PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 28, 2008

QUESTIONS AND ANSWERS ABOUT THIS ANNUAL MEETING

In this proxy statement, Radio One, Inc. is referred to as “we,” “us,” “our,” “Radio One” or “the Company.”

Q: Why did I receive this proxy statement?

You received this proxy statement because our board of directors is soliciting your proxy to vote at our annual meeting of stockholders (including any adjournment or postponement of the annual meeting). The annual meeting will be held on May 28, 2008 at 9:30 a.m. Eastern Time, at the Mandarin Oriental Hotel, 1330 Maryland Avenue, SW, Washington, DC 20024. This proxy statement and a copy of our Annual Report on Form 10-K for the year ended December 31, 2007 are first being mailed on or about April 17, 2008 to stockholders of record at the close of business on April 4, 2008.

Q: What am I voting on?

You are being asked to consider and vote on the following:

- (1) The election of Terry L. Jones and Brian W. McNeill as Class A directors to serve for a one year term ending in 2009 (*Proposal 1*);
- (2) The election of Catherine L. Hughes, Alfred C. Liggins, III, D. Geoffrey Armstrong, Ronald E. Blaylock and B. Doyle Mitchell, Jr. as directors to serve for a one year term ending in 2009 (*Proposal 2*); and
- (3) The ratification of the appointment of Ernst & Young LLP as independent auditors for Radio One for the year ending December 31, 2008 (*Proposal 3*).

No matters other than those referred to above are presently scheduled to be considered at the meeting.

Q: Who is entitled to vote?

Holders of Class A and Class B common stock at the close of business on April 4, 2008, the record date, will be entitled to vote at the meeting. As of April 4, 2008, there were 3,539,761 shares of Class A common stock and 2,861,843 shares of Class B common stock issued, outstanding and eligible to vote. Each share of Class A common stock is entitled to one non-cumulative vote and each share of Class B common stock is entitled to ten non-cumulative votes.

Q: How do I vote?

You may attend the meeting and vote in person or you can vote by proxy, internet or phone. To vote by proxy, sign and date each proxy card you receive and return it to us by mail in the postage-paid envelope provided. The instructions for voting are contained on the enclosed proxy card. The individuals named on the card are your proxies. They will vote your shares as you indicate. If you sign your proxy card and return it without marking any voting instructions, your shares will be voted as follows:

- Proxies received from the holders of Class A common stock will be voted FOR all of the nominees for Class A director (for which holders of Class B common stock are not eligible to vote).
- Proxies received from holders of Class A common stock and Class B common stock will be voted FOR:
 - (i) All of the other nominees for director;
 - (ii) Ratification of the appointment of Ernst & Young LLP as independent auditors for Radio One for the year ending December 31, 2008; and
 - (iii) At the discretion of the proxies, on any other matter that may be properly brought before the meeting.

In addition to voting by proxy, you may use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern Time May 27, 2008. Online voting is available at www.proxyvote.com. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

Similarly you may vote by phone by dialing 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m. Eastern Time May 27, 2008. Have your proxy card in hand when you call and then follow the instructions.

Votes may be cast in favor of or in opposition to each proposal or, in the case of the election of directors, votes may be cast in favor of the election of each nominee or withheld. Other than in the election of directors, abstentions may be specified on each proposal. Abstentions, instructions to withhold voting authority and broker non-votes are not deemed to be votes cast and, accordingly, will have no effect on the outcome of the voting.

Q: How do I change my proxy?

You may change or revoke your proxy at any time before the meeting by either notifying our Assistant Secretary or returning a later-dated proxy. You may also revoke your proxy by voting in person at the annual meeting. The address of our Assistant Secretary is 5900 Princess Garden Parkway, 7th Floor, Lanham, MD 20706, Attention: Linda J. Vilardo, Assistant Secretary. If your shares are held in the name of a broker, bank or other record holder (*i.e.*, in “*street name*”), you must either direct the record holder of your shares how to vote your shares or obtain a proxy from the record holder to vote at the meeting.

Q: What does it mean if I obtain more than one proxy card?

If you receive more than one proxy card it means you hold shares registered in more than one account. Sign and return all proxy cards to ensure that all of your shares are voted.

Q: What are the voting rights of the Class A common stock and the Class B common stock?

On each matter submitted to a vote of our shareholders, each share of Class A common stock is entitled to one vote and each share of Class B common stock is entitled to ten votes. Members of our board of directors are elected by a plurality of votes cast. This means that the nominees that receive the most votes cast will be elected to the board, even if they do not receive a majority of votes cast. At the close of business on April 4, 2008, there were 3,539,761 outstanding shares of our Class A common stock and 2,861,843 outstanding shares of our Class B common stock. Accordingly, a total of 32,158,191 votes may be cast at the meeting. Class C and Class D common stock are not entitled to vote on any proposal presented at the meeting.

