copy of which is attached to this Proxy Statement as Appendix A.

Management has the primary responsibility for the Company's financial statements and the reporting process, including the system of internal controls. The independent auditors audit the annual financial statements prepared by management and express an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Audit Committee monitors these processes.

In this context, the Audit Committee met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent auditors such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

In addition, the independent auditors provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), related to the auditors' independence. The Audit Committee discussed with the independent auditors the auditors' independence from the Company and its management and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's financial management and independent auditors the overall scope and plans for the audit. The Audit Committee also met with the independent auditors, with and without management present, to discuss the results of the examinations, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting. In addition, the Audit Committee considered other areas of its oversight relating to the financial reporting process that it determined appropriate.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2001 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

Richard L. Osborne

Employment Agreements

The Company is party to an employment agreement with William B. Byrum, dated July 1, 2001, pursuant to which the Company employs Mr. Byrum as Executive Vice President and Chief Operating Officer. This agreement replaces an earlier agreement, dated September 1, 1995 and terminated on October 25, 2000, pursuant to which the Company employed Mr. Byrum as Vice President - Corporate Development. In June 1998, Mr. Byrum was promoted to the position of Senior Vice President and in June 1999, Mr. Byrum was promoted to his current position of Executive Vice President and Chief Operating Officer. The agreement provides for a term of two years and an annual salary subject to increase at the discretion of the Company. The agreement also provides for a bonus to be paid to Mr. Byrum. In addition, the agreement contains certain non-compete, non-disclosure and non-interference provisions applicable to Mr. Byrum. The Company has entered into a salary continuation agreement with Mr. Byrum, the terms of which are more fully described below.

The Company is a party to a salary continuation agreement with each of Jon H. Outcalt, Kevin B. Shaw, William B. Byrum, Thomas B. Mangum, Gerald D. Stethem and Michael J. Mascali (each an "Employee"). The agreements entered into with Messrs. Mangum, Stethem and Mascali are dated July 20, 1999. The agreements with Messrs. Outcalt and Shaw are dated September 29, 2000 and Mr. Byrum's agreement is dated October 25, 2000. Under the terms of the salary continuation agreement, if, subsequent to a change in control transaction involving the Company, the Employee's employment is terminated by the Company other than for cause (as defined in the agreement) or he terminates his employment for good reason (as defined in the agreement), the Employee will be entitled to receive for a period ending (A) two years for Messrs. Outcalt, Shaw, Byrum, Mangum and Stethem, and (B) one year for Mr. Mascali, from the date of change in control transaction (i) a base salary at an annual rate equal to the greater of (x) the highest monthly base salary paid by the Company to the Employee during the 12 months preceding the change in control transaction or (y) the highest monthly salary paid by the Company to the Employee during the period from the date of the change in control transaction to the date of the termination of the Employee's employment, and (ii) health insurance, life insurance and retirement benefits that would have been provided if the Employee had not been terminated, in accordance with the most favorable plans or policies of the Company during the 90-day period preceding the change in control transaction, or, if more favorable to the Employee, as in effect at any time thereafter with respect to other key employees. The Company has entered into similar salary continuation agreements for six, twelve, eighteen and twenty-four month terms with an additional twenty-five key employees.

HUMAN RESOURCES COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's executive compensation program is administered by the Human Resources Committee (the "Committee") of the Board of Directors. The Committee is comprised of Messrs. Osborne and Sells, neither of who is an officer or employee of the Company.

Compensation Philosophy

The Committee's philosophy regarding the compensation of the executive officers is to (i) provide a competitive total compensation package in line with the special circumstances the Company is facing that will allow the Company to attract and retain qualified executives; (ii) provide executives with incentive bonuses linked to Company and individual performance; and (iii) provide executive officers with a significant equity stake in the Company through stock options or other equity incentives.

Section 162(m) of the Internal Revenue Code prohibits a deduction to any publicly held corporation for compensation paid to a "covered employee" in any year in excess of \$1 million. A covered employee is generally one of the Named Executive Officers. The Committee does not expect the deductibility of any compensation paid to any of the Named Executive Officers in 2001 to be affected by Section 162(m). However, the Committee may consider alternatives to its existing compensation programs in the future to assure the deductibility of executive compensation.

Fiscal 2001 Compensation Decisions

Salaries. Salaries for all executive officers for fiscal 2001, other than for Mr. Shaw, were established by the Committee based on recommendations by Mr. Shaw. Salaries for some executive officers were increased early in fiscal 2001, based on then-existing financial circumstances, consistent with the Company's desire to retain and attract qualified executives with consideration given to the Company's challenging financial and competitive pressures.

Bonuses. Generally, cash bonuses paid by the Company to its executive officers are based on each executive's function, level of responsibility and/or the terms of their employment agreements. To enhance the ability of the Company to retain highly qualified employees during the implementation of a restructuring plan, a Retention Program was adopted on November 29, 2000 providing for a bonus to each of the Company's executive officers during fiscal 2001 if they remain employed by the Company on the scheduled payment date.

Stock Options. The Committee believes that the interests of executives most responsible for the management and growth of the Company should be closely aligned with the long-term interests of the Company's stockholders. As a consequence, options to purchase an aggregate of 700,000 shares of Class A Stock were granted to 49 employees of the Company on October 25, 2000 based on the Board's recommendation on October 25, 2000. Of the total stock options granted, the Company awarded options to purchase an aggregate of 225,000 shares of Class A Stock to the Company's executive officers. The stock options vest incrementally over time beginning two years from the date of grant and expire five years from the date of grant. The exercise price of each stock option is \$0.135 per share, which was the closing price of the Class A Stock on the date of grant.

