For more information about the foregoing proposals, see our proxy statement dated April 22, 2016, the relevant portions of which are incorporated herein by reference. To be elected, each Class A director nominee must receive the affirmative vote of a plurality of the votes cast by the holders of the Class A common stock. Each Class B director nominees are elected by the holders of Class A common stock and Class B common stock voting together as a single class but each share of Class A common stock is entitled to one vote and each share of Class B common stock is entitled to ten votes. Members of our board of directors are elected by a plurality of votes cast. This means that the nominees that received the most votes cast were elected to the board, even if they did not receive a majority of votes cast. At the close of business on April 14, 2016, there were 1,916,701 shares outstanding shares of our Class A common stock and 2,861,843 outstanding shares of our Class B common stock. Accordingly, a total of 30,535,131 votes could be cast at the meeting. Class C and Class D common stock were not entitled to vote on any proposal presented at the meeting.

The number of votes cast for and against and the number of abstentions and non-votes with respect to each matter voted upon are set forth below:
