Background

This Heads of Agreement sets out the commercial terms and conditions pursuant to which:

- Mogale Gold has agreed to sell and DRDGOLD has agreed to purchase the Sale Interest (as defined below); and
- Mintails has agreed to guarantee the obligations of Mogale Gold under this Heads of Agreement.

Status of this Heads of Agreement

Immediately upon execution of this Heads of Agreement, all the parties acknowledge that they have created legally binding obligations between them in accordance with the agreed terms set out below.

Agreed Terms

Sale of interest in the Elsburg JV

- Sale Interest:** The Sale Interest comprises of:
- (a) the 35% "Percentage Interest" (as that term is defined in the joint venture agreement between Mogale Gold and ERPM dated 15 August 2008 (**Joint Venture Agreement**) establishing the Elsburg Gold Mining Joint Venture (**Elsburg JV**)) that Mogale Gold holds in the Elsburg JV (or 23.6% Percentage Interest in the event that ERPM exercises its option to acquire an additional 11.4% Percentage Interest under the Memorandum of Agreement - Mogale Sale of Part Venture Interest between Mogale Gold and ERPM dated 29 September 2008 (**Option Agreement**)); and
 - (b) any and all amounts owing by the Elsburg JV to Mintails or any of its subsidiaries (the **Elsburg Loan**), including (without limitation) the amount owing to Mogale Gold by way of a shareholder loan which is provided under the Mogale Facility Agreement entered into by Mogale Gold and the Elsburg JV on 15 August 2008 (**Mogale Facility Agreement**),

each being free and clear of all encumbrances (other than any encumbrance in favour of DRDGOLD or any of the DRDGOLD's subsidiary companies (together the **DRDGOLD Group**)).

The sale of the Sale Interest is to include the proportionate share of any and all moneys held in the joint venture cash accounts of the Elsburg JV as at the date of completion of the sale of the Sale Interest.

Notwithstanding the date of the execution of this Heads of Agreement, title and risk in the Sale Interest passes to DRDGOLD on completion of the sale.

Mogale Gold agrees to sell to DRDGOLD, and DRDGOLD agrees to purchase the Sale Interest together with all rights that attach to that interest as at the date of this Heads of Agreement and which accrue between the date of this Heads of Agreement and the Completion Date (including the rights to any dividends) on the basis that the Elsburg JV will continue to operate in the ordinary course of ordinary business.

Purchase Price: The purchase price for the Sale Interest is ZAR 177 million (subject to adjustment if ERPM exercises its option to acquire an additional 11.4% interest under the Option Agreement) payable in ZAR on completion.

The purchase price assumes that completion will occur within 4 months of the date of this Heads of Agreement. If completion has not occurred by that time, the parties must in good faith re-negotiate the purchase price adjustment mechanism to appropriately reflect the impact of the delay in completing the proposed transaction and any value leakage from the Elsburg JV during the period between signing this Heads of Agreement and completion.

Impact on Option Agreement: The Parties acknowledge that nothing in this Heads of Agreement impacts in any way whatsoever on the ability of ERPM to exercise its option to acquire an additional 11.4% Percentage Interest in the Elsburg JV under the Option Agreement, and this Heads of Agreement is not to be construed as a waiver by ERPM of any of its rights under the Option Agreement.

Should ERPM exercise its option under the Option Agreement to acquire an additional 11.4% interest in the Elsburg JV prior to Completion of the sale of the Sale Interest pursuant to this agreement, then the Parties agree that:

- (a) the Sale Interest shall be reduced from 35% to a 23.6% Percentage Interest in the Elsburg JV; and

	(b) the Purchase Price payable by DRDGOLD to Mogale Gold in respect to the Sale Interest will be reduced by the sum of ZAR 23,817,470 in recognition that ERPM will have already advanced that sum to Ergo Mining (at the direction of Mogale Gold) at the time of exercising its option in accordance with its obligations under clause 10 of the Option Agreement.
Impact on Joint Venture Agreement	ERPM acknowledges that it has waived its rights of first refusal under Clause 22.2 of the Joint Venture Agreement.
Condition Precedent:	<p>Completion of the sale of the Sale Interest is subject to the following conditions precedent being satisfied or waived:</p> <p>(a) (if required) the Parties receiving written approval from the South African Competition Commission to the acquisition of the Sale Interest on terms satisfactory to DRDGOLD (acting reasonably);</p> <p>(b) the Parties receiving all necessary or desirable approvals, consents or authorisations in respect to the sale and purchase of the Sale Interest from any governmental agency in South Africa, including (without limitation) the Department of Minerals and Energy to the extent required, on terms satisfactory to DRDGOLD (acting reasonably);</p> <p>(c) the shareholders of Mogale Gold approving the sale of the Sale Interest under section 228 of the Companies Act No 61 of 1973 (South Africa) (Companies Act);</p> <p>(d) to the extent required, the shareholders of DRDGOLD approving the purchase of the Sale Interest under the Listing Requirements of the JSE;</p> <p>(e) on or before 12 December 2008 (or such later date as the parties may agree in writing), DRDGOLD is satisfied, in its sole discretion, with its due diligence investigations into the Sale Interest (including, in particular, Mogale Gold's title to the Sale Interest and the ability of Mogale Gold to sell the Sale Interest to DRDGOLD under this Heads of Agreement, the validity of the title that the Elsburg JV has to any assets transferred by Mintails or any of its subsidiaries (excluding Ergo Mining) (together the Mintails Group) into the Elsburg JV, and any agreements or undertakings entered into by any member of the Mintails Group or their respective directors, officers and employees on behalf of the Elsburg JV);</p> <p>(f) no material adverse change occurring in respect of the Elsburg JV, including (without limitation) movements in the Rand gold price which individually or in aggregate, have a material adverse impact on the prospects of the Elsburg JV; and</p> <p>(g) DRDGOLD share price not falling below ZAR 3.00 for a period of 5 consecutive trading days at any time prior to completion of sale of the Sale Interest pursuant to this Heads of Agreement.</p> <p>The conditions precedent in paragraphs (a) to (d) cannot be waived.</p> <p>The conditions precedent in paragraphs (e) to (g) are for the benefit of DRDGOLD and may be waived by DRDGOLD in its absolute discretion by providing notice in writing to Mintails.</p> <p>Each party must use all reasonable endeavours to ensure the satisfaction of the conditions precedent in paragraphs (a) to (g) above.</p> <p>In respect to the condition precedent in paragraph (a) above, the Parties will jointly appoint DRDGOLD's South African attorneys to prepare the filings and applications for approval from the South African Competition Commission. The costs of preparing the filings and applications will be borne equally by Mintails and DRDGOLD.</p>

	<p>If the condition precedent in paragraph (e) above is not satisfied or waived by the due date for satisfaction of that condition, then either party may terminate this Heads of Agreement by notice in writing to the other to that effect. If the remaining conditions precedent to this Heads of Agreement are not satisfied or waived by the date that is 6 months after the date of this Heads of Agreement, then either party may terminate this Heads of Agreement by notice in writing to the other to that effect.</p>
