Prospectus Cover Page

1. We note the revised disclosure in response to prior comment 3, as well as the primary shelf offering you are now seeking to register in this registration statement. Please revise further to clarify that the one-third public float limitation set forth in General Instruction I.B.6 of Form S-3 limits the aggregate dollar amount that can be sold by or on your behalf pursuant to this instruction within a 12-month period, and as such is applicable both to your effective shelf registration statement on Form S-3 (File No. 333-207564) and to the primary offering of up to \$50 million in securities you are seeking to register pursuant to this registration statement.
