Your participation would also mean a lot to me on a personal level, as I can proudly list you both as notable investors, referencing your invaluable experience in the sleep industry. Additionally, there is a section for you to leave a quick shout-out, expressing your support for the project and our company. Your words would further enhance the campaign's appeal and inspire others to join in.

I genuinely appreciate your continued support and the vital roles you play in helping Suncliff reach new heights. This opportunity is a win-win for all involved, benefiting both the company and your current share position.

Thank you for considering my request. I look forward to your contribution and support in making this campaign a resounding success.

Best regards,

Jake George
CEO, Suncliff
