Dear Mr. Gottschling:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with more information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 8-K dated December 5, 2006

Item 4-01. Changes in Registrant's Certifying Accountant

1. Please specifically state whether during your two most recent fiscal years and any subsequent interim period before your former auditor was dismissed, you had any disagreements with your former auditor on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure. The phrase "through September 30, 2006" does not sufficiently address this requirement since the former auditor was not dismissed until December 5, 2006.
2. We note that the post-merger firm, "Squar, Milner, Peterson, Miranda & Williamson, LLP" is not registered with the Public Company Accounting Oversight Board (United States) or "PCAOB." Please advise us as to the status of any proposed or pending registration. Section 102 of the Sarbanes-Oxley Act of 2002 makes it unlawful after October 22, 2003 for any person that is not a registered public accounting firm (i.e., registered with the PCAOB) to prepare or issue, or to participate in the preparation or issuance of, any audit report (or review report) with respect to any issuer. You must engage a new accountant that is a publicly registered accounting firm to perform review or audit work for the company. Please file a new Item 4 Form 8-K after you have engaged new accountants that are registered with the PCAOB. Provide all of the disclosures required by Item 304 of Regulation S-K regarding the period of engagement, as applicable, of Squar Milner Peterson, Miranda & Williamson, LLP.
3. To the extent that you amend the Form 8-K to comply with our comment, please obtain and file an Exhibit 16 letter from the former accountant stating whether the accountant agrees with your Item 304 disclosures, or the extent to which the accountant does not agree.

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an

informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
