1. You state that your relationship with your independent auditors was terminated on August 23, 2007, and your board of directors commenced its search for a new independent auditor. Please amend your report to comply with Item 304 of Regulation S-B. Specifically, please state whether your former accountant resigned, declined to stand for re-election or was dismissed on August 23, 2007. In addition, indicate whether your board of directors recommended or approved the decision to change accountants.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

You may contact Jenifer Gallagher at (202) 551-3706 if you have questions regarding our comment. Please contact me at (202) 551-3686 with any other questions.

Sincerely,

Karl Hiller
Branch Chief