Q: What constitutes a quorum?

A quorum exists when the holders of a majority of the outstanding shares of Radio One voting common stock are present at the meeting in person or by proxy. A quorum is necessary to take action at the meeting. Abstentions and instructions to withhold voting authority, but not broker non-votes, are counted as present for purposes of determining whether there is a quorum. A broker non-vote occurs when a nominee who holds shares for a beneficial owner does not vote on a proposal because the nominee does not have discretionary voting power and has not received voting instructions from the beneficial owner. In the event that a quorum is not obtained at the meeting, we expect that the meeting will be adjourned or postponed to solicit additional proxies.

If a quorum is not present, the shareholders present in person or by proxy may adjourn the meeting to another time or place. Unless the adjournment is for more than thirty days or a new record date is set for the adjourned meeting, no further notice of the adjourned meeting need be given. At the adjourned meeting, we may transact any business which might have been transacted at the original meeting.

Q: How many votes are needed for approval of each proposal?

If a quorum is present at the meeting:

- the affirmative vote of a plurality of the votes cast by all eligible holders of Class A common stock will be necessary for the election of Terry L. Jones and Brian W. McNeill as Class A directors;
- the affirmative vote of a plurality of the votes cast by all eligible holders of Class A common stock and Class B common stock will be necessary for the election of the remaining director nominees; and
- the affirmative vote of a majority of the votes cast by all eligible holders of Class A common stock and Class B common stock will be necessary for the ratification of the appointment of the independent auditors.

Q: How do our officers and directors intend to vote?

We have been advised by various members of management and the board of directors who, in the aggregate, hold or otherwise have voting power with respect to 144,726 shares of Class A common stock and 2,861,843 shares of Class B common stock (together representing approximately 89.4% of the votes possible) that they intend to vote such shares in favor of each of the proposals to be presented for consideration and approval at the meeting.

Q: Who can attend the Annual Meeting?

All shareholders as of April 4, 2008 can attend.

Q: Who will pay the cost of this proxy solicitation?

We will pay all expenses incurred in connection with this proxy solicitation. We will solicit proxies by mail, and the directors, officers and employees of Radio One may also solicit proxies by telephone, facsimile, telegram or in person. Those persons will receive no additional compensation for these services but will be reimbursed for reasonable out-of-pocket expenses.

Q: Who will count the vote?

Votes cast by proxy or in person at the meeting will be tabulated by the inspectors of election appointed for the meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Radio One's directors and executive officers and persons who beneficially own more than ten percent of our common stock to file with the Securities and Exchange Commission ("SEC") reports showing ownership and changes in ownership of our common stock and other equity securities. On the basis of reports and representations submitted by Radio One's directors, executive officers, and greater than ten percent owners, we believe that all required Section 16(a) filings for the fiscal year ended December 31, 2007 were timely made.

THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Presently, there are seven members of the board of directors, five of whom are neither officers nor employees of Radio One. The board held eleven meetings during 2007. Six of the seven directors attended more than 75% of the aggregate number of meetings of the board and committees thereof on which he or she served. Brian W. McNeill attended less than 75% of the aggregate number of meetings of the board and committees thereof on which he served. It is the policy of the Company that all members of the board of directors attend annual meetings of the stockholders. All of the members of the board of directors attended the 2007 annual meeting of the stockholders of the Company.

Communication with the Board

Our stockholders may communicate directly with the board of directors. All communications should be in written form and directed to Radio One's Assistant Secretary at the following address:

Assistant Secretary
Radio One, Inc.
5900 Princess Garden Parkway, 7th Floor
Lanham, MD 20706

Communications should be enclosed in a sealed envelope that prominently indicates that it is intended for Radio One's board of directors. Each communication intended for Radio One's board of directors and received by the Assistant Secretary that is related to the operation of Radio One and is relevant to the director's service on the board shall be forwarded to the specified party following its clearance through normal review and appropriate security procedures.

Committees of the Board of Directors

The board has a standing audit committee, compensation committee and nominating committee.

Audit Committee

The audit committee consists of D. Geoffrey Armstrong, Brian W. McNeill and B. Doyle Mitchell, Jr., each of whom satisfy the requirements for audit committee membership under the listing standards of the NASDAQ Stock Market. Each of the audit committee members is independent, as that term is defined in Rule 4200(a)(14) of the NASDAQ Marketplace Rules. The board of directors has determined that both Mr. Armstrong and Mr. Mitchell qualify as "audit committee financial experts" as defined by Item 401(h) of Regulation S-K of the Securities Act of 1933. The board has adopted a written audit committee charter, which is available on our website at www.radio-one.com/about/audit_committee.asp. The audit committee met seven times during 2007.