In determining the number of options awarded to individual executive officers, the Committee generally establishes a level of award based on the individual's position and level of responsibility.

Compensation of the Chief Executive Officer

The compensation arrangement of Mr. Shaw, the President, Chief Executive Officer and Secretary of the Company, is determined based on the Committee's subjective assessment of his performance, measured by the Company's overall financial performance and the Committee's assessment of his contributions to achieving strategic objectives during the year. In light of the financial challenges facing the Company, Mr. Shaw elected not to be considered for a salary increase or bonus during fiscal 2001. The Board of Directors nevertheless awarded Mr. Shaw a retention bonus as a part of the Retention Program it adopted on November 29, 2000.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's Directors and certain of its officers and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. Such persons are further required to furnish the Company with copies of all such forms they file. Based solely on the Company's review of the copies of such forms it has received, the Company believes all Section 16(a) filing requirements were satisfied by the Company's Directors and executive officers for the fiscal year ended June 30, 2001, except that an award of employee stock options to the Company's Directors, officers and certain other employees on October 25, 2000, and stock matches awarded employee participants in the Company's 401 (K) Plan pursuant to its provisions were filed on a Form 5 after the required filing date. Stock options granted to Ms. Levine, Senior Vice President, on October 25, 2000 were reported on a Form 3 after the required filing date.

BY ORDER OF THE BOARD OF DIRECTORS

**AMENDED AND RESTATED
AUDIT COMMITTEE CHARTER
NCS HEALTHCARE, INC.**

Organization

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of NCS HealthCare, Inc. (the “Company”) shall be comprised of a minimum of three directors. Except as provided below, each director shall be an “independent director,” as such term is defined in the New York Stock Exchange listing standards (an “Independent Director”). Notwithstanding the foregoing, one director who is not an Independent Director and is not a current employee or an immediate family member of an executive officer of the Company, may be appointed to the Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interests of the Company and its stockholders. Each member of the Committee shall be able to read and understand fundamental financial statements or will become able to do so within a reasonable period of time after appointment to the Committee. The Committee shall include at least one member that has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual’s financial sophistication.

Statement of Policy

The Committee shall provide assistance to the directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of financial reports of the company. In so doing, it is the responsibility of the Committee to maintain free and open communication between the directors, the independent auditors, the internal auditors, and the financial management of the Company.

Responsibilities

In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to facilitate corporate accounting and reporting practices of the Company that are in accordance with all applicable requirements and that are of the highest quality.

In carryout out these responsibilities, the Committee will:

- Obtain the full board of directors’ approval of this Charter and review and reassess the adequacy of this Charter as conditions dictate (at least annually).
- Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the Company and its divisions and subsidiaries.
- Have a clear understanding with the independent auditors that they are ultimately accountable to the board of directors and the Committee, as the shareholders’ representatives, who have the ultimate authority and responsibility to select, evaluate, and, where appropriate, replace the independent auditor (or to nominate the independent auditor to be proposed for shareholder approval in any proxy statement).
- Review and concur with management’s appointment, termination, or replacement of the director of internal audit.
- Meet with the independent auditors and financial management of the Company to review the scope of the proposed audit and timely quarterly reviews for the current year and the procedures to be utilized, the adequacy of the independent auditor’s compensation, and at the conclusion thereof review such audit or review, including any comments or recommendations of the independent auditors.
- Review with the independent auditors, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of such internal controls or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be

given to the adequacy of internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.

- Review reports received from regulators and other legal and regulatory matters that may have a material effect on the financial statements or related Company compliance policies.
- Inquire of management and the independent auditors about significant risks or exposures and assess the steps management has taken to minimize such risks to the Company.
- Review the quarterly financial statements with financial management and the independent auditors prior to the filing of the Form 10-Q (or prior to the press release of results, if possible) to determine that the independent auditors do not take exception to the disclosure and content of the financial statements, and discuss any other matters required to be communicated to the Committee by the auditors. The chair of the Committee may represent the entire Committee for purposes of this review.
- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Review with financial management and the independent auditors the results of their timely analysis of significant financial reporting issues and practices, including changes in, or adoptions of, accounting principles and disclosure practices, and discuss any other matters required to be communicated to the Committee by the auditors. Also review with financial management and the independent auditors their judgments about the quality, not just acceptability, of accounting principles and the clarity of the financial disclosure practices used or proposed to be used, and particularly, the degree of aggressiveness or conservatism of the organization's accounting principles and underlying estimates, and other significant decisions made in preparing the financial statements.
- Provide sufficient opportunity for the internal and independent auditors to meet with the members of the Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of audit.
- Report the results of the annual audit to the board of directors. If requested by the board, invite the independent auditors to attend the full board of directors meeting to assist in reporting the results of the annual audit or to answer other directors' questions (alternatively, the other directors, particularly the other independent directors, may be invited to attend the Committee meeting during which the results of the annual audit are reviewed).
- On an annual basis, obtain from the independent auditors a written communication delineating all their relationships and professional services as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In addition, review with the independent auditors the nature and scope of any disclosed relationships or professional services and take, or recommend that the board of directors take, appropriate action to oversee the continuing independence of the auditors.
- Submit the minutes of all meetings of the Committee to, or discuss the matters discussed at each Committee meeting with, the board of directors.
- Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
- Review the Committee's report, containing the information required to be stated therein by rules of the Securities and Exchange Commission, to be set forth in the proxy statement for the Company's annual meeting of stockholders, and review other Company disclosure relating to the Committee required to be set forth in such proxy statements. This Charter shall be filed as an appendix to the proxy statement at least once every three years, or the year after any significant amendment to the Charter.
