5 Costs and Charges

- (1) Subject to other applicable provisions of this Clause 5 below, Telkom shall pay a fee to each person that directly provides Personnel to Telkom (i. e.. the SEP or a Personnel Provider and including, if applicable and without limitation, SBCI-MSI or TMS) with respect to such Personnel as follows:

6 Additional Obligations

- (1) Telkom agrees to discharge promptly all costs and obligations payable or to be performed by it in respect of the Strategic Services and will provide the Personnel with such assistance and access to its facilities, operations and staff as Telkom would ordinarily provide employees employed by Telkom in positions which are equal to (or substantially equal to) or lower than positions for which such Personnel have been provided to Telkom in terms of seniority and responsibility. In the event that Telkom and the SEP, pursuant to such consultation, reach agreement with respect to items (i) and (ii), then, the Parties agree, subject to Clause 22 below, to take all such actions as may be reasonably necessary to amend the provisions of this Agreement to give effect to such agreement.
- (3) The Parties agree that, upon the request of either of Telkom or the SEP, but not more than once in any quarter, the Review Committee shall meet and, in good faith, review the performance of the Personnel.
- (4) The Parties agree that, notwithstanding any provision to the contrary contained herein, in the event of the expiration or termination of this Agreement in accordance with Clause 10 hereof; if (i) at the time of any such expiration or termination the SEP owns at least fifteen percent (15%) of the then issued Shares and (ii) either of Telkom or the SEP so requests,

- (4) A sole respondent may join a Party other than the claimant in the arbitration within fifteen (15) days after receipt by the respondent of notification from the claimant of the appointment of an arbitrator, provided that the right to relief by the respondent against such joined Party depends on the determination of substantially the same question of law or fact which, if separate actions were instituted, would arise on each action. In the event of such joinder, the arbitrator to be appointed by the respondent pursuant to Clause 7(3) above shall be appointed jointly by the respondent and the joined party, and if they fail to so jointly appoint, such arbitrator shall be appointed by the Appointing Authority. Once the arbitration panel is constituted, upon the request of the claimant the panel shall render a decision as to whether such joinder was appropriate based on the terms of this Clause 7(4), and if the arbitration panel determines that such joinder was not appropriate then it shall sever the joined claim from the pending arbitration.

- (5) The place of arbitration shall be Gauteng Province, South Africa and the award shall be deemed rendered in South Africa. The arbitrators may conduct proceedings or portions of proceedings at venues they deem convenient. The language of the arbitration shall be English. The foregoing notwithstanding, the place of arbitration for disputes between or among the SEP, SBCISA, TMS and/or any other Personnel Provider shall be London, England.

The arbitrators shall hold hearings and render their award as soon as practicable.
- (8) In connection with any arbitral proceeding commenced under this Clause, each Party shall have the power to (i) request and inspect documents and other materials in the possession of any Party or under their control, make or have made copies thereof and/or take extracts therefrom and have such documents or copies thereof produced and/or delivered at any place reasonably requested by such Party for the aforesaid purposes, (ii) present oral evidence at any hearing conducted before the arbitral panel, (iii) interview witnesses to appear at any hearing conducted before the arbitral panel, (iv) cross-examine witnesses summoned by the other Party at any hearing conducted before the arbitral panel and (v) submit other evidence to the arbitral panel as such panel may permit;
- (9) In rendering their decision, the arbitrators shall be bound by the Agreement and shall interpret the Agreement under the laws of South Africa. In addition to the foregoing, the arbitrators are empowered to act *ex aquo et bono* in the event that the laws or regulations of the Republic of South Africa would cause an unfair result. The arbitrators' decision shall be reasoned and shall be rendered in writing, shall be final and binding upon the Parties and shall be carried into effect and may be enforced and confirmed as a judgment or an order of any competent court at the instance of any Party;