The audit committee is responsible for oversight of the quality and integrity of the accounting, auditing and reporting practices of Radio One, and as part of this responsibility the audit committee:

- selects our independent auditors;
- reviews the services performed by our independent auditors, including non-audit services, if any;
- reviews the scope and results of the annual audit;
- reviews the adequacy of the system of internal accounting controls and internal control over financial reporting;
- reviews and discusses the financial statements and accounting policies with management and our independent auditors;
- reviews the performance and fees of our independent auditors;
- reviews the independence of our auditors;
- reviews the audit committee charter; and
- reviews related party transactions, if any.

Compensation Committee

Our compensation committee consists of Terry L. Jones, Brian W. McNeill and D. Geoffrey Armstrong. The compensation committee held six meetings during 2007. The board has adopted a written compensation committee charter. The functions of the compensation committee include:

- reviewing and approving the salaries, bonuses and other compensation of our executive officers, including stock option or restricted stock grants;
- establishing and reviewing policies regarding executive officer compensation and perquisites; and
- performing such other duties as shall from time to time be delegated by the board.

Nominating Committee

Our nominating committee consists of Alfred C. Liggins, III, Catherine L. Hughes, Terry L. Jones and Brian W. McNeill. The nominating committee is responsible for recommending the criteria for selection of board members and assisting the board in identifying candidates. The nominating committee held one meeting during 2007. The nominating committee does not have a charter.

The nominating committee reviews the qualifications of all persons recommended by stockholders as nominees to the board of directors to determine whether the recommended nominees will make good candidates for consideration for membership on the board. The nominating committee has not established specific minimum qualifications for recommended nominees. However, as a matter of practice, the nominating committee evaluates recommended nominees for directors based on their integrity, judgment, independence, financial and business acumen, relevant experience, and their ability to act on behalf of all stockholders, as well as meet the needs of the board. Following such evaluation, the nominating committee will make recommendations for director membership and review the recommendations with the board, which will decide whether to invite the candidate to be a nominee for election to the board. The nominating committee recommended to the board that the incumbent directors be nominated for re-election to the board at the annual meeting.

For a stockholder to submit a candidate for consideration to the nominating committee, a stockholder must notify Radio One's Assistant Secretary. To make a recommendation for director nomination in advance of an annual meeting of Radio One, a stockholder must notify Radio One's Assistant Secretary in writing no later than 120 days prior to the anniversary of the date of the prior year's annual meeting proxy statement. Notices should be sent to:

Assistant Secretary
Radio One, Inc.
5900 Princess Garden Parkway, 7th Floor
Lanham, MD 20706

All notices must include all information relating to the stockholder and the proposed nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for elections of directors under the proxy rules of the SEC.

Controlled Company Exemption

We are a "controlled company" under rules governing the listing of our securities on the NASDAQ Stock Market because more than 50% of our voting power is held by Catherine L. Hughes, our Chairperson of the Board and Secretary, and Alfred C. Liggins, III, our CEO and President. See "*Security Ownership of Beneficial Owners and Management*" above. Therefore, we are not subject to NASDAQ Stock Market listing rules that would otherwise require us to have (i) a majority of independent directors on the board; (ii) a compensation committee composed solely of independent directors; (iii) a nominating committee composed solely of independent directors; (iv) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; and (v) director nominees selected, or recommended for the board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our directors, officers and employees and meets the requirements of the rules of the SEC and the NASDAQ Stock Market. The Code of Ethics is available on our website, www.radio-one.com, or can be obtained without charge by written request to Assistant Secretary, Radio One, Inc., 5900 Princess Garden Parkway, 7th Floor, Lanham, MD 20706. We do not anticipate making material amendments to or waivers from the provisions of the Code of Ethics. If we make any material amendments to our Code of Ethics, or if our board of directors grants any waiver from a provision thereof to our executive officers or directors, we will disclose the nature of such amendment or waiver, the name of the person(s) to whom the waiver was granted and the date of the amendment or waiver in a current report on Form 8-K.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Policies and Philosophy

The overall objective of our compensation to our executives is to attract, motivate, retain and reward the top-quality management that we need in order to operate successfully and meet our strategic objectives. To achieve this, we aim to provide a compensation package that is competitive in the market, provides rewards for achieving financial, operational and strategic performance goals, and aligns executives' financial interests with those of our shareholders.

