The Board may grant Annual Incentive Awards under the Plan only to such Employees as the Committee may from time to time recommend, in such amounts and subject to such terms and conditions as the Board in its discretion may determine. The Board shall establish a maximum Award that may be granted for each annual Performance Cycle. Notwithstanding the foregoing, any Annual Incentive Awards granted to an Employee shall be subject to the provisions of paragraphs (a) through (e) below:

(a) Performance Cycles. Annual Incentive Awards for Employees shall be granted in connection with a Performance Cycle. The first Performance Cycle under the Plan shall commence on January 1, 2002.

(b) Annual Incentive Participant. Subject to Section 1.2, within 25% of the Performance Cycle period, after the commencement of a Performance Cycle, the Board shall determine the Employees who shall be eligible to receive an Annual Incentive Award for such Performance Cycle.

(ii) Notwithstanding anything to the contrary, the Board may, on a case by case basis and in its sole discretion, reduce, but not increase, the Annual Incentive Award payable to any Participant with respect to any given Performance Cycle (unless the Participant has a vested right under applicable employment law to receive the full Award), provided, however, that no such reduction shall result in an increase to any other Employee.

(iii) The maximum dollar amount (or dollar value) payable to any Participant for a single Performance Cycle in respect of an Annual Incentive Award shall be \$3.0 million, including deferred amounts

(d) Payment of Annual Incentive Awards; Certification. No Annual Incentive Award shall be paid to a Participant under this Section unless and until the Committee certifies in writing the level of attainment of the applicable Performance Goals for the applicable Performance Cycle and Participants shall not have any right or claim whatsoever for payment of any Award until the Committee has made such certification in writing.

(e) Form of Payment. Annual Incentive Awards shall be paid in the form of cash, Shares or any combination thereof; provided, however, that the Board shall determine the form of payment of any Annual Incentive Awarded to a Participant within ninety (90) days after the commencement of the applicable Performance Cycle. Deferrals may be allowed upon approval of the Board.

4.5 Stock Option Awards. Stock Options granted under the Plan shall, at the discretion of the Board, be in the form of either Nonqualified Stock Options, Incentive Stock Options or a combination of the two, subject to the restrictions set forth in paragraph (e) below. Where both a Nonqualified Stock Option and an Incentive Stock Option are granted to a Participant at the same time, such Awards shall be deemed to have been granted in separate grants, shall be clearly identified, and in no event will the exercise of one such Award affect the right to exercise the other Award. The Board shall designate the form of the Stock Option at the time of grant and such form shall be specified in the Award Certificate. Stock Options shall be subject to the following terms and conditions:

(a) Number of Shares. The Board may grant Stock Options to a Participant in such amounts as the Board may determine, subject to the limitations set forth in Section 5.1 of the Plan. The number of Shares subject to a Stock Option shall be set forth in the applicable Award Certificate. The maximum number of Shares subject to Stock Options that may be issued to any Participant during any calendar year shall not exceed 750,000.

(b) Grant Price. The Grant Price, as determined by the Board shall be set forth in the applicable Award Certificate.

(c) Term and Timing of Exercise. Each Stock Option granted under the Plan shall be exercisable in whole or in part, subject to the following conditions, limitations and restrictions:

(i) Unless the applicable Award Certificate provides otherwise, each Stock Option shall become exercisable in full on the third anniversary of the date of grant;

(ii) Unless an applicable Subplan or an applicable Award Certificate provides a different period, each Stock Option shall lapse on the tenth anniversary of the date of grant;

(iii) The Board may, on a case by case basis, provide in an Award Certificate that the Stock Options subject to the Award shall become immediately exercisable upon a Change-of-Control;

(iv) All Stock Options granted to a Participant shall become immediately exercisable upon the death or permanent Disability of the Participant and must be exercised within 60 months after such Participant's death or Disability, but in no event after the date such Stock Options would otherwise lapse, by the Participant or, in the event of his death, by the Participant's estate or by the person given authority to exercise such Stock Options by the Participant's will or by operation

of law. In the event a Stock Option is exercised by the executor or administrator of a deceased Participant, or by the person or persons to whom the Stock Option has been transferred by the Participant's will or the applicable laws of descent and distribution, the Company shall be under no obligation to deliver Shares thereunder unless and until the Board is satisfied that the person or persons exercising the Stock Option is or are the duly appointed executor(s) or administrator(s) of the deceased Participant or the person to whom the Stock Option has been transferred by the Participant's will or by the applicable laws of descent and distribution;