- (10) In any arbitration proceedings under this Clause 7, the arbitrators shall be empowered to award monetary damages, including, without limitation, consequential, direct and punitive damages, to the extent permitted by South African law. If one or more Parties prevail on all or substantially all of the claims of any arbitration proceedings under this Clause 7, the other Party or Parties not prevailing shall pay all fees and expenses of the arbitrators, the ICC and of such prevailing Party or Parties, including such Party's or Parties' reasonable attorneys' fees. Any monetary award made hereunder shall be made in Dollars and payable free of any tax or other deduction, and shall include (i) interest from the date of any breach or other violation of this Agreement to the date on which such award is paid at a fair rate determined by the arbitrators and (ii) any additional amounts necessary to compensate the Party or Parties to whom such award is made pursuant to this Clause for any taxes imposed on such Party or Parties or its or their owners with respect to such amount (except for income taxes payable with respect to any such award that is paid to satisfy a claim for amounts which, if paid as and when due as claimed, would have constituted taxable income to such Party or Parties).
- (11) In any arbitration proceeding under this Clause 7, the arbitrators shall be authorised to order specific performance of any obligations arising under this Agreement.
- (12) This Clause shall not preclude any Party from obtaining relief by way of motion proceedings on an urgent basis or from instituting any interdict, injunction or any similar proceedings in any court of competent jurisdiction in order to preserve the subject matter of the arbitration or the availability of effective relief pending the decisions of the arbitrators. Notwithstanding anything contained in the Rules to the contrary, the Parties shall not be restricted from making any disclosures required by law or enforceable legal process, or by the rules of any securities exchange or regulatory authority having jurisdiction over any such Party.

disclosure, to limit, to the maximum extent reasonably possible, the scope of such disclosure and to obtain confidential treatment by the recipient of such disclosure.

15 Assignment

Subject to Clause 16 below, this Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns, but neither this

Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the Parties except as follows:

- (2) the SEP may do so only with the prior written consent of Telkom;
and
- (3) SBCI-MSI and TMS, respectively, may do so only with the prior written consent of the SEP.

16 Subcontracting

The SEP and each Personnel Provider may subcontract any part of the Strategic Services to any person which is and remains an owner of the SEP or an Affiliate of such owner and, with the consent of Telkom, to a third party supplier. Any such sub-contracting shall not relieve the SEP from its responsibility to provide (or arrange for the provision of) the Strategic Services for which it shall remain primarily liable.

17 Waiver of Sovereign Immunity

The Parties recognise and acknowledge that this Agreement and the transactions contemplated by this Agreement constitute a commercial transaction. To the extent that any Party (including the assignee of a Party's rights or obligations under this Agreement) may be entitled, in any jurisdiction, to claim sovereign immunity or any other immunity, as the case may be, from the jurisdiction of any court or arbitral tribunal, or from any legal process, including but not limited to any order, attachment, judgment or award, such Party hereby irrevocably agrees not to claim or assert, and hereby irrevocably waives, such sovereign or other immunity. The Parties intend the foregoing waiver of sovereign immunity to be no less broad than any waiver permitted by the State Immunity Act of 1978 of Great Britain.

18 Force Majeure

None of the SEP, SBCI-MSI, TMS or any other Personnel provider shall have any liability for any failure or delay in complying with any provision of this Agreement if, and to the extent and for so long as, that compliance is prevented or substantially hindered by any act of God, government, flood, tempest, severe weather conditions, war (whether declared or not), civil disturbances, revolution, riot, insurrection, other natural disasters, act of terrorism, sabotage, strike, failure to acquire any Permit, labour dispute, other public emergencies or any other cause whatsoever which is substantially beyond the control of the SEP, SBCI-MSI, TMS or any other Personnel Provider, as applicable.

21 Waiver

None of the terms of this Agreement shall be deemed to have been waived by any Party unless such waiver is in writing and signed by that Party. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any provision of this Agreement or of any further breach of the provisions so waived. No extension of time for the performance of any obligation or act hereunder shall be deemed to be an extension of time for the performance of any other obligation or act.

22 Amendments and Modifications

This Agreement may not be modified, amended, cancelled or changed in any respect except in writing by a person who is authorised to do so by the board or similar governing authority of the Parties against whom such modification, amendment, cancellation or change is sought.

EXTRACT FROM MINUTES OF
DIRECTORS MEETING, NO 2 OF 1997,
HELD IN THE BOARD ROOM, TELKOM TOWER NORTH,
152 PROES STREET, PRETORIA, ON 14 MARCH 1997

3.2 Resolution to complete SEP transaction (Item 7.2 of agenda)

As part of the SEP process, Telkom obtained a legal opinion from Deneys Reitz Attorneys on the legality of the SEP transaction. A similar opinion was obtained by the Ministry from Edward Nathan & Friedland (Michael Katz).

The two opinions were contrary to each other and the Board was posed with the question whether the transaction should in the circumstances go ahead.

It was unanimously AGREED by the Board that the transaction should be concluded. The decision was also supported by the advisors, Charles Manby and Neil Thomas.