We operate in the intensely competitive media industry, which is characterized by rapidly changing technology, evolving industry standards, frequent introduction of new media services, price and cost competition, limited advertising dollars, and extensive regulation. We face many aggressive and well-financed competitors. In this environment, our success depends on attracting and maintaining a leadership team with the integrity, skills, and dedication needed to manage a dynamic organization and the vision to anticipate and respond to future market developments. We use our executive compensation program to help us achieve this objective. Part of the compensation package is designed to enable us to assemble and retain a group of executives who have the collective and individual abilities necessary to run our business to meet these challenges. Other parts are intended to focus these executives on achieving financial results that enhance the value of our stockholders' investment. At the same time, the compensation structure is flexible, so that we can meet the changing needs of our business over time and reward executive officers and managers based on the financial performance of operations under their control.

Process

Our compensation committee meets periodically during the year. In addition, members of the compensation committee discuss compensation matters with our CEO and CFO and among themselves informally outside of meetings. In establishing the compensation levels for Radio One's executive officers, the compensation committee considers a number of qualitative and quantitative factors, including the level and types of compensation paid to executive officers in similar positions by comparable companies, and an evaluation of Radio One's financial and operational performance.

Our CEO provides input into the compensation discussion and makes recommendations to the compensation committee for annual compensation changes and bonuses for the executive officers and the appropriateness of additional long-term incentive compensation. We review the compensation paid to executives at other comparable media companies as a reference point for determining the competitiveness of our executive compensation. Our peer group of radio broadcasting companies includes Clear Channel Communications, Inc., Cox Radio, Inc., Emmis Communications Corp., Entercom Communications Corp. and Saga Communications Inc. The compensation committee has retained a benefits consulting firm to assist with setting compensation for our executives.

Principal Components of Executive Compensation

- *Base salary.* Our objective is to pay our executives compensation that is competitive in the marketplace and reflects the level of responsibility and performance of the executive, the executive's experience and tenure, the scope and complexity of the position, the compensation of the executive compared to the compensation of our other key salaried employees and the compensation paid for comparable positions by other companies in the radio broadcast industry, and the performance of our Company. During 2007, we had multiple-year employment agreements with Scott R. Royster, our former CFO, Barry A. Mayo, and Linda J. Vilardo that established their base salaries and annual increases. In March 2008, in connection with his appointment to CFO, we entered into an employment agreement with Peter D. Thompson. In addition, in April 2008, the Company executed new employment agreements for the Chairperson, Catherine L. Hughes and the CEO, Alfred C. Liggins, III, both of whom had been employed without employment agreements for several years. The compensation committee believes that entering into these agreements assists us in retaining our key officers for a certain period of time and focuses the officers' energies on our business. The annual salaries of the Chairperson, and the CEO, were increased 9.8 %¹ and 4.4 %, respectively, in 2007. Under the terms of their new three year employment agreements, the base salaries of the Chairperson and the CEO were increased to reflect current market compensation for comparable positions paid by other companies in the radio broadcast industry. The CEO will also receive a one-time payment intended to act as retroactive compensation given that the compensation committee had determined his base salary was below market compensation for the last three years. The annual salaries of the former CFO and the CAO were increased 4.4% during 2007.
- *Bonus.* Our executives receive an annual bonus intended to provide financial incentives for performance and to align the goals and performance of the executive to our overall objectives. The compensation committee has significant flexibility in awarding cash bonuses. The compensation committee may consider information such as our year-to-year revenue growth compared to that of the radio industry, same station revenue, operating performance versus our business plan, acquisitions and divestitures, employee retention, sales and operating initiatives, and stock price performance compared to the industry peer group. Bonus recommendations for executive officers other than the CEO are proposed by the CEO, reviewed, revised when appropriate, and approved by the compensation committee. The compensation committee establishes the bonus level for the CEO. Under the terms of his new employment agreement, the CEO's bonus award has two components. The first component, equaling 50% of the award, is based on the achievement of pre-established individual and Company performance goals, as determined by the compensation committee in consultation with the CEO. The second component, equaling the balance of the award, is determined at the discretion of the compensation committee. The CEO's bonus award may not in the aggregate exceed his annual base salary. The bonus is typically paid in the first quarter of each year.
- *Long-term Incentives.* We believe that equity ownership by the executives provides incentive to build stockholder value, aligns the interests of the executives with the interests of stockholders and serves as motivation for long-term performance. Stock awards are made pursuant to the Radio One Amended and Restated 1999 Stock Option and Restricted Stock Grant Plan, which was approved by our stockholders (as amended, the "1999 Stock Plan"). We can grant options or restricted stock to employees, consultants and non-employee directors under the plan. We may not grant awards of more than 704,050 shares of our Class A common stock or more than 1,908,099 shares of our Class D common stock to any one participant in any calendar year. Options may be either non-qualified stock options or incentive stock options, as those terms are defined in the Internal Revenue Code. Each option will be exercisable in whole or in installments, as determined at the time of grant, and will expire not more than ten years from the date of grant. The 1999 Stock Plan enables us to provide and tailor incentive compensation for the retention of key personnel and to support long-term corporate and business objectives. In addition, the plan allows us to anticipate and respond to a changing business environment and competitive compensation practices. The compensation committee administers the plan and establishes the size of the initial and periodic grants to the CEO and the other executive officers.

