Item 9A. Controls and Procedures, page 11

4. We note that you have concluded that your disclosure controls and procedures were effective while your internal controls over financial reporting were ineffective. Please tell us how you arrived at this conclusion as it would appear that some of the reasons why your internal controls were ineffective would also seem to have caused your disclosure controls and procedures to be ineffective. Alternatively, please revise your conclusion.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. As appropriate, please amend your filings in response to these comments. Please furnish a cover letter with your amendments that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.