(v) Except as otherwise provided in Section 7.3 or pursuant to Section 3.2(9), upon an Employee's Termination of Employment, for any reason other than death, Disability or Retirement, all Stock Options that have not become exercisable as of the date of termination shall be forfeited. If the Participant's termination constitutes a Retirement, all Stock Options shall become vested and exercisable for the full length of the remaining term. Except as, determined by the Board and set forth in the applicable Award Certificate, for all other methods of termination, to the extent that Stock Options have become exercisable as of such date, such Stock Options shall expire as of 30 days after such termination or the earliest date permitted by law if the law requires greater than 30 days. In those jurisdictions where forfeiture is not permitted, the Company shall have the right to call Stock Options at a price of CHF 0.01 per outstanding Stock Option held by the Participant; and

(vi) Notwithstanding the foregoing, the Board may, in its discretion, set forth in the applicable Award Certificate vesting schedules and time periods for permitted exercise that differ from those provided herein, provided, however, that in no event shall the Board provide in an Award Certificate for the exercise of any portion of a Stock Option before the six-month anniversary of Award, or after the tenth anniversary of the date of grant of such Stock Option.

(d) Payment of Exercise Price. The applicable Grant Price shall be paid in full when any portion of the Stock Option is exercised and Shares shall be issued to the Participant only upon receipt of such payment. Payment of the Grant Price may be made in cash or by certified check, bank draft, wire transfer, or postal or express money order to the account of a Swiss bank held in favor of the Company. In addition, at the discretion of the Board, payment of all or a portion of the Grant Price may be made by:

(i) Delivering a properly executed exercise notice to the Company, or its agent, together with irrevocable instructions to a broker to deliver promptly to the account of a Swiss bank held in favor of the Company the amount of sale or loan proceeds with respect to the portion of the Shares to be acquired upon exercise having a Fair Market Value on the date of exercise equal to the sum of the applicable portion of the Grant Price being so paid;

(ii) Tendering (actually or by attestation) to the Company previously acquired Shares that have been held by the Participant for at least six months having a Fair Market Value on the day prior to the date of exercise equal to the applicable portion of the Grant Price being so paid; or

(iii) any combination of the foregoing.

(e) Incentive Stock Options. Incentive Stock Options granted under the Plan shall be subject to the following additional conditions, limitations and restrictions:

(i) Eligibility. Incentive Stock Options may only be granted to Employees of the Company or its Subsidiaries other than individuals who are Employees solely

in their capacity as Non-Employee Directors. In no event may an Incentive Stock Option be granted to an Employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company.

(ii) **Timing of Grant.** No Incentive Stock Option shall be granted under the Plan after the 10-year anniversary of the date the Plan is adopted by the Board or, if earlier, the date the Plan is approved by the Company's shareholders pursuant to Section 1.2.

(iii) **Amount of Award.** The aggregate Fair Market Value on the date of grant of the Shares with respect to which such Incentive Stock Options first become exercisable during any calendar year under the terms of the Plan for any Participant may not exceed \$100,000. For purposes of this \$100,000 limit, the Participant's Incentive Stock Options under this Plan and all Plans maintained by the Company shall be aggregated. To the extent any Incentive Stock Option first becomes exercisable in a calendar year and such limit would be exceeded, the portion of such Incentive Stock Option that shall thereafter be treated as a Nonqualified Stock Option for all purposes of the Plan shall be determined in accordance with the rules applicable to Incentive Stock Options and the IRS rulings.

(iv) **Timing of Exercise.** In the event that the Board permits an Incentive Stock Option to be exercised by a Participant more than 30 days after the Participant's Termination of Employment and such exercise occurs more than three months after such Participant has ceased being an Employee (or more than 12 months after the Participant is Disabled), such Incentive Stock Option shall thereafter be treated as a Nonqualified Stock Option for all purposes.

(v) **Transfer Restrictions.** In no event shall the Board permit an Incentive Stock Option to be transferred by a Participant other than by will or the laws of descent and distribution, and any Incentive Stock Option granted hereunder shall be exercisable, during his or her lifetime, only by the Participant.

(f) **No Repricing.** Except as otherwise provided in Section 5.3, in no event shall the Board decrease the Grant Price of a Stock Option after the date of grant or cancel outstanding Stock Options and grant to Participants holding such cancelled Stock Options within six months of such cancellation replacement Stock Options with a lower Grant Price without, in either case, first obtaining the approval of the shareholders in the manner described in Section 1.2.

4.6 **Stock Appreciation Rights.** The Board may grant Stock Appreciation Rights that provide Participants with the opportunity to receive the appreciation over the Grant Price for the number of Shares specified in the applicable Award Certificate.

