THE COMPANY

Mercantile Bank Corporation is a diversified bank holding company. Mercantile Bank of West Michigan, its subsidiary, is a full service commercial bank that services primarily to businesses, individuals and governmental units.

INFORMATION ABOUT THE PLAN

The following questions and answers explain and constitute the Dividend Reinvestment Plan.

1. What is the Plan?

The Plan is a convenient and low cost purchase plan available for existing shareholders to increase their holdings of Mercantile common stock. Participants in the Plan may elect to have dividends automatically reinvested in Mercantile common stock and to make optional cash investments through the Plan Administrator, EquiServe Trust Company, N.A. ("EquiServe"). Participation in the Plan is entirely voluntary and we give no advice regarding your decision to join the Plan. As a current shareholder, you can enroll in the Plan through the Internet at www.equiserve.com and follow the instructions provided. A Plan Enrollment Form and reply envelope are also enclosed for your convenience. Enrollment forms may also be obtained from EquiServe by calling 1-800-733-5001.

2. What options are available under the Plan?

As a participant, the Plan allows you to:

- Have your common stock dividends automatically reinvested in additional shares of Mercantile common stock; and
- Increase your holdings of Mercantile common stock by making additional cash investments of as little as \$50.00, including the option to make automatic monthly purchases by authorizing deductions from your U.S. bank account.
- Purchase Mercantile common stock certificates in whole shares rather than a specific quantity of shares, with the appropriate number of full and fractional shares credited to your account.
- Make gifts of stock to family members and others at no charge by transferring Mercantile common stock to another account, new or old.
- Deposit Mercantile common stock certificates in the Plan's share safekeeping feature and have your ownership of common stock maintained on EquiServe's records in book-entry form.
- Manage your account through the Internet at www.equiserve.com.

- Receive regular statements indicating activity in your account.

3. Who is the Plan Administrator? How do I contact the Plan Administrator?

EquiServe will be the Plan Administrator for the Plan. EquiServe, Inc., an affiliate of EquiServe and a transfer agent registered with the Securities and Exchange Commission, acts as Service agent for EquiServe. EquiServe will direct the purchase of Mercantile common stock acquired under the Plan, hold such shares of common stock, keep records, send quarterly statements of account to you and perform other functions related to the Plan.

You may contact EquiServe by:

- Internet: www.equiserve.com
- Telephone: 1-800-733-5001. Customer Service Associates are available between the hours of 9:00 A.M. and 5:00 P.M. Eastern Time, Monday through Friday.
- Writing: Mercantile Dividend Reinvestment Plan

P.O. Box 43010
Providence, RI 02940-3010

4. Who is eligible to participate in the Plan?

All U.S. citizens who are currently shareholders of Mercantile are eligible to participate in the Plan.

5. Can non-U.S. citizens participate in the Plan?

Yes. If you are not a U.S. citizen, you can participate in the Plan, provided there are not any laws or governmental regulations that would prohibit you from participating or laws or governmental regulations that would affect the terms of the Plan. We reserve the right to deny or terminate participation of any shareholder if we deem it advisable under any foreign laws or regulations. All Plan funds must be in U.S. funds and drawn on a U.S. bank. If you are not in the United States, contact your bank to verify that they can provide you with a check that clears through a U.S. bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks clearing through non-U.S. banks. In such instances, the amount that is invested will be the check amount less any clearing fees and EquiServe fees. Please contact your local bank for details on how to properly execute the transaction.

6. I am a Mercantile shareholder of record. How do I enroll in the Plan?

If you are already a Mercantile shareholder of record (that is, if you own shares that are registered in your name, not your broker's) but are not enrolled in the Plan, you may enroll in the Plan through the Internet by going to www.equiserve.com, authenticating your online account and

completing an online Plan Enrollment Form. You may also enroll in the Plan simply by completing and returning the enclosed Plan Enrollment Form.

7. I hold my Mercantile shares in street name. How do I enroll in the Plan?

If your shares of Mercantile common stock are held for your account by a bank, broker or other nominee (“street name”), you must become a shareholder of record to participate in the Plan. In order to participate in the Plan, you will need to arrange with your broker for the stock to be issued in your own name. This can be done by directing your broker to transfer your shares to your book entry account at EquiServe.

Once at least one share of Mercantile common stock is registered in your name, you can enroll in the Plan as described in Question 6.

