Dear Ms. Singleton:

We have reviewed the above referenced filings and have the following comments. Please note that we have limited our review to only your financial statements and related disclosures and do not intend to expand our review to other portions of your document. If indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Notes to Consolidated Financial Statements

9. Income taxes, page 50

1. Please describe for us the nature of the tax benefits you recognized in 2007 for foreign tax credits and other deferred tax asset attributes. As part of your response please clarify which foreign country these benefits relate to. Please tell us how your footnote disclosure describes the nature of these material tax benefits and explain how you have considered providing corresponding disclosure in your MD&A. See Section III.B.3 of SEC Release No. 33-8350.

Form 8-K filed February 27, 2008

Exhibit 99

2. We note that you disclose non-GAAP measures including EBITDA and “cash net income.” Because these measures exclude items which are recurring in nature, please tell us how you considered the disclosures required by Question 8 of the Frequently Asked Questions Regarding the Use of non-GAAP Financial Measures. Also, please explain to us how you differentiate the usefulness of EBITDA versus “cash net income.”

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit all correspondence and supplemental materials on EDGAR as required by Rule 101 of Regulation S-T. If you amend your filing(s), you may wish to provide us with marked copies of any amendment to expedite our review. Please furnish a cover letter that keys your response to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing any amendment and your response to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