The compensation committee may award stock options or grant restricted stock to any executive officer or other eligible participant under the Plan, on its own initiative or at the recommendation of management. In accordance with our Stock Plan Administration Procedures, as approved by the compensation committee, the grant date for grants approved by the compensation committee to executive officer (other than a company wide grants) is the next monthly grant date immediately following the meeting of the compensation committee. Monthly grant dates are generally the fifth day of each month, or the next NASDAQ trading day in the event the fifth day is not a business day. However, it is also our practice in granting grant options to executive officers to wait for the release of any material non-public information and settlement of that information in the marketplace.

Of our executive officers, only Mr. Mayo was granted stock options or restricted shares in 2007. Mr. Mayo was granted options to purchase 50,000 shares of Class D common stock as well as 50,000 restricted shares of Class D common stock upon his employment with the Company. Both grants vest in equal increments on August 5, 2008 and August 5, 2009, or alternatively, fully in the event of a Change of Control of the Company (as defined in the Company's Amended and Restated 1999 Stock Option and Restricted Stock Grant Plan). In 2008, in connection with his appointment to CFO, Peter D. Thompson will be granted options to purchase 75,000 shares of Class D common stock as well as 75,000 restricted shares of Class D common stock.

¹The Chairperson's salary was overstated in the 2006 proxy statement. The \$417,700 reported in the 2006 proxy statement double counted \$24,000 of deferred compensation and should have reflected a salary of \$389,700. Thus, the 9.8% increase is derived from the \$389,700 salary for 2006.

In conjunction with her new employment agreement, the Chairperson will be granted options to purchase 600,000 shares of Class D common stock as well as 150,000 restricted shares of Class D common stock. Both grants will vest ratably over the life of the three year employment agreement or alternatively, fully in the event of a Change of Control of the Company (as defined in the Company's Amended and Restated 1999 Stock Option and Restricted Stock Grant Plan). In conjunction with his new employment agreement, the CEO will be granted options to purchase 1,150,000 shares of Class D common stock as well as 300,000 restricted shares of Class D common stock. The grants also vest ratably over the life of the CEO's three year employment agreement or alternatively, fully in the event of a Change of Control of the Company (as defined in the Company's Amended and Restated 1999 Stock Option and Restricted Stock Grant Plan). Both the Chairperson's and the CEO's grants will occur on the next monthly grant date under the Company's Stock Plan Administration Procedures which is anticipated to be on June 5, 2008.

When authorized by the compensation committee to do so, the CEO or CFO may make stock option awards or restricted stock grants to new hires, contractors or consultants and to existing employees on promotion or other change in employee status, in accordance with the committee's delegation of authority. Historically, we have utilized stock options as our primary means of providing long-term incentive compensation. Statement of Financial Accounting Standards ("SFAS") No. 123(R) sets forth accounting requirements for share-based compensation to employees using a fair-value based method. We did not make a company-wide grant of stock options or other equity incentive awards in 2007.

Other Benefits and Perquisites

As part of our competitive compensation package to attract and retain talented employees, we offer retirement, health and other benefits to our employees. Our executive officers participate in the same benefit plans as our other salaried employees. The only benefit programs offered to our executive officers either exclusively or with terms different from those offered to other eligible employees are the following:

- *Deferred Compensation.* We have a deferred compensation plan that allows Catherine L. Hughes, our Chairperson, to defer compensation on a voluntary, non-tax qualified basis. Under the plan, she may defer up to a specified amount of her base salary and bonus until death, disability, retirement or termination. The amount owed to her as deferred compensation is an unfunded and unsecured general obligation of our Company. Deferred amounts accrue interest based upon the return earned on a phantom investment account with a designated brokerage firm established by Radio One.
- *Other Perquisites.* We provide few perquisites to our executive officers. Currently, we provide or reimburse executives for a company automobile, driver, and various administrative services including a financial manager and home-based administrative support for our CEO.

We have set forth the incremental cost of providing these benefits and perquisites to our named executives in the 2007 Summary Compensation Table in the "All Other Compensation" column.