(a) **Amount of Award.** The Board may grant Stock Appreciation Rights to a Participant in such amounts as the Board determines, subject to the limitations set forth in Section 5.1 of the Plan. The number of Shares subject to Stock Appreciation Rights shall be set forth in the applicable Award Certificate. The maximum number of Shares subject to Stock Appreciation Rights that may be granted to any Participant during any calendar year shall not exceed 750,000.

Upon exercise of a Stock Appreciation Right, the Participant shall be entitled to a payment equal to the difference between the Grant Price and the Fair Market Value of the applicable number of Shares on the date of exercise.

(b) **Term and Timing of Exercise.** Each Stock Appreciation Right granted under the Plan shall be exercisable in whole or in part, subject to the following conditions, limitations and restrictions:

- (i) Unless the applicable Award Certificate provides otherwise, the Stock Appreciation Right shall be fully exercisable on the third anniversary of the date of grant;
- (ii) Unless an applicable subplan or an applicable Award Certificate provides a different period, Stock Appreciation Rights shall lapse 10 years after the date of grant;
- (iii) The Board may, on a case by case basis, provide in an Award Certificate that the Stock Appreciation Rights subject to the Award shall become immediately exercisable upon a Change-of-Control;
- (iv) The value of Stock Appreciation Rights shall be settled in any combination of cash or shares, as determined by the Board;
- (v) All Stock Appreciation Rights granted to a Participant shall become immediately exercisable upon the death or Disability of the Participant and must be exercised within 60 months after such Participant's death or Disability, but in no event after the date such Stock Appreciation Rights would otherwise lapse, by the estate or by the person given authority to exercise such Stock Appreciation Rights by the Participants will or by operation of law. In the event a Stock Appreciation Right is exercised by the executor or administrator of a deceased Participant, or by the person or persons to whom the Stock Appreciation Right has been transferred by the Participant's will or the applicable laws of descent and distribution, the Company shall be under no obligation to make payment thereunder unless and until the Board is satisfied that the person or persons exercising the Stock Appreciation Right is or are the duly appointed executor(s) or administrator(s) of the deceased Participant or the person to whom the Stock Appreciation Right has been transferred by the Participant's will or by the applicable laws of descent and distribution;
- (vi) Except as otherwise provided in Section 7.3, upon a Participant's Termination of Employment, for any reason other than death, Disability or Retirement, all Stock Appreciation Rights that have not become exercisable as of the date of termination shall be forfeited. If the Participant's termination constitutes a Retirement, all Stock Appreciation Rights shall become vested and exercisable for the full length of the remaining term. Except as determined by the Board and set forth in the applicable Award Certificate, for all other methods of termination, to the extent that Stock Appreciation Rights have become exercisable as of such date, such Stock Appreciation Rights shall expire as of 30 days after such termination or the earliest date permitted by law if the law requires greater than 30 days; and
- (vii) Notwithstanding the foregoing, the Board may, on its discretion, set forth in the applicable Award Certificate vesting schedules and time periods for permitted exercise that differ from those provided herein; provided, however, that in no event shall the Board provide in an Award Certificate for the exercise of any portion of a Stock Appreciation Right before the six-month anniversary of Award, or after the tenth anniversary of the date of grant of such Stock Appreciation Right.

4.7 Restricted Stock. A Restricted Stock Award is the transfer of shares to an Employee, subject to such terms and conditions as the Board shall deem appropriate, including, without limitation, restrictions on the sale, assignment, transfer or other disposition of such shares and the requirement that the Employee shall forfeit such shares back to the Company without payment or shall be obligated to sell and the Company shall be entitled to buy from the Participant such shares at a price of CHF 0.01 per share, as legislation requires, in each case (i)

upon Termination of Employment for any reason other than death or Disability prior to the end of the Restriction Period, (ii) if any specified Performance Goals are not achieved during a specified Performance Cycle, or (iii) if such other conditions as the Board may specify at the time of grant are not satisfied.

(a) Eligibility and Limitations. Any officer of the Company and any other key Employee of the Company or a Subsidiary selected by the Board may receive a Restricted Stock Award. The Board, in its sole discretion, shall determine whether a Restricted Stock Award shall be made, the Employee to receive the Restricted Stock Award, and the conditions and restrictions imposed on the Restricted Stock Award. The Board may grant Restricted Stock to an Employee in such amounts as the Board may determine, subject to the limitations set forth in Section 5.1 of the Plan. The maximum number of Shares that may be issued to any Participant as Restricted Stock during any calendar year shall not exceed 200,000.

(b) Restriction Period. Each Award Certificate shall specify the conditions upon which restrictions applicable to Restricted Stock Awards shall lapse, including, without limitations, conditions related to the continued employment of a Participant or the achievement of Performance Goals during a Performance Cycle, by the Company or its Subsidiaries until a specified date.