8. Are there fees associated with participation?

Mercantile will pay the service and processing fees (which include any applicable brokerage commissions EquiServe is required to pay) and expenses incurred in operating the Plan and purchasing shares under the Plan, except as provided in this prospectus. The current service and processing fees charged to participants associated with participation in the Plan are summarized in the chart below:

Costs to the Participant

	Service and Processing Fees
All Purchases and Dividend Reinvestments	No charge
Sale of Shares	\$15.00 plus \$0.12/share
Sale of a Fractional Share at Termination or Withdrawal	Up to \$15.00 plus \$0.12/share
Insufficient Funds	\$25.00, see Question 20 for more information

Mercantile may change these fees at any time upon 30 days’ advance written notice, which may be set forth in the quarterly statements.

9. What are my dividend reinvestment options?

As a participant in the Plan, you may elect to reinvest all, part or none of your dividends on your shares of Mercantile common stock in additional shares. The options available to you are as follows:

- *Full Dividend Reinvestment.* If you select this option, EquiServe will apply all of your dividends on Mercantile common stock registered in your name toward the purchase of more shares of Mercantile common stock.

- *Partial Dividend Reinvestment.* If you select this option, EquiServe will pay your dividends in cash on the number of shares of Mercantile common stock that you specify in your Plan Enrollment Form and apply the balance of your dividends toward the purchase of more shares of Mercantile common stock.
- *Cash Payments Only (No Dividend Reinvestment).* If you select this option, dividends will not be reinvested. Instead, you will receive payment by check or automatic deposit (at your option) for all of your cash dividends.

No matter which reinvestment option you select you may make optional cash investments as described in Question 11.

EquiServe will continue to reinvest your dividends as you have indicated on your Plan Enrollment Form until you specify otherwise. You may change your dividend option at any time by going to www.equiserve.com, by calling EquiServe directly at 1-800-733-5001 or by requesting a Plan Enrollment Form and returning it to EquiServe at the address provided in Question 3.

EquiServe needs to receive notice of your request on or before the record date for any given dividend payment date in order for the requested changes to be effective for that dividend. If your request is received after the record date, then the requested changes may not be effective until the next dividend record date.

10. When will my dividend reinvestment begin?

Record dates for determining the record holders of common stock entitled to receive cash dividends declared on the common stock will be chosen by our board of directors, and are expected to be in the months of February, May, August and November of each year. If your Plan Enrollment Form is received and processed by EquiServe on or before a dividend record date, the reinvestment of your dividends will begin with the payment of that dividend. If the Plan Enrollment Form is received and processed by EquiServe on or after the dividend record date, the reinvestment of dividends will not start until payment of the next dividend. Dividend record dates will vary from time to time, and may be chosen in months other than those listed above. You can minimize the possibility of missing a desired entry date by delivering a Plan Enrollment Form to EquiServe before the first day of a dividend record date month in which you desire to begin participation in the Plan.

11. How do I make an optional cash investment?

In addition to increasing your holdings of Mercantile common stock through the reinvestment of dividends, you may make optional cash investments in Mercantile common stock. You may make optional cash investments by choosing between the following three options:

- *Check Investment.* You may make optional cash investments in Mercantile common stock by sending to EquiServe a check (not less than \$50.00) for the purchase of additional

shares. The check must be made payable to “EquiServe-Mercantile Bank Corporation” in U.S. dollars and drawn on a U.S. bank. If you are not in the United States, contact your bank to verify that they can provide you with a check that clears through a U.S. bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks clearing through non-U.S. banks. In such instances, the amount that is invested will be the check amount less any clearing fees and EquiServe fees. EquiServe will not accept cash, traveler’s checks, money orders or third party checks. All checks should be sent to EquiServe at the address listed on the Optional Cash Investment tear-off form attached to each statement you receive, together with that form, or if making an investment when enrolling, with the Plan Enrollment Form.

- *One-Time Online Bank Account Debit.* At any time you can invest through the Internet at www.equiserve.com, by authorizing EquiServe to debit your U.S. bank account (not less than \$50.00). Please refer to the online confirmation for your account date and debit date.
- *Automatic Investment from a Bank Account.* You can automatically invest a specified monthly amount (not less than \$50.00) to be deducted directly from your U.S. bank account. Automatic monthly investments may be authorized through the Internet at www.equiserve.com or by completing and submitting to EquiServe an Automatic Monthly Investment Form along with a voided blank check or checking account deposit slip. Please allow 4 to 6 weeks for the first investment to be initiated. Automatic Monthly Investment Forms are available from EquiServe.

