

FOR IMMEDIATE RELEASE

MMRGlobal's Board of Directors Seat Open

Los Angeles, California (October 8, 2010) - [MMRGlobal, Inc.](#) (OTCBB: MMRF - News) (the "Company") today announced that David A. Boyden, a member of MMRGlobal's Board of Directors (the "Board") since January 2009, has notified the Company of his intent to resign from the Board, effective today. There were no disagreements between the Company and Mr. Boyden which led to his decision to resign.

"Dave joined the Board at the request of the pre-merger Faville, Inc. Board of Directors and has contributed to the Company's efforts in the exploitation of its biotech assets. He is not resigning due to disagreements with the Company or its officers over operations, policies or practices," said Robert H. Lorsch, MMRGlobal Chairman and CEO. "We appreciate Dave's many contributions to the Company since the merger and I will miss his involvement. The Company plans on a search for a replacement director with expertise in biotech, insurance or banking."

About MMRGlobal, Inc.

MMR Global, Inc., through its wholly-owned operating subsidiary, MyMedicalRecords, Inc. ("MMR"), provides secure and easy-to-use online Personal Health Records ("PHRs") and electronic safe deposit box storage solutions, serving consumers, healthcare professionals, employers, insurance companies, financial institutions, and professional organizations and affinity groups. MyMedicalRecords enables individuals and families to access their medical records and other important documents, such as birth certificates, passports, insurance policies and wills, anytime from anywhere using the Internet. The MyMedicalRecords Personal Health Record is built on proprietary, patented technologies to allow documents, images and voicemail messages to be transmitted and stored in the system using a variety of methods, including fax, phone, or file upload without relying on any specific electronic medical record platform to populate a user's account. The Company's professional offering, MMRPro, is designed to give physicians' offices an easy and cost-effective solution to digitizing paper-based medical records and sharing them with patients in real time through an integrated patient portal. MMR is an Independent Software Vendor Partner with Kodak to deliver an integrated turnkey EMR solution for healthcare professionals. MMR is also an integrated service provider on Google Health.