(c) Restrictions. The following restrictions and conditions shall apply to each Restricted Stock Award during the Restriction Period: (i) the Participant shall not be entitled to physical delivery of the shares until the lapse of the Restriction Period; (ii) the Participant may not sell, assign, transfer, pledge, hypothecate, encumber or otherwise dispose of or realize on the shares subject to the Restricted Stock Award; and (iii) the shares subject to a Restricted Stock Award shall be forfeited to the Company if the Participant for any reason other than death or Disability ceases to be an Employee prior to the end of the Restriction Period, except due to circumstances specified in the related Award Certificate or otherwise approved by the Board. The Board may, in its sole discretion, include such other restrictions and conditions as it may deem appropriate. In those jurisdictions where forfeiture is not permitted, the Company shall have the right to call, and the Participants shall be required to sell, shares subject to a Restricted Stock Award at a price of CHF 0.01 per share. The Board shall have authority to designate vesting requirements in grants of Restricted Stock specific to a Participant.

(d) Acceleration of Restrictions. Notwithstanding the foregoing, the Restriction Period applicable to all shares subject to the Restricted Stock Award shall immediately expire and such shares shall become vested and nonforfeitable upon the death or Disability of the Participant. The Board may, on a case by case basis, provide in the Award Certificate that the Restriction Period applicable to all shares subject to the Restricted Stock Award shall immediately expire and such shares shall become vested and nonforfeitable upon a change-of-control. In case of Participant's Retirement, the Restriction Period applicable to all shares of Restricted Stock expire and such shares shall become vested and nonforfeitable at the earlier of (a) Retirement, or (b) the end of Restriction Period. Section 4.10 shall govern Restricted Stock Awards made in connection with conversion of phantom shares.

(e) Delivery of Restricted Stock. Upon expiration of the Restriction Period and if all conditions have been satisfied and any applicable Performance Goals attained, the shares will be delivered to the Participant, subject to satisfaction of applicable withholding tax requirements, free of all restrictions; provided, that the Board may, in its discretion, require (i) the further deferral of any shares subject to a Restricted Stock Award beyond the initially specified Restriction Period, (ii) that the shares subject to a Restricted Stock Award be retained by the Company, or (iii) that the Participant receive a cash payment in lieu of delivery of the applicable shares.

(f) Legend. In order to enforce any restrictions that the Board may impose on shares subject to a Restricted Stock Award, the Committee shall cause a legend or legends setting forth a specific reference to such restrictions to be placed on all certificates for shares subject to Restricted Stock Awards. Subject to Section 4.7(e) as restrictions are released, a new certificate, without the legend, for the number of shares with respect to which restrictions have been released shall be issued and upon request by the Participant, shall be delivered to the Participant as soon as possible thereafter.

4.8 Performance-Based Awards.

(a) Eligibility and Terms. The Board may grant to officers of the Company and other key Employees of the Company and its Subsidiaries the prospective contingent right, expressed in Units, to receive payments of shares, cash or any combination thereof, with each Unit equivalent in value to one share, or equivalent to such other value or monetary amount as may be designated or established by the Board ("Performance-Based Awards"), Performance-Based Awards shall be earned by Participants only if specified Performance Goals are satisfied in the applicable Performance Cycle. The Board shall, in its sole discretion, determine the officers of the Company and other key Employees eligible to receive Performance-Based Awards. At the time each Performance Grant is made, the Board shall establish the applicable Performance Cycle, the Performance Measure and Performance Goals in respect of such Performance Based Award. The number of shares and/or the amount of cash earned and payable in settlement of a Performance Based Award shall be determined by the Committee at the end of the Performance Cycle.

(b) Limitations on Grants and Awards. The Board may grant Performance-Based Awards to a Participant in such amounts as the Board may determine, subject to the limitations set forth in Section 5.1 of the Plan. The maximum dollar amount (or dollar value) payable to any Participant in respect of a Performance-Based Award in any calendar year shall be \$3.0 million.