Automatic monthly deductions will continue at the level you set until you change your instruction by notifying EquiServe. You may change the amount of money or stop automatic monthly deductions by going to www.equiserve.com, calling EquiServe directly at 1-800-733-5001 or completing and submitting to EquiServe a new Automatic Monthly Investment Form. To be effective for a particular month, EquiServe must receive your request at least 7 business days prior to the debit date.

12. What are the minimum and maximum amounts for additional investments?

Each optional cash investment must be for a minimum of \$50.00, subject to a maximum of \$200,000 per year. Whether participating through the use of a personal check, through the online investment feature or through automatic monthly investments, the \$50.00 minimum and \$200,000 annual maximum applies. All amounts must be in U.S. dollars and drawn on a U.S. bank. If you are not in the United States, contact your bank to verify that they can provide you with a check that clears through a U.S. bank and can print the dollar amount in U.S. funds. Due to the longer clearance period, we are unable to accept checks clearing through non-U.S. banks. In such instances, the amount that is invested will be the check amount less any clearing fees and EquiServe fees.

Optional cash investments will be returned to you upon your request provided that EquiServe receives your request at least two business days prior to the investment date.

13. What is the source of Mercantile common stock purchased through the Plan?

At Mercantile's option, shares of common stock to be purchased under the Plan will be purchased directly from Mercantile as newly issued shares, purchased on the open market, or a combination of the foregoing. You cannot choose the source of your shares; this is entirely at our discretion.

Share purchases in the open market may be made in The NASDAQ Stock Market or by negotiated transactions on terms that EquiServe may reasonably determine. Neither Mercantile nor any participant will have any authority or power to direct the date, time, or price at which shares of Mercantile common stock may be purchased or the selection of a broker or dealer through or from whom purchases are to be made.

Mercantile will not change our determination of whether shares purchased for the Plan will be purchased from authorized but unissued shares or in the open market more than once every three months and without a determination by its board of directors or Chief Financial Officer that our need to raise additional capital has changed or there is another valid reason for the change.

14. Will interest be paid on the accounts?

No. Interest will not be paid on funds held pending investment.

15. When will shares be purchased under the Plan?

Purchases from Mercantile of authorized but unissued common shares will be made on the relevant investment date.

The investment date for dividend reinvestment is the dividend payment date. If the dividend payment date does not fall on a trading day on The NASDAQ Stock Market, then the investment date will be the next trading day. The payment of dividends for Mercantile common stock is expected to be on or about the 10th day of March, June, September, and December.

The investment date for optional cash payments will be the 10th of each month. If the investment date is not a trading day on The NASDAQ Stock Market, then the investment date will be the next trading day.

Purchases on the open market will begin on the investment date and will be completed no later than 30 days from such date with respect to dividend reinvestment and 35 days with respect to optional cash payments except where completion at a later date is necessary or advisable under federal securities laws.

Neither Mercantile nor EquiServe will pay any interest on any funds held between investment dates. Therefore, we suggest that any optional cash payments be received by EquiServe at least 5 business days prior to an investment date.

16. At what price will shares be purchased?

The price of all shares of common stock purchased with reinvested dividends or optional cash investments purchased in the open market will be the weighted average price of all shares purchased for the Plan for that investment. The price of shares of common stock purchased from Mercantile will be the average of the high and low prices of Mercantile common stock in transactions reported on The NASDAQ Stock Market on the trading day preceding the investment date.

EquiServe may combine your funds with those of other participants for the purpose of making purchases.

17. How are shares allocated under the Plan?

Shares of common stock purchased with reinvested dividends or optional cash investments will be credited to your account in book-entry form. If you participate, the number of shares that will be credited to your account following any investment date will depend on the amount of your dividends and optional cash investments (if any) available for investment on that date and the purchase price of the shares. Your account will be credited with a number of shares (including fractions computed to three decimal places) equal to the total funds to be invested for you, divided by the applicable purchase price (also computed to three decimal places).

18. Will fractional shares be purchased?

Yes. If any dividend or optional cash payment is not sufficient to purchase a whole share of Mercantile common stock, a fractional share will be credited to your account in book entry form. All fractional shares are computed to three decimal places.

19. How are payments with “insufficient funds” handled?

In the event that any check or other deposit is returned unpaid for any reason or your predesignated U.S. bank account does not have sufficient funds for an automatic debit, EquiServe will consider the request for investment of that purchase null and void and will immediately remove from your account any shares already purchased in anticipation of receiving those funds. If the net proceeds from the sale of those shares are insufficient to satisfy the balance of the uncollected amounts, EquiServe may sell additional shares from your account as necessary to satisfy the uncollected balance. There is a \$25.00 insufficient funds fee for any check or other deposit that is returned unpaid by your bank. This fee will be collected by EquiServe through the sale of the number of shares from your account necessary to satisfy the fee.

20. Who will hold the additional shares purchased through the Plan?

Shares purchased through the Plan are credited to your account in book-entry form on EquiServe's records. The number of shares (including fractional interests) credited to your account will be shown on each account statement.

21. How may I receive a stock certificate?

You may obtain a certificate (at no cost) for some or all of your whole shares held in your account at any time by requesting EquiServe to withdraw shares from your account. You may make such a request by:

- accessing your account at www.equiserve.com; or
- using the tear-off form attached to the account statement; or
- calling EquiServe at 1-800-733-5001; or
- sending written notice specifying the number of whole shares to be withdrawn.

Certificates are normally issued to participants within five business days after receipt of the request. Withdrawing shares from your account does not affect your dividend option (for example, dividends will continue to be reinvested on the shares withdrawn and the shares remaining in your account, if previously elected on the Plan Enrollment Form). No certificates will be issued for fractional shares of common stock; instead, any fractional share will be sold at the then-current market value less any service and processing fees (which include any applicable brokerage commissions EquiServe is required to pay) and you will receive a check for the sales proceeds of that fractional share.

22. May I add my certificate shares of Mercantile common stock to my account for safekeeping?

Yes. At any time, you may use the Plan's share certificate safekeeping service to deposit with EquiServe any Mercantile common stock certificates in your possession and registered in your name. There is no charge for this service. To do so, we recommend that you send your Mercantile common stock certificates to EquiServe by registered mail, return receipt requested and insured for 2% of the current market value. When submitting your certificate(s) for deposit into your account be sure to include the tear-off portion of your account statement or a written request to have the certificate(s) deposited. The certificates **SHOULD NOT BE ENDORSED**. Upon receipt, EquiServe will credit the shares in book-entry form to your account. The advantages of holding shares in book-entry form in the Plan are protection against certificate loss, theft and damage.

23. How may I sell shares I hold through the Plan?

You can sell all or some of your shares held in your account by contacting EquiServe. If the dollar value of the sale is expected to be equal to or less than \$100,000, you may contact EquiServe through the Internet at www.equiserve.com or you may call EquiServe directly at 1-800-733-5001. If the dollar value of the sale is expected to exceed \$100,000, you must submit your request in writing. You can do this by completing and submitting the tear-off portion of the account statement. In addition, you must submit a written request to sell shares if you have changed your address within 30 days of the sale request. EquiServe will cause your shares to be sold on the open market within five business days of receipt of your request. EquiServe may combine your shares to be sold with those of other Plan participants selling shares at the same time. The sales price per share will be the weighted average price per share received by EquiServe for all sales made that day (any succeeding days necessary to complete the sale order). Once sold EquiServe will send you the proceeds less a service fee of \$15.00 and applicable processing fees (which include any brokerage commission EquiServe is required to pay) of \$0.12 a share. Proceeds are normally paid by check and are generally sent to you within 24 hours after your sales transaction has settled.

EquiServe reserves the right to decline to process a sale if it determines, in its sole discretion, that supporting legal documentation is required. In addition, neither Mercantile nor any participant will have the authority or power to direct the time or price at which shares for the Plan are sold or the selection of the broker or dealer through or from whom sales are to be made.

You should be aware that the price of Mercantile common stock may rise or fall during the period between a request for sale, its receipt by EquiServe and the ultimate sale on the open market. Instructions sent to EquiServe to sell shares are binding and may not be rescinded.

24. Can I transfer shares that I hold in the Plan to someone else?

Yes. You may transfer ownership of some or all of your shares held through the Plan. You may call EquiServe at 1-800-733-5001 for complete transfer instructions or go to www.equiserve.com to download the appropriate materials. You will be asked to send to EquiServe written transfer instructions and your signature must be “Medallion Guaranteed” by a financial institution. Most banks and brokers participate in the Medallion Guarantee Program. The Medallion Guarantee Program is intended to ensure that the individual signing is in fact the owner of shares to be transferred. A notary public is not acceptable.

