**Re: iShares COMEX Gold Trust
Form 10-K for Fiscal Year Ended December 31, 2007
Filed February 27, 2008
File No. 1-32418**

Dear Mr. Kranefuss:

We have reviewed your filing and have the following comments. Please provide a written response to our comments. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note that the Trust is a pass through entity for tax purposes. Please amend your filing to include a discussion of the tax consequences that would be material to an investor.

Exhibits

2. We refer you to Instruction 1 to Item 601 of Regulation S-K. It appears that you endeavor to incorporate by reference a number of exhibits that were filed in incomplete form in prior filings with the Commission. As Instruction 1 makes clear, you may not incorporate by reference such incomplete versions of the documents. Accordingly, please amend to file the final, complete version of each such exhibit that is incomplete.

Signatures

3. Please amend your filing to provide the signature of your principal accounting officer or controller. Please see General Instruction D to Form 10-K.

Closing Comments

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