(c) Performance Goals, Performance Measures and Performance Cycles. The Award Certificate for each Performance Based Award shall provide that, in order for a Participant to earn all or a portion of the Units subject to such Performance Based Award, the Company must achieve certain Performance Goals over a designated Performance Cycle having a minimum duration of one year. The Performance Goals and Performance Cycle shall be established by the Board in its sole discretion. The Board shall establish a Performance Measure for each Performance Cycle for determining the portion of the Performance-Based Award, which will be earned or forfeited, based on the extent to which the Performance Goals are achieved or exceeded. In setting Performance Goals, the Board shall use a Performance Measure as defined Article II of this document. Performance Goals may include minimum, maximum and target levels of performance, with the size of the Performance Based Award based on the level attained. Once established by the Board and specified in the Award Certificate, and if and to the extent provided in or required by the Award Certificate, the Performance Goals and the Performance Measure in respect of any Performance-Based Award (or any Restricted Stock Grant or Stock-Based Award that requires the attainment of Performance Goals as a condition to the Award) shall not be changed other than as required by changes in U.S. GAAP. The Board may, in its discretion, eliminate or reduce (but not increase) the amount of any Performance-Based Award (or Restricted Stock or Stock-Based Award) that otherwise would be payable to a Participant upon attainment of the Performance Goal(s) unless the Participant has a vested right under applicable employment law to receive the full Award.

(d) Form of Grants. Performance-Based Awards may be made on such terms and conditions not inconsistent with the Plan, and in such form or forms, as the Board may from time to time approve. Performance-Based Awards may be made alone, in addition to in tandem with, or independent of other grants and Awards under the Plan. Subject to

the terms of the Plan, the Board shall, in its discretion, determine the number of Units subject to each Performance Grant made to a Participant and the Board may impose different terms and conditions on any particular Performance-Based Award made to any Participant. The Performance Goals, the Performance Cycle and the Performance Measure applicable to a Performance Grant shall be set forth in the relevant Award Certificate.

(e) Payment of Awards. Each Participant shall be entitled to receive payment in an amount equal to the aggregate Fair Market Value (if the Unit is equivalent to a share), or such other value as the Board shall specify, of the Units earned in respect of such Performance Award. Payment in settlement of a Performance-Based Award may be made in shares, in cash, or in any combination of shares and cash, and at such time or times, as the Board, in its discretion, shall determine.

4.9 Other Stock-Based Awards.

(a) Eligibility. The Board may, from time to time, grant to an Employee Awards (other than Annual Incentive Awards, Stock Options, Stock Appreciation Rights, Restricted Stock or Performance-Based Awards) under Section 4.9 that consist of, or are denominated in, payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares. These Awards may include, among other things shares, Restricted Stock Options, phantom or hypothetical shares and share units. The Board shall determine, in its discretion, the terms, conditions, restrictions and limitations, if any, that shall apply to Awards granted pursuant to this Section 4.9, including whether dividend equivalents shall be credited with respect to any Award, which terms, conditions, restrictions and/or limitations shall be set forth in the applicable Award Certificate.

(b) Limitations on Grants and Awards. The Board may grant Other Stock-Based Awards to a Participant in such amounts as the Board may determine, subject to the limitations set forth in Section 5.1 of the Plan. The maximum dollar amount (or dollar value) payable to any Participant in respect of a Other Stock-Based Award in any calendar year shall be \$3.0 million.

4.10 Phantom Stock Conversion. The Company sponsors the 1994 Phantom Stock Plan pursuant to which eligible employees were granted deferred phantom stock units that are paid out over time. The Board may permit certain Employees to convert their outstanding phantom stock units into shares of Restricted Stock and also grant Stock Options to any such person electing to convert. The Board shall determine the terms and conditions of such conversion and of the related Awards made hereunder. Any Awards of Restricted Stock or Stock Options made under this Section 4.10 shall not count against the limits set forth in Section 4.5(a) and 4.7(a). In addition, Restricted Stock Awards granted under this Section 4.10 shall not be subject to any restrictions of the types described in clauses (ii) or (iii) of the first paragraph of Section 4.7. Stock Options granted under this Section 4.10 shall not be subject to the same vesting conditions described in Section 4.5(c)(i). Stock Options granted under this Section 4.10 shall vest under the conditions set forth in the applicable Award Certificate. Any Awards of Restricted Stock or Stock Options made under this Section 4.10 shall only be made after the effective date of this Plan.

4.11 Code Section 162(m). It is the intent of the Company, that Awards granted under the Plan satisfy, and that Article IV be interpreted in a manner that satisfies, the requirements of Code Section 162(m) and the regulations thereunder, if applicable, so that the Company's tax deduction for Awards is not disallowed in whole or in part by operation of Code Section 162(m). If any provision of this Plan or of any Award would otherwise frustrate or conflict with such intent, that provision shall be interpreted and deemed amended so as to avoid such conflict.

ARTICLE V

SHARES SUBJECT TO THE PLAN; ADJUSTMENTS

5.1 Shares Available. Subject to adjustment in accordance with Section 5.3, the total number of Shares with respect to which Awards may be issued under the Plan shall not exceed in the aggregate 30 million Shares; the number of Shares delivered pursuant to the exercise of Stock Options or delivered after the lapse of a Restriction Period shall not exceed 10% of the total number of Shares issued and outstanding at the time such shares are delivered.