Post-termination and Change of Control Benefits

Under the employment agreements that we have entered into with Catherine L. Hughes, Alfred C. Liggins, Peter D. Thompson, Barry A. Mayo and Linda J. Vilardo, each executive's unvested equity awards will become fully exercisable immediately upon a Change of Control (as defined in the Company's Amended and Restated 1999 Stock Option and Restricted Stock Grant Plan). Under the terms of her new employment agreement, upon termination without cause or for good reason within two years following a change of control Ms. Hughes will receive an amount equal to three times the sum of (1) her annual base salary and (2) the average of her last three annual incentive bonus payments, in a cash lump sum within five days of such termination, a pro-rated annual bonus for the year of termination, and continued welfare benefits for three years. Similarly, under the terms of his new employment agreement, upon termination without cause or for good reason within two years following a change of control Mr. Liggins will receive an amount equal to three times the sum of (1) his annual base salary and (2) the average of his last three annual incentive bonus payments, in a cash lump sum within five days of such termination, a pro-rated annual bonus for the year of termination, and continued welfare benefits for three years.

Under the terms of his employment agreement, in the event that Mr. Thompson is terminated other than for cause, provided Mr. Thompson executes a general liability release, the Company will pay Mr. Thompson severance in an amount equal to three month's base compensation, subject to all applicable federal, state and local deductions.

Under the terms of his employment agreement, in the event that Mr. Mayo is terminated other than for cause, provided Mr. Mayo executes a general liability release, the Company will pay Mr. Mayo severance in the amount of \$300,000, subject to all applicable federal, state and local deductions.

Under the terms of her employment agreement, upon termination or resignation for any reason with or without cause, Ms. Vilardo is entitled to certain severance benefits including payment of any bonus or other incentive pay relating to the year preceding the termination that is determined but not yet paid and a pro rata portion of the retention bonus provided for in her employment agreement. In addition, she is entitled to continued medical and dental benefits and payment of her base salary (i) for six months upon termination by us at the end of the employment agreement or at the executive's discretion following a change in control, or (ii) for twelve months upon termination by us without cause or following a change in control or by her for good reason.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes limitations upon the federal income tax deductibility of compensation paid to certain executive officers. On June 4, 2007, the Internal Revenue Service ("IRS") issued Notice 2007-4 (the "Notice"), which defines the group of executive officers who are considered covered employees for purposes of Section 162(m) of the Internal Revenue Code. The Notice specifically excludes the chief financial officer from coverage under Section 162(m) and provides that the only individuals who will be considered covered employees are the chief executive officer and the three highest compensated officers (other than the chief executive officer or chief financial officer). Previously, the chief executive officer and the four other highest compensated officers were subject to Section 162(m), and the chief financial officer was not automatically excluded. Under the 162(m) limitations, we may deduct up to \$1,000,000 of compensation for such executive officer in any one year or may deduct all compensation, even if over \$1,000,000, if we meet certain specified conditions (such as certain performance-based compensation that has been approved by stockholders). As the net cost of compensation, including its deductibility, is weighed by the compensation committee against many factors in determining executive compensation, the compensation committee may determine that it is appropriate and in Radio One's best interest to authorize compensation that is not deductible, whether by reason of Section 162(m) or otherwise.

Employment Agreements

Chairperson. Catherine L. Hughes, our founder, serves as our Chairperson of the board of directors and Secretary. Ms. Hughes' new employment agreement dated April 2008 provides for an annual base salary of \$750,000 that may be increased at the discretion of the Board. The employment agreement also provides for an annual cash bonus at the discretion of the Board up to a maximum of \$250,000. Ms. Hughes also receives standard retirement, welfare and fringe benefits, as well as vehicle, wireless communication allowances and financial manager services.

President and Chief Executive Officer. Alfred C. Liggins, III is employed as our President and CEO and is a member of the board of directors. His previous employment agreement expired on April 9, 2005. Under the terms of his new employment agreement dated April 2008, Mr. Liggins will receive a base salary of \$980,000 which is subject to an annual increase at the discretion of the board of directors. Mr. Liggins is also eligible for a bonus award equal up to his base salary comprised of two components. The first component, equaling 50% of the award, is based on the achievement of pre-established individual and Company performance goals, as determined by the compensation committee in consultation with Mr. Liggins. The second component, equaling the balance of the award, is determined at the discretion of the compensation committee. Mr. Liggins will receive a one-time payment of \$1,000,000 intended to act as retroactive compensation given that the compensation committee had determined his base salary was below market compensation for the last three years. Mr. Liggins will also receive a one-time payment of \$4,800,000 intended to compensate Mr. Liggins for losses associated with loans to fund stock purchases under the terms of his past employment contract.

