You may request international country-specific access information by e-mailing the Company in advance. Management will accept and answer questions related to the financial results and operations during the question-and-answer period at the end of the conference call. A recording of the call will be available following the event at the Company's website.

### **About Medicure Inc.**

Medicure is a pharmaceutical company focused on the development and commercialization of therapies for the U.S. cardiovascular market. The present focus of the Company is the marketing and distribution of AGGRASTAT® (tirofiban hydrochloride) injection and ZYPITAMAG® (pitavastatin) tablets in the United States, where they are sold through the Company's U.S. subsidiary, Medicure Pharma Inc. Medicure also operates Marley Drug, Inc. ("Marley"), a pharmacy located in North Carolina that offers an Extended Supply mail order drug program serving 49 states, Washington D.C. and Puerto Rico. Marley is committed to improving the health status of its patients and the communities they serve while reducing overall health care costs for employers and other health care consumers. For more information visit [www.marleydrug.com](http://www.marleydrug.com). To learn more about The Extended Supply Generic Drug Program call 800.286.6781 or email [info@marleydrug.com](mailto:info@marleydrug.com). For more information on Medicure please visit [www.medicure.com](http://www.medicure.com). For additional information about AGGRASTAT®, refer to the full [Prescribing Information](#). For additional information about ZYPITAMAG®, refer to the full [Prescribing Information](#).