5.2 No Registration Rights. The Company may, but shall not be obligated to, register or qualify the sale of shares under the Securities Act or any other applicable law. The Company shall not be obligated to take any affirmative action in order to cause the sale of shares under this Agreement to comply with any law.

5.3 Restrictions on Transfer -- Securities Law Restrictions. Regardless of whether the offering and sale of shares under the Plan have been registered under the Securities Act or have been registered or qualified under the securities laws of any country, the Company at its discretion may impose restrictions upon the sale, pledge or other transfer of such shares (including the placement of appropriate legends on stock certificates or the imposition of stop-transfer instructions) if, in the judgment of the Company, such restrictions are necessary or desirable in order to achieve compliance with the Exchange Act, the securities laws of any country or any other law.

5.4 Counting Rules. For purposes of determining the number of shares remaining available under the Plan, only Awards payable in shares or Awards in Stock Options the terms of which allow for physical delivery of shares shall be counted. Any shares related to Awards, which terminate by expiration, forfeiture, cancellation or otherwise without issuance of shares, or are settled in cash in lieu of shares, shall be available again for issuance under the Plan. In the event shares are tendered or withheld in payment of all or part of the Exercise Price of a Stock Option, or in satisfaction of the withholding obligations thereunder, the shares so tendered or withheld shall become available for issuance under the Plan. An outstanding Stock Appreciation Right shall not be taken into account in determining the aggregate number of shares with respect to which Stock Options may thereafter be granted.

5.5 Adjustments. To prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, in the event of a change in the outstanding shares by reason of any stock split, consolidation of shares, dividend or other distribution (whether in the form of cash, shares, other securities or other property), extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, reorganization, combination, repurchase or exchange of shares or other securities, the exercisability of stock purchase rights received under the Award Agreement, the issuance of warrants or other rights to purchase shares or other securities, or other similar corporate transaction or event, such shall result in an equitable adjustment in the number or kind of shares that may be issued under the Plan, in the number or kind of shares subject to an outstanding Award, and in the Grant Price of a Stock Option, Stock Appreciation Right or other Award, such adjustment shall be made by the Committee and shall be conclusive and binding for all purposes under the Plan. Notwithstanding the foregoing, no adjustments shall be made with respect to Awards to the extent such adjustment would cause the Award to fail to qualify as performance-based compensation under Section 162(m) of the Code.

5.6 Consolidation, Merger or Sale of Assets. Upon the occurrence of (i) a merger, consolidation, acquisition of property or stock, reorganization or otherwise involving the Company in which the Company is not to be the surviving corporation, (ii) a merger, consolidation, acquisition of property or stock, reorganization or otherwise involving the Company in which the Company is the surviving corporation but holders of shares receive

securities of another corporation, or (iii) a sale of all or substantially all of the Company's assets (as an entirety) or capital stock to another person, any Award granted hereunder shall be deemed to apply to the securities, cash or other property (subject to adjustment by cash payment in lieu of fractional interests) to which a holder of the number of shares equal to the number of shares the Participant would have been entitled, and proper provisions shall be made to ensure that this clause is a condition to any such transaction; provided, however, that in the event of a transaction described in this Section 5.6 or a Change-of-Control, the Board shall, in its discretion, have the power to either:

- (a) provide, upon written notice to Participants, that all Awards that are currently exercisable must be exercised within the time period specified in the notice and that all Awards not exercised as of the expiration of such period shall be terminated without consideration; or
- (b) cancel any or all Awards and, in consideration of such cancellation, pay to each Participant an amount in cash with respect to each Share issuable under an Award equal to the difference between the Fair Market Value of such Share on such date and the Exercise Price, if any; or
- (c) provide for the immediate vesting and exercisability of all Stock Options and Stock Appreciation Rights, removal of all restrictions on outstanding Restricted Stock, Performance-Based Awards and other Stock Based Awards, and vest and pay (on a pro-rata basis) all outstanding incentive Awards.

5.7 Fractional Shares. No fractional shares shall be issued under the Plan. In the event that a Participant acquires the right to receive a fractional share under the Plan, such Participant shall receive, in lieu of such fractional share, cash equal to the Fair Market Value of the fractional share as of the date of settlement.

ARTICLE VI

AMENDMENT AND TERMINATION

6.1 Amendment. The Plan may be amended at any time and from time to time by the Board without the approval of shareholders of the Company, except that no amendment that increases the aggregate number of Shares may be issued pursuant to the Plan shall be effective unless and until the same is approved by the shareholders of the Company. No amendment of the Plan shall adversely affect any right of any Participant with respect to any Award theretofore granted without such Participant's written consent.

