#### **Real Estate Developments**

#### 1) Plaza Allegre (Coral Way S.E.)

Miami, Florida

We began construction in March 2002 of an 84,000 square foot shopping center on an 8.5 acre site located on the southeast corner of S.W. 147th Avenue and Coral Way in southwest Miami-Dade County. Plaza Allegre will feature a 44,000 square foot Publix supermarket, a 14,000 square foot Goodwill Superstore, 26,000 square feet of local retail space and two out parcels. The development is expected to cost a total of \$10,000, open in February 2003 and yield approximately 11.5% upon stabilization in the fourth quarter of 2003. This development is not reflected on the September 30, 2002 Property Status Report, although the land parcel is listed as a property.

#### 2) Coral Way, N.E.

Miami, Florida

We own a 4.0 acre parcel at the northeast corner of S.W. 147th Avenue and Coral Way across the street from Plaza Allegre, upon which we expect to commence construction of a 25,000 square foot drug-store anchored shopping center in the first quarter of 2003 with a target completion in the fourth quarter of 2003. This development is not reflected on the September 30, 2002 Property Status Report, although the land parcel is listed as a property.

#### 3) University Mall

Pembroke Pines, Florida

We have executed a ground lease with Lowe's to accommodate their construction of a 177,000 square foot home improvement store on this mostly vacant property. Lowe's will pay all the development and construction costs related to their store and the associated site area and parking. In conjunction with the Lowe's deal, we will spend \$5,000 to redevelop the remainder of the property. This redevelopment is reflected on the September 30, 2002 Property Status Report in its current configuration.

#### 4) Oakbrook Square

Palm Beach Gardens, Florida

This property is a 225,000 square foot shopping center anchored by Publix. Jacobson's closed their 90,000 square foot store in October 2002. Stein Mart has executed a lease to occupy 41,000 square feet of this space in the second quarter of 2003, and the balance is out for leasing. Plans are presently being approved to reconfigure a portion of the retail, add additional parking and develop a 6,000 square foot outparcel, all at an estimated total cost of \$3,000. The current configuration of the property is reflected on the September 30, 2002 Property Status Report.

#### 5) Salerno Village

Stuart, Florida

We intend to redevelop this supermarket-anchored shopping center which we purchased in May 2002. Winn Dixie, the existing supermarket, has executed a new 20-year lease for 45,802 square feet, an increase from their current 31,503 square foot store. The redevelopment will cost approximately \$5,000, will commence in the second quarter of 2003, and is expected to be completed in early 2004. Upon completion and including the original acquisition cost, we expect to earn a stabilized yield of 11.5%. This development is reflected on the September 30, 2002 Property Status Report in its current configuration.

#### 6) Homestead Retail Development

Homestead, Florida

We own a 12 acre site adjacent to a master planned community in Homestead, Florida, approximately 25 miles south of Miami. We expect to develop a supermarket-anchored shopping center on this site in 2005. This development is not reflected on the September 30, 2002 Property Status Report, although the land parcel is listed as a property.

#### 7) Shops at Skylake

North Miami Beach, Florida

We plan to complete the final phase of Skylake totaling approximately 114,000 square feet in the fourth quarter of 2003 at a cost of approximately \$5,500. To date, we have executed a lease with LA Fitness Sports Clubs for a 45,000 square foot health club, and have entered into a letter of intent with another major tenant for a 45,000 square foot space. The balance of the new development will be configured for local tenant leasing. The current configuration of the property is reflected on the September 30, 2002 Property Status Report.