You may transfer shares to new or existing Mercantile shareholders. However, a new account will not be opened for a transferee as a result of a transfer of less than one full share.

25. I’ve just moved. How can I request a change of address or update other personal data?

It is important that our records contain your most up-to-date personal data. If you need to request a change of address or update other personal data, please call EquiServe at 1-800-733-5001 or

write to them at the address listed in Question 3. You can also update your personal data through EquiServe's online services at www.equiserve.com.

26. How may I stop reinvesting dividends?

You can stop reinvesting dividends at any time by going to www.equiserve.com, calling EquiServe at 1-800-733-5001, providing EquiServe with written instructions at its address in Question 3 or by submitting to EquiServe a new Plan Enrollment Form, provided your request is received by EquiServe at least 5 business days prior to the related dividend payment date. If your request to stop dividend reinvestment is received by EquiServe less than 5 business days prior to the related dividend payment date, then the dividends will be reinvested and the shares will be added to your account.

27. What reports will I receive?

Easy to read statements of your calendar year-to-date account activity will be sent to you promptly after each transaction, which will simplify your record keeping. Each statement will show the amount invested, the purchase or sale price of Plan transactions, the number of shares purchased or sold and the applicable service fees, as well as any activity associated with share deposits, transfers or withdrawals. These statements are a record of your account activity and identify your cumulative share position. Please notify EquiServe promptly through the Internet, in writing or by telephone if your address changes.

In addition, you will be sent copies of the same communications sent to all other holders of Mercantile common stock, such as annual reports and proxy statements. You will also be sent any required Internal Revenue Service information statements. You can also review your current account status, plan options and transaction history online at anytime at www.equiserve.com.

Please retain all transaction statements for your records. The statements contain important tax and other information.

28. What if Mercantile issues a stock dividend or declares a stock split?

Any stock dividend or split shares distributed by Mercantile to you will be based on both the shares of common stock registered in your name in certificate form and the shares (whole and fractional) credited to your account. Such stock dividend or split shares will be added to your account in book-entry form. You will receive a statement indicating the number of shares added as a result of the transaction. In the event of a rights offering, you will receive rights based upon the total number of whole shares you own, whether the shares are held in the form of a physical certificate or credited to your account.

29. How do I vote my Plan shares at shareholders' meetings?

In connection with any meeting of Mercantile shareholders, you will be sent a proxy card or request for voting instructions representing both the shares for which you hold physical

certificates and the shares credited to your account. Those shares will be voted as you indicate on the returned proxy card or request form. Fractional shares will be voted. If you sign and return the proxy card or request form and no voting instructions are given with respect to any item on the proxy card or request form, all of your shares will be voted in accordance with the recommendations of Mercantile's management.

As an alternative to returning your proxy card or request form, you may also be able to vote by telephone or online by following the instructions in the proxy materials if that method is available. You may also vote all of your shares in person at the shareholders' meeting.

30. Can the Plan be changed?

Yes. Mercantile and EquiServe may suspend, modify or terminate the Plan at any time. All participants will be sent notice of any suspension, modification or termination. Changes or termination to the Plan will not affect your rights as a shareholder in any way and any book-entry shares you own will continue to be credited to your account unless you specifically request otherwise. Mercantile also reserves the right to deny, suspend or terminate participation by a participant who is using the Plan for purposes inconsistent with the intended purpose of the Plan. EquiServe also may terminate your account if you do not own at least one whole share. In the event your account is terminated for this reason, a check for the cash value of the fractional share will be sent to you and your account will be closed.

31. What are the responsibilities of Mercantile and EquiServe under the Plan?

Neither Mercantile nor EquiServe will be liable for any act or omission to act, which was done in good faith, including any claim of liability (1) arising out of the failure to cease reinvestment of dividends for a participant's account upon the participant's death prior to receipt of notice in writing of the death along with a request to cease dividend reinvestment participation from a qualified representative of the deceased, and (2) with respect to the prices or times at which shares are purchased or sold for you. EquiServe will have no liability for failed executions due to reasons beyond EquiServe's control.