6.2 Termination. The Plan shall terminate upon the earlier of the following dates or events to occur:

- (a) the adoption of a resolution of the Board terminating the Plan; or
- (b) the tenth anniversary of the date of the Company's 2002 Annual Meeting of Stockholders; and

No Awards shall be granted under this Plan after it has been terminated. However, the termination of the Plan shall not alter or impair any of the rights or obligations of any person, without such person's consent, under any Award theretofore granted under the Plan. After the termination of the Plan, any previously granted Awards shall remain in effect and shall continue to be governed by the terms of the Plan and the applicable Award Certificate.

ARTICLE VII

GENERAL PROVISIONS

7.1 Nontransferability of Awards. Except as otherwise provided in this Section 7.1, no Awards under the Plan shall be subject in any manner to alienation, anticipation, sale, assignment, pledge, encumbrance or transfer, other than by will or by the laws of descent or distribution, by the Participant and no other persons shall otherwise acquire any rights therein. Nothing in the preceding sentence, however, shall bar the transfer of an Award (other than an Incentive Stock Option) to a Participant's spouse pursuant to a qualified domestic relations order (QDRO) as defined by Section 414(p) of the Code or Section 206(d) of the Employee Retirement Income Security Act of 1974, as amended. During the lifetime of a Participant, Stock Options (except for Nonqualified Stock Options that are transferable pursuant to subparagraphs (a) and (b) below) shall be exercisable only by the Participant and shall not be assignable or transferable except as provided above.

(a) In the case of a Nonqualified Stock Option, the Board may, in its sole discretion, provide in the applicable Award Certificate that all or any part of such Nonqualified Stock Option may, subject to the prior written consent of the Board, be transferred to one or more of a following classes of donees: family member, a trust for the benefit of a family member, a limited partnership whose partners are solely family members or any other legal entity set up for the benefit of family members. For purposes of this Section 7.1, a family member means a Participant's spouse, children, grandchildren, parents, grandparents (natural, step, adopted, or in-laws), siblings, nieces, nephews and grandnieces and grandnephews.

(b) Except as otherwise provided in the applicable Award Certificate, any Nonqualified Stock Option transferred by a Participant pursuant to sub paragraph (a) above may be exercised by the transferee only to the extent such Nonqualified Stock Option would have been exercisable by the Participant had no transfer occurred. Any such transferred Nonqualified Stock Option shall be subject to all of the same terms and conditions as provided in the Plan and in the applicable Award Certificate. The Participant or the Participant's estate shall remain liable for any withholding or other tax which may be imposed by any federal, state or local tax authority and the transfer of shares upon exercise of such Nonqualified Stock Option shall be conditioned on the payment of such withholding or other tax. The Board may, in its sole discretion, withhold its consent to all or a part of any transfer of a Nonqualified Stock Option pursuant to this Section 7.1 unless and until the Participant makes arrangements satisfactory to the Board for the payment of any such withholding tax. The Participant must immediately notify the Board, in such form and manner as required by the Committee, of any proposed transfer of a Nonqualified Stock Option pursuant to this Section and no such transfer shall be effective until the Board consents thereto in writing.

(c) Anything in this Section 7.1 to the contrary notwithstanding, in no event may the Committee permit an Incentive Stock Option to be transferred by any Participant other than by will or the laws of descent and distribution.

7.2 Withholding of Taxes.

(a) Stock Options. As a condition to the delivery of any shares pursuant to the exercise of a Stock Option, the Committee may require that the Participant, at the time of such exercise, pay to the Company by cash or by certified check, bank draft, wire transfer or postal or express money order an amount sufficient to satisfy any applicable tax withholding obligations. The Board may, however, in its discretion, accept payment of tax withholding obligations through any of the Exercise Price payment methods described in Section 4.5(d). In addition, the Board may, in its discretion, permit payment of tax withholding obligations to be made by instructing the Company to withhold shares

that would otherwise be issued on exercise having a Fair Market Value on the date of exercise equal to the applicable portion of the tax withholding obligations being so paid. Notwithstanding the foregoing, in no event may any amount greater than the minimum statutory withholding obligation be satisfied by tendering or withholding shares.

(b) **Restricted Stock.** The Company shall satisfy tax withholding obligations arising in connection with the release of restrictions on shares of Restricted Stock by withholding shares that would otherwise be available for delivery upon such release having a Fair Market Value on the date of release equal to the minimum statutory withholding obligation.