In recognition of his contributions in founding TV One, LLC ("TV One") on behalf of the Company, Mr. Liggins is also eligible to receive an amount equal to 8% of any dividends paid in respect of the Company's investment in TV One and 8% of the proceeds of the Company's investment in TV One (the "TV One Award"). In both events, the Company's obligation to pay any portion of the TV One Award is only triggered after the Company's recovery of the full amount of its cumulative capital contributions in TV One. Mr. Liggins will only receive the TV One Award upon actual cash distributions or distributions of marketable securities. Mr. Liggins' rights to the TV One Award would cease if he was terminated for cause or resigned without good reason. Mr. Liggins also receives standard retirement, welfare and fringe benefits, as well as vehicle, wireless communication allowances and personal assistant and financial manager services.

President, Radio Division. Barry A. Mayo is employed as President, Radio Division pursuant to an employment agreement with the Company. The employment agreement provides for a base salary which is subject to an annual increase of not less than 3%. The employment agreement also provides for (i) a quarterly bonus not to exceed \$25,000 during each quarter Mr. Mayo remains employed with the Company and satisfies certain broadcast cash flow goals established by the Company and (ii) an annual cash bonus at the discretion of the board of directors. Mr. Mayo is also entitled to receive a pro rata portion of his bonus upon termination due to death or disability.

Chief Administrative Officer. Linda J. Vilardo is employed as CAO, Vice President and Assistant Secretary pursuant to an employment agreement with us. The employment agreement provides for a base salary which is subject to an annual increase of not less than 5% and an annual cash bonus at the discretion of the board of directors. Chief Financial Officer. Peter D. Thompson is employed as Executive Vice President and CFO pursuant to an employment agreement with us. The employment agreement provides for a base salary which is subject to an annual increase of not less than 3%. The agreement also provides for an annual discretionary cash bonus in an amount not to exceed \$75,000 in 2008 and, thereafter, in an amount to be determined by the CEO. Mr. Thompson is also entitled to receive a pro rata portion of his bonus upon termination due to death or disability.

Former Chief Financial Officer. Scott R. Royster was employed as Executive Vice President and CFO under an amended and restated employment agreement with a term extending through October 18, 2010. Effective December 31, 2007, Mr. Royster's employment with the Company ceased. Under the terms of his agreement, Mr. Royster will receive salary and medical benefits through December 31, 2008. In addition, if Mr. Royster had remained employed by Radio One through October 18, 2010, he would have received a retention bonus in the amount of \$7.0 million. However, as his employment terminated before that date, he is due to receive \$3.1 million as a pro rata portion of the retention bonus based on the number of days he was employed by Radio One between October 18, 2005 and October 18, 2010. Currently, the Company anticipates that this amount will be paid in July 2008.

All of the directors serving on Radio One's compensation committee are non-employee directors of Radio One. The compensation committee currently consists of three directors, Terry L. Jones, Brian W. McNeill and D. Geoffrey Armstrong. No member of our compensation committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity. AUDIT COMMITTEE REPORT

This report is not soliciting material, is not deemed filed with the SEC and is not incorporated by reference in any of Radio One's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date of this proxy statement and irrespective of any general incorporation language in any such filing.

The audit committee's responsibilities are described in its written charter adopted by the board. The audit committee charter is posted on Radio One's website located at www.radio-one.com/about/audit_committee.asp. The audit committee fulfills its responsibilities through periodic meetings with our independent auditors and management. The audit committee reviews the financial information that will be provided to stockholders and others, the systems of internal controls that management and the board have established, and the audit process. In fulfilling these responsibilities, the committee, among other things, oversees the independent auditors and confirms their independence, oversees internal accounting and financial staffing, reviews financial statements, earnings releases and accounting matters, and reviews related party transactions. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The committee meetings regularly included separate sessions with the independent auditors, in each case without the presence of Radio One's management. As part of its oversight of Radio One's financial statements, the committee reviewed and discussed with both management and the independent auditors the audited financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2007 and quarterly operating results prior to their issuance. During 2007, management advised the committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles and reviewed significant accounting and disclosure issues with the committee. The committee also held discussions with management and the independent auditors regarding the effectiveness of Radio One's internal control over financial reporting in accordance with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees," as amended, which includes, among other items, matters related to the conduct of the annual audit of Radio One's financial statements. In addition, the committee discussed with the independent auditors the auditors' independence from Radio One and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the committee satisfied itself as to the independent auditors' independence.

In reliance on the reviews and discussions referred to above, the committee recommended to the board, and the board approved, the inclusion of the audited financial statements in Radio One's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the SEC.