The Chairperson tabled the resolution document which addressed the conclusion of the SEP transaction.

The Board subsequently RESOLVED that

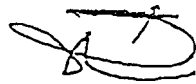

- the investment by SBC Communications and Telekom Malaysia, through Thintana Communications LLC (a United States limited liability company and referred to below as the "SEP"), for a 30% interest in the Company (the "Transaction") broadly on the terms described to the meeting be APPROVED IN PRINCIPLE, insofar as the Transaction relates to matters to be approved and/or effected by the Company;
- in connection with the Transaction, the subscription by the Ministry of shares in the Company and the subsequent transfer of those shares to the SEP be APPROVED, subject to the approval of shareholders of the necessary capital increase and of the grant of authority to allot such shares and to the allotment on closing of the Transaction;
- each of the Share Transfer Agreement, Disclosure Schedule, Shareholders Agreement and Strategic Services Agreement (together the "Agreements") be in principle APPROVED, subject to any further modifications, amendments or variations which the Chairperson on behalf of the Directors may approve (it being recognised that such variations may include a restructuring of the Share Transfer Agreement into a share transfer agreement and a separate subscription agreement) and that the Chairperson,

whom failing any other Director, be AUTHORISED to sign and execute each or any of the Agreements and any other documents relating to the Agreements which are required to implement the Transaction and to do all such things on behalf of the Company as may be required in connection with the Transaction and the Agreements to complete the investment by SBC Communications and Telekom Malaysia; and.

- this resolution can only be revoked or amended with the approval of the Shareholders.

CERTIFIED a true copy.

**WRITTEN RESOLUTIONS OF ALL THE DIRECTORS
OF TELKOM SA LIMITED**

We, the persons whose names appear below and who have signed this document (or other documents in the same form), are all the Directors of Telkom and we hereby unanimously resolve that the following resolutions are passed as written resolutions in accordance with article 19.1 of the articles of association of Telkom and agree that they shall be as valid and effective as if they had been passed at a meeting of the Board duly convened and held:

1. Words and expressions defined in the Shareholders' Agreement (as defined in the Share Transfer Agreement referred to below) shall have the same meanings in these resolutions as those ascribed to them in the Shareholders' Agreement, unless the context should otherwise require.

- 2. Share Transfer Agreement and Ancillary Documents**
 - 2.1 It is noted that the Share Transfer Agreement which provides for the acquisition by a Strategic Equity Partner of 30% of the company's issued share capital was duly entered into on 26 March 1997 among the Minister for Posts, Telecommunications and Broadcasting of the Government of the Republic of South Africa (the "Minister") as vendor, the Company ("Telkom") and Thintana Communications LLC (the "SEP") as purchaser; and that the Closing (as defined in the Share Transfer Agreement) of the transactions under the Share Transfer Agreement is due to take place once the conditions precedent set forth therein are satisfied (which the board has been informed is expected to occur in May).

 - 2.2 It is further noted that in connection with the execution of the Share Transfer Agreement, certain letters of undertaking were

entered into by Telkom. Copies of such letters have been made available for inspection by the Board.

- 2.3 A copy of the Share Transfer Agreement with its appendices has been made available to the Board, including (i) Appendix E which sets out the form of the Shareholders' Agreement and (ii) Appendix F which sets out the form of the Strategic Services Agreement. It is further noted that the Shareholders' Agreement will be entered into among the same three parties at the Closing of the transactions under the Share Transfer Agreement, and the Strategic Services Agreement will be entered into between Telkom and the SEP (and such additional parties as contemplated by clause 6(3) of such Agreement) at the Closing of the transactions under the Share Transfer Agreement.
- 2.4 It is further noted that, in accordance with the requirements of the Share Transfer Agreement, the new Memorandum and Articles of Association (the "Articles"), the form of which is set out in Appendix A to the Share Transfer Agreement, were adopted by Telkom and registered with the Registrar of Companies in accordance with the requirements of the Companies Act of 1973 on 29 April, 1997, and are therefore in force. It is noted that the adoption of the Articles and the filing thereof with the Registrar of Companies was authorised by the Minister as Telkom's sole shareholder by written consent dated 29 April 1997 (the "**Shareholder Consent**").
- 2.5 It is further noted that, in furtherance of the Closing of the transactions under the Share Transfer Agreement, pursuant to the Shareholder Consent the Minister authorised a consolidation and

recapitalisation of the share capital of Telkom (collectively, the "Capital Reorganisation"), which was consummated as follows:

- (a) On 29 April, 1997, Telkom allotted and issued two (2) additional ordinary par value shares to the Minister such that, upon the issuance thereof, the Minister owned 3,899,222,730 ordinary par value shares;
- (b) On 29 April, 1997, Telkom consolidated its existing share capital consisting of 5,000,000,000 authorised and 3,899,222,730 issued ordinary par value shares of R1.00 each such that, after the consolidation, Telkom's share capital consisted of 500,000,000 authorised and 389,922,273 issued ordinary par value shares of R10.00 each; and
- (c) On 29 April, 1997, Telkom increased its authorised share capital (effective upon the filing of the Articles as described in 2.4 above) from R5,000,000,000 consisting of 500,000,000 ordinary par value shares of R10.00 each to R10,000,000,000 consisting of 1,000,000,000 ordinary par value shares of R10.00 each.

2.6 It is further noted that article 15.1 of the new Articles which provides that:

"Notwithstanding anything to the contrary anywhere in these Articles, the Directors shall be obliged, so far as may be permitted by law, to act in accordance with and give effect to any

Shareholders Agreement in respect to all matters within the authority of the Board under these Articles and the Statutes."

- 2.7 In any event the Board considers, and it hereby unanimously resolves that it is in the best interests of Telkom that it co-operate in ratifying and approving the transactions contemplated by the Share Transfer Agreement by, among other things, (a) establishing an Operating Committee, a Human Resources Review Committee, an Audit Committee and a Remuneration Committee, adopting and implementing the Management Structure (including the appointment of SEP Appointments) and adopting and implementing the Schedule of Authorisations all as required in terms of the Shareholders' Agreement and the Articles, (b) recommending the Permitted Dividend and (c) authorising all the other matters required of Telkom for the Closing of the Share Transfer Agreement and for compliance with the Shareholders' Agreement, the Strategic Services Agreement and each other Transaction Document.

- (c) The CEO shall be the chairperson of the Operating Committee.
- (d) If any member of the Operating Committee is at the same time a Director of Telkom, then, unless otherwise expressly resolved by the Board in these resolutions, the alternate of such member appointed in terms of the Articles shall be permitted to exercise all rights, duties and functions (including, without limitation attend meetings of the Operating Committee and act and vote at such meetings and to sign written resolutions) of such member in respect of the Operating Committee, to the same extent as such alternate is entitled to exercise the rights, duties and functions of such member in respect of the Board under the Articles.

- (c) It is noted that the authority conferred on the Operating Committee pursuant to this resolution may not be revoked and that any decisions or actions made or taken by the Operating Committee under that authority may not be countermanded, amended or supplemented by the Board otherwise than in accordance with the provisions of the Shareholders' Agreement and the Articles. It is resolved that Telkom and the Board comply with the foregoing.
- (d) It is further noted that under the Shareholders' Agreement and the Articles, the authority conferred on the Operating Committee is subject to certain rights of the members of

Telkom in respect of matters reserved for the approval of certain members. It is also noted that under the Shareholders' Agreement and the Articles, certain matters within the authority of the Operating Committee are reserved for the approval of the nominees of certain members on such committee. It is resolved that the authority of the Operating Committee be subject to and limited by such provisions of the Shareholders' Agreement and the Articles.

3.3 Meetings of the Operating Committee

All of such non-executive Directors shall remain as voting members of the HRRC unless and until they resign or are removed and/or replaced. The SEP shall have the right to remove and replace its nominee at any time and from time to time by notice to Telkom. Such removal and replacement shall be deemed effective and approved by the Board upon receipt of such notice.
- (b) The chairperson of the HRRC shall be the Chairperson of Telkom for the time being. In the absence of the Chairperson of Telkom, a non-executive Director nominated by the Minister shall chair the HRRC.

It is resolved that Telkom and the Board comply with such requirements of the Shareholders' Agreement.

- (c) It is noted that the authority conferred on the HRRC pursuant to this resolution may not be revoked and that any decisions or actions made or taken by the HRRC under that authority may not be countermanded, amended or supplemented by the Board otherwise than in accordance with the provisions of the Shareholders' Agreement and the Articles. It is resolved that Telkom and the Board comply with the foregoing.

- (d) It is noted that under the Shareholders' Agreement and the Articles, the authority conferred on the HRRC is subject to certain rights of the members with respect to matters reserved for the approval of such members.