(c) **Other Awards.** Notwithstanding the above, in most jurisdictions all non-stock based Performance-Based Awards will require the reporting of income and withholding of appropriate taxes. Wherever and whenever such reporting and withholding is required, the Company will fully comply by reporting all income as defined in the jurisdiction and withholding and submitting all required taxes levied against said income.

7.3 **Special Forfeiture Provision.** The Board may, at its discretion, provide in an Award Certificate that a Stock Option or Restricted Stock Award granted to any Participant who, without prior written approval of the Company, enters into any employment or consultation arrangement (including service as an agent, partner, stockholder, consultant, officer or director) to any entity or person engaged in any business in which the Company or its affiliates is engaged which, in the sole judgment of the Company, is competitive with the Company or any subsidiary or affiliate, (i) shall forfeit all rights under any outstanding Stock Option and shall return to the Company the amount of any profit realized upon the exercise, within such period as the Committee may determine, of any Stock Option and (ii) shall forfeit and return to the Company all shares of Restricted Stock (or the equivalent thereof) which are not then vested or which would not have vested but for an acceleration event (such as Retirement), but with respect to the latter, the amount forfeited is limited to the amount that would have vested in the ordinary course after the date such Participant engaged in such conduct. In jurisdictions where forfeiture is not permitted under applicable law, the Company shall have the right to repurchase, and the Participant shall have the obligation to sell and deliver, any and all Stock Options and Shares held by the Participant in each case at a price of CHF 0.01 per Share and CHF 0.01 per Stock Option; in this event, the Participant authorizes the Company to perform on his or her behalf all actions necessary to transfer ownership of the Shares and/or Stock Options back to the Company.

7.4 **Code Section 83(b) Elections.** Neither the Company, nor the Board shall have any responsibility in connection with a Participant's election, or attempt to elect, under Code Section 83(b) to include the value of a Restricted Stock Award in the Participant's gross income for the year of payment. Any Participant who makes a Code Section 83(b) election with respect to any such Award shall promptly notify the Committee of such election and provide the Committee with a copy thereof.

7.5 **No Implied Rights.** The establishment and subsequent operation of the Plan, including eligibility as a Participant, shall not be construed as conferring any legal or other right upon any Employee for the continuation or his or her employment, for any Performance Cycle or any other period. The Company expressly reserves the right, which may be exercised at any time and without regard to when, during a Performance Cycle or other accounting period, such exercise occurs, to discharge any individual and/or treat him or her without regard to the effect which such treatment might have upon him or her as a Participant in the Plan.

7.6 **No Obligation to Exercise Options.** The granting of a Stock Option shall impose no obligation upon the Participant to exercise such Stock Option.

7.7 **No Rights as Stockholders.** A Participant granted an Award under the Plan shall have no rights as a stockholder of the Company with respect to such Award unless and until such time as the shares underlying the Award are registered in such Participant's name or in the name of a

custodian or nominee holding such shares to the benefit of such Participant. The right of any Participant to receive an Award by virtue of participation in the Plan shall be no greater than the right of any unsecured general creditor of the Company.

7.8 Indemnification of Board. The Company shall indemnify, to the full extent permitted by law, each person made or threatened to be made a party to any civil or criminal action or proceeding by reason of the fact that he, or his testator or intestate, is or was a member of the Board or a delegate of the Board so acting.

7.9 No Required Segregation of Assets. The Company shall not be required to segregate any assets that be at any time be represented by Awards granted pursuant to the Plan.

7.10 Nature of Payments. All Awards made pursuant to the Plan are in consideration of services for the Company. Any gain realized pursuant to Awards under the Plan constitutes a special incentive payment to the Participant and shall not be taken into account as compensation for purposes of any of the employee benefit plans of the Company.

7.11 Securities Exchange Act Compliance. Awards under the Plan are intended to satisfy the requirements of Rule 16b-3 under the Exchange Act. If any provision of this Plan or of any grant of an Award would otherwise frustrate or conflict with such intent, that provision shall be interpreted and deemed amended so as to avoid such conflict.

7.12 Call Option of the Company. Wherever this Plan refers to a call option of the Company relating to Shares or Stock Options Awarded to a Participant, the Participant shall be deemed to consent to all actions the Company may take which are necessary to transfer title to such Shares or Stock Options from the Participant to the Company, and the Company may execute all necessary documents and take all necessary actions on its behalf and on behalf of the Participant to give effect to such transfer.

7.13 Governing Law; Severability. The Plan and all determinations made and actions taken thereunder shall be governed by the substantive laws of Switzerland. If any provision of the Plan shall be held unlawful or otherwise invalid or unenforceable in whole or in part, the unlawfulness, invalidity or unenforceability shall not affect any other provision of the Plan or part thereof, each of which shall remain in full force and effect.