Respectfully submitted,

Audit Committee:

D. Geoffrey Armstrong
Brian W. McNeill
Ronald E. Blaylock

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We review all transactions and relationships in which Radio One and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. In addition, our Code of Ethics requires our directors, executive officers and principal financial officers to report to the board or the audit committee any situation that could be perceived as a conflict of interest. Once a related person transaction has been identified, the board of directors may appoint a special committee of the board of directors to review and, if appropriate, approve such transaction. The special committee will consider the material facts, such as the nature of the related person's interest in the transaction, the terms of the transaction, the importance of the transaction to the related person and to us, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, and other matters it deems appropriate. As required under the SEC rules, we disclose in the proxy statement related party transactions that are directly or indirectly material to us or a related person.

WDBZ-AM Cincinnati Purchase from Blue Chip Communications, Inc.

In July 2007, the Company closed on an agreement to acquire the assets of WDBZ-AM, a radio station located in the Cincinnati metropolitan area from Blue Chip Communications, Inc. ("Blue Chip") for approximately \$2.6 million in seller financing. The financing is a 5.1% interest bearing loan payable monthly through July 2008. Blue Chip is owned by L. Ross Love, a former member of the Company's board of directors. The transaction was approved by a special committee of independent directors appointed by the board of directors. Additionally, the Company retained an independent valuation firm to provide a fair value appraisal of the station. Prior to the closing, and since August of 2001, the Company consolidated WDBZ-AM within its existing Cincinnati operations, and operated WDBZ-AM under a LMA for no annual fee, the results of which were incorporated in the Company's financial statements.

Music One, Inc.

Ms. Hughes and Mr. Liggins own a music company called Music One, Inc. ("Music One"). The Company sometimes engages in promoting the recorded music product of Music One. Based on the cross-promotional value received by Radio One, we believe that the provision of such promotion is fair to Radio One. There were no cash, trade or no-charge orders placed by Music One in 2007. As of December 31, 2007, Music One owed Radio One \$30,000 for office space and administrative services provided. In 2006, Music One paid to Radio One a total of \$169,000 for similar services provided during 2006 and 2005. During the years ended December 31, 2007 and 2006, Radio One paid \$69,000 and \$6,000, respectively, to or on behalf of Music One, primarily for market talent event appearances and travel reimbursement.

Executive Officers' Loans

In 2000, two officers of the Company, the former CFO and the CAO purchased shares of the Company's common stock. The former CFO purchased 333,334 shares of the Company's Class A common stock and 666,666 shares of the Company's Class D common stock and the CAO purchased 250,000 shares of the Company's Class D common stock. In 2001, the CEO purchased 1,500,000 shares of the Company's Class D common stock. The stock was purchased with the proceeds of full recourse loans from the Company in the amounts of approximately \$21.1 million for the CEO, \$7.0 million for the former CFO and \$2.0 million for the CAO.

The CEO made an interest payment on his loan in the amount of \$2.0 million in December 2004. The CEO made a further repayment of approximately \$17.8 million on his loan in February 2005 and repaid the remaining balance of the loan in an amount of approximately \$6.0 million in March 2005. The repayment of approximately \$17.8 million was effected using 1,125,000 shares of the Company's Class D common stock owned by the CEO. All shares transferred to the Company in satisfaction of this loan have been retired.

In September 2005, the CAO repaid her loan in full. The repayment of approximately \$2.5 million was effected using 174,754 shares of the Company's Class D common stock owned by the CAO. All shares transferred to the Company in satisfaction of this loan have been retired.

Also in September 2005, the former CFO repaid a portion of his loan. The partial repayment of approximately \$7.5 million was effected using 300,000 shares of the Company's Class A common stock and 230,000 shares of the Company's Class D common stock owned by the former CFO. All shares transferred to the Company in satisfaction of this loan have been retired. As of December 31, 2007, the remaining principal and interest balance on the former CFO's loan was approximately \$1.7 million, which included accrued interest in the amount of \$175,000. The former CFO was employed with the Company through December 31, 2007, and pursuant to an agreement with the Company, the loan becomes due in full in July 2008. Pursuant to his employment agreement, the former CFO will receive a retention bonus, in the amount of approximately \$3.1 million in cash, anticipated to be paid in July 2008 for having remained employed with the Company through December 31, 2007. The retention bonus is a pro rata portion of a \$7.0 million retention bonus called for in his employment agreement, had he remained employed with the Company for ten years, and is based on the number of days of employment between October 18, 2005 and October 18, 2010.

As of December 31, 2007, the Company had an additional loan outstanding to the former CFO in the amount of \$88,000. The loan was due on demand and accrued interest at 5.6%, totaling an amount of \$53,000 as of December 31, 2007. In January 2008, the former CFO repaid the full remaining balance of the loan in cash in the amount of \$140,000.
