

**PROTECTION ONE ALARM MONITORING, INC. AND
INTEGRATED ALARM SERVICES GROUP, INC. COMMENCE EXCHANGE OFFER AND CONSENT SOLICITATION FOR INTEGRATED ALARM SERVICES GROUP'S 12%
SENIOR SECURED NOTES DUE 2011**

LAWRENCE, Kan. and ALBANY, N.Y. - Feb. 22, 2007 - Protection One Alarm Monitoring, Inc. ("Alarm Monitoring"), a wholly owned subsidiary of Protection One, Inc. (OTC Bulletin Board: PONN), and Integrated Alarm Services Group, Inc. (Nasdaq: IASG) today commenced an exchange offer and consent solicitation relating to IASG's \$125,000,000 principal amount of 12% Senior Secured Notes due 2011 (the "IASG Notes"). The completion of the exchange offer and consent solicitation is conditioned upon, among other things, the closing of the merger between Protection One and IASG, which was announced on December 20, 2006.

Holders who tender their IASG Notes prior to the expiration of the exchange offer will receive a like amount of 12% Senior Secured Notes issued by Alarm Monitoring (the "Alarm Monitoring Notes"). The Alarm Monitoring Notes will initially bear interest at the rate of 13% per annum, payable semi-annually on May 15 and November 15 of each year, commencing May 15, 2007. Following the completion of a registered exchange offer filed with the Securities and Exchange Commission, the interest rate on the Alarm Monitoring Notes will step down to 12% per annum. Interest on the Alarm Monitoring Notes will accrue from November 15, 2006, the last interest payment date for the IASG Notes.

In conjunction with the exchange offer, IASG is soliciting consents for amendments to the indenture governing the IASG Notes to eliminate or amend substantially all of the indenture's restrictive covenants. IASG is also soliciting waivers with respect to any existing default under the IASG Notes. Holders who tender their IASG Notes for exchange will be required to consent to the proposed amendments and waivers, and holders of IASG Notes may not consent to the proposed amendments and waivers without also tendering their IASG Notes.

It is a condition to the consummation of the exchange offer that holders of at least 85% of the aggregate principal amount of IASG Notes deliver consents and validly tender their IASG Notes for exchange and do not withdraw such IASG Notes. Pursuant to a Lock Up and Consent Agreement among Alarm Monitoring, IASG and holders of approximately 85% of the aggregate principal amount of IASG Notes (the "Consenting Noteholders"), such holders have agreed to tender their IASG Notes and consent to the amendments and waivers. Therefore, subject to the satisfaction of certain conditions, Alarm Monitoring and IASG expect to receive the requisite consents and tendered IASG Notes.

The consent solicitation will expire at 5:00 p.m., EST, on March 9, 2007 (the "Consent Date"), unless extended by IASG. The exchange offer will expire at 8:00 a.m., EDT, on April 2, 2007 (the "Expiration Date"), unless extended by Alarm Monitoring. Consents delivered prior to the Consent Date may be revoked until the Consent Date. IASG Notes tendered prior to the Expiration Date, except for those tendered by the Consenting Noteholders, may be withdrawn until the Expiration Date.

The exchange offer and consent solicitation are being made pursuant to an Offering Memorandum and Consent Solicitation Statement dated February 22, 2007 and related Letter of Transmittal and Consent and Waiver, which more fully set forth the terms of the exchange offer and consent solicitation.

Additional information concerning the terms of the exchange offer and consent solicitation may be obtained from Bear, Stearns & Co. Inc., which is serving as financial advisor for the exchange offer and consent solicitation, at (877) 696-BEAR. Copies of the Offering Memorandum for Exchange Offer and Consent Solicitation Statement and related documents may be obtained from D. F. King & Co., Inc., the information agent, at (888) 644-6071. Kirkland & Ellis LLP and Simpson Thacher & Bartlett LLP are serving as legal counsel to Alarm Monitoring. Mayer, Brown, Rowe, & Maw LLP is serving as legal counsel to IASG.

This announcement is not an offer to purchase, a solicitation of an offer to purchase or a solicitation of consents with respect to the IASG Notes or Alarm Monitoring Notes. The exchange offer and consent solicitation are made solely by the Offering Memorandum for Exchange Offer and Consent Solicitation Statement pursuant to Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"). Alarm Monitoring is offering to exchange only those IASG Notes held by "accredited investors," as such term is defined under Rule 501(a) of Regulation D promulgated under the Securities Act. The Alarm Monitoring Notes have not been registered under the Securities Act. Unless and until so registered, the Alarm Monitoring Notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.