You should recognize that neither Mercantile nor EquiServe can assure you of a profit or protect you against a loss on shares purchased through the Plan. You must make independent investment and participation decisions based on your own judgment and research as you alone bear the risk of fluctuations in the market value of Mercantile common stock. You bear the risk of loss in value and you enjoy the benefits of gains from market price changes with respect to all of your shares.

Although Mercantile currently contemplates the continuation of quarterly dividends, the payment of dividends is subject to the discretion of Mercantile's Board of Directors and will depend upon future earnings, the financial condition of Mercantile and other factors. Dividends may increase or decrease.

32. What are the federal income tax consequences of participating in the Plan?

Participants in the Plan are advised to consult their own tax advisors with respect to the tax consequences of participation in the Plan (including federal, state, local and other tax laws and U.S. tax withholding laws) applicable to their particular situations.

Cash dividends reinvested under the Plan will be taxable for U.S. federal income tax purposes as having been received by you even though you have not actually received them in cash. The total amount of dividends paid to you during the year, whether or not they are reinvested, will be reported to you and the U.S. Internal Revenue Service shortly after the close of each year.

Alternatively, when EquiServe purchases shares with reinvested dividends in the open market rather than directly from Mercantile, you must include in your gross income, as an additional dividend, your allocable share of processing fees (which include any applicable brokerage commissions EquiServe is required to pay) paid by Mercantile. This amount will be reported to you and the U.S. Internal Revenue Service on IRS Form 1099-DIV shortly after the end of each year. Your tax basis in these shares will be the cost of the shares plus your allocable shares of processing fees paid by Mercantile.

You will not realize gain or loss for U.S. federal income tax purposes upon a transfer of shares to your account or the withdrawal of whole shares from your account. You will, however, generally realize gain or loss upon the receipt of cash for a fractional share credited to your account. You will also realize gain or loss when shares are sold. The amount of gain or loss will be the difference between the amount that you receive for the shares sold and your tax basis in the shares (generally, the amount you paid for the shares plus allocable processing fees paid by Mercantile). In order to determine the tax basis for shares in your account, you should retain all account statements.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. Where applicable, this withholding tax generally is imposed at the rate of 30%, but this rate may be different under any treaty between the U.S. and the country in which the participant resides.

Dividends paid on shares in accounts, and the proceeds of any sale of shares, may be subject to “the backup withholding” provisions of the Internal Revenue Code. If you fail to furnish a properly completed Form W-9 or its equivalent, or unless you are exempt from the withholding requirements described in Section 3406 of the Internal Revenue Code, then EquiServe must withhold 30% from the amount of dividends, the proceeds of the sale of a fractional share and the proceeds of any sale of whole shares.

INDEMNIFICATION

Mercantile's Articles of Incorporation and Bylaws provide for indemnification of present and past directors, officers, and such other persons as the Board of Directors may authorize. Mercantile has purchased directors' and officer's liability insurance for directors and officers of Mercantile. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Item 15. Indemnification of Directors and Officers

Mercantile’s Articles of Incorporation provide that Mercantile shall indemnify its present and past directors, officers, and such other persons as the Board of Directors may authorize to the full extent permitted by law. Mercantile’s Bylaws contain indemnification provisions concerning third party actions as well as actions in the right of Mercantile. The Bylaws provide that Mercantile shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of Mercantile) by reason of the fact that he or she is or was a director or officer of Mercantile or while serving as such a director or officer, is or was serving at the request of Mercantile or a subsidiary as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses (including attorney's fees), judgments, penalties, fees and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of Mercantile or its shareholders and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Federal Deposit Insurance Corporation regulations impose limitations on indemnification payments which could restrict, in certain circumstances, payments by Mercantile or Mercantile Bank of West Michigan to their respective directors or officers otherwise permitted under the Michigan Business Corporation Act (“MBCA”) or the Michigan Banking Code, respectively.

With respect to derivative actions, the Bylaws provide that Mercantile shall indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of Mercantile to procure a judgment in its favor by reason of the fact that he or she is or was a director or officer of Mercantile, or while serving as such a director or officer, is or was serving at the request of Mercantile as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses (including attorney's fees) and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of Mercantile or its shareholders. No indemnification is provided in the Bylaws in respect of any claim, issue or matter in which such person has been found liable to Mercantile except to the extent that a court of competent jurisdiction determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Mercantile has purchased directors' and officers' liability insurance for directors and officers of Mercantile.
