

**OFFICERS LONG-TERM INCENTIVE PLAN
FISCAL THREE-YEAR PERIOD**

2012, 2013 and 2014

WINNEBAGO INDUSTRIES, INC.
OFFICERS LONG-TERM INCENTIVE PLAN
Fiscal Three-Year Period 2012, 2013 and 2014

1. **Purpose.** The purpose of the Winnebago Industries, Inc. Officers Long-Term Incentive Plan (the “Plan”) is to promote the long-term growth and profitability of Winnebago Industries, Inc. (the “Company”) by providing its officers with an incentive to achieve long-term corporate profit objectives and to attract and retain officers who will contribute to the achievement of growth and profitability of the Company.

2. **Administration.**
 - a. **Human Resources Committee.** The Plan shall be administered by a Committee (the “Committee”) appointed by the Board of Directors.

 - b. **Powers and Duties.** The Committee shall have sole discretion and authority to make any and all determinations necessary or advisable for administration of the Plan and may amend or revoke any rule or regulation so established for the proper administration of the Plan. All interpretations, decisions, or determinations made by the Committee pursuant to the Plan shall be final and conclusive.

 - c. **Annual Approval.** The Committee must approve the Plan prior to the beginning of each new fiscal three (3) year plan period. Each year a new plan will be established for a new three-year period.

3. **Participation Eligibility.**
 - a. Participants must be an officer of the Company with responsibilities that can have a real impact on the Corporation's end results.

 - b. The Committee will approve all initial participation prior to the beginning of each new plan year.

 - c. The Committee will make the determination on participation for new participants. Unless otherwise specified, participants must be actively employed as of the end of the three (3) year fiscal period to be eligible for any incentive award.

4. **Nature of the Plan.** The long-term incentive award is based upon financial performance of the Corporation. The Plan is a three (3) year (fiscal) program that provides for an opportunity for an incentive award based on the achievement of long-term financial performance results as measured at the end of the three (3) year fiscal period.

The financial performance measurements for this Plan will be based upon one or more pre-established financial criteria. These financial performance measurements will provide an appropriate balance between quality and quantity of earnings. The Board establishes the financial measurements including a Target, a minimum threshold below which an incentive will not be paid and a maximum incentive level.

5. **Method of Payment.** The long-term incentive award will be a stock grant made in restricted

shares of the common stock of Winnebago Industries, Inc. The amount of the participants' long-term incentive award for the three (3) year fiscal period shall be in direct proportion to the financial performance expressed as a percentage (Financial Factor) against predetermined award targets for each participant. The results for the fiscal three (3) year period will be used in identifying the Financial Factor to be used for that plan period when calculating the participants long-term incentive awards.

The long-term incentive for the executive officers provides for an opportunity of 25% of the annualized base salary (Target) to be awarded in restricted stock at 100% (Target) achievement of the financial long-term objectives. The Committee delegates to the CEO the authority to establish the incentive (Target) opportunity for officers other than executive officers subject to the limitations set forth in this Plan. The annualized base salary figure used for the three (3) year period beginning Fiscal 2012 shall be the salary in place for each participant as of September 2011. The resultant stock unit share opportunity (Target) will be adjusted up or down as determined by actual financial performance expressed as a percentage (Financial Factor) at the end of the three (3) year fiscal period.

The earned incentive for the three year performance period will be awarded in the form of a grant made in restricted shares of common stock to encourage stock ownership and promote the long-term growth and profitability of Winnebago Industries, Inc. A participant must actively be employed by Winnebago Industries, Inc. at the end of the fiscal three (3) year period to be eligible for any long-term incentive award. The long-term restricted stock grant shall be awarded as soon as practical after the final year-end accounting and shall be approved by the Board of Directors Human Resource Committee in October following fiscal year end. The price of the stock shall be the closing market price of the Company's common stock on the date in which the grant is approved by the Committee. The stock grant will be considered as taxable on the date of such grant. The stock award restriction shall be removed one year following date of grant.

6. **Change in Control.** In the event the Company undergoes a change in control during the fiscal three (3) year plan period including, without limitation, an acquisition or merger involving the Corporation (“Change in Control”), the Committee shall, prior to the effective date of the Change in Control (the “Effective Date”), make a good faith estimate with respect to the achievement of the financial performance through the end of the Plan three (3) year period. In making such estimate, the Committee may compare the achievement of the financial performance against the forecast through the Plan three (3) year period and may consider such other factors as it deems appropriate. The Committee shall exclude from any such estimate any and all costs and expenses arising out of or in connection with the Change in Control. Based on such estimate, the Committee shall make a full three (3) year Plan award within 15 days after the Effective date to all participants.

“**Change in Control**” for the purposes of the Officers Long-Term Incentive Plan shall mean the time when (i) any Person becomes an Acquiring Person, or (ii) individuals who shall qualify as Continuing Directors of the Company shall have ceased for any reason to constitute at least a majority of the Board of Directors of the Company, provided however, that in the case of either clause (i) or (ii) a Change of Control shall not be deemed to have occurred if the event shall have been approved prior to the occurrence thereof by a majority of the Continuing Directors who shall then be members of such Board of Directors, and in the case of clause (i) a Change of Control shall not be deemed to have occurred upon the acquisition of stock of the Company by a pension, profit-sharing, stock bonus, employee stock ownership plan or other retirement plan intended to be

qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended, established by the Company or any subsidiary of the Company. (In addition, stock held by such a plan shall not be treated as outstanding in determining ownership percentages for purposes of this definition.)

For the purpose of the definition “Change of Control:”

has jurisdiction over the administration of such provision, any judicial interpretation of such provision and as otherwise may be required under applicable law or Company policy, in each case as determined by the Committee. Any determination made by the Board of Directors or the Committee under this provision shall be final, binding and conclusive on the participant.

8. **Governing Law.** Except to the extent preempted by federal law, the consideration and operation of the Plan shall be governed by the laws of the State of Iowa.
9. **Employment Rights.** Nothing in this Plan shall confer upon any employee the right to continue in the employ of the Company, or affect the right of the Company to terminate an employee's employment at any time, with or without cause.
