Form 20-F for Fiscal Year Ended December 31, 2006

Consolidated Statements of Operations, page F-3

1. We note your response to prior comment 3 where you state that revenues accounted for pursuant to SOP 81-1 do not include a license component, and therefore, no allocation to the product line item was required. Please note that

footnote 1 of SOP 81-1 does not permit the use of contract accounting for service contracts. In this regard, please tell us how you determined that this method of accounting is applicable to these arrangements given that they appear to only contain a service element. Also, explain further your disclosures in Note K regarding your discussion of SOP 81-1 contracts that involve significant production, modification, and customization of software.
