Statement of Cash Flows

1. We note your presentation on the statement of cash flows of sales and maturities of short-term investments as one combined line item. In light of the fact that short term investments represent a significant part of your balance sheet, please revise to present sales and maturities of these investments as separate line items within the investing section in accordance with ASC 320-10-45-11.

2015 and accounted for as a business combination. Please provide us with a detailed analysis of your considerations for determining the accounting acquirer to be Lakes versus Sartini Gaming under the guidance in ASC 805-10-55-11 through 55-15.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Kristin Shifflett at 202-551-3381, Claire Erlanger at 202-551-3301 or me at 202-551-3379 with any questions.
