## BUFFALO EXPLAINS TRADING HALT

**Vancouver, B.C., May 15, 2008** – Brian McEwen, President and CEO of Buffalo Gold Ltd. (TSX-V: BUF; OTC\BB: BYBUF; FWB: B4K), wishes to inform its shareholders that trading in Buffalo's shares was halted this morning as a result of a cease trade order issued by the British Columbia Securities Commission for failing to file Buffalo's audited financial statements and management discussion and analysis for the fiscal year ended December 31, 2007 within the time prescribed by National Instrument 51-102.

Buffalo's acquisitions during the last fiscal year, particularly the Sargold merger and Buffalo's spin-off of its uranium assets into Bondi Mining, significantly increased the complexity of the audit, resulting in the delay of the completion of the audit. Buffalo's management and auditors are working to complete the audit and Buffalo expects to file its year end statements and management discussion and analysis by May 23, 2008.

Mr. McEwen commented, *"The cease trade order is in no way related to the financial health of the Company and we are working to rectify the situation as quickly as possible and apologize for any concerns this has caused our shareholders."*
