CREATIS CAPITAL, LLC
Notes to Financial Statements
For the year ended December 31, 2017

1. Organization and Business

Creatis Capital LLC (f/k/a Northwinds Advisors LLC) (the “Company”) is a wholly owned limited liability company of Creatis LLC. The Company is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”) under rule 15c3-3(k)(2)(i) and is a member of the Financial Industry Regulatory Authority (“FINRA”) and Security Investors Protection Corporation (“SIPC”). Effective January 30, 2015, Northwinds Renewables LLC sold all its interests in the Company to Creatis LLC and Northwinds Advisors LLC underwent a name change to Creatis Capital LLC.

The Company engages in the private placement of securities. The Company engages in the distribution of private offerings of limited partnerships and other similarly structured instruments. On July 15, 2015 FINRA approved the Company to expand its business into mergers and acquisitions advisory services. Pursuant to SEC Rule 15c3-3(k)(2)(i) (the Customer Protection Rule) Creatis Capital LLC does not hold any customer funds or safekeep customer securities.

2. Summary of Significant Accounting Policies and Basis of Presentation

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue

All revenues will be recorded as earned.

Cash

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. As of December 31, 2017, there were no cash equivalents.

Income Taxes

The Company is a single member limited liability company, and as such, is treated as a disregarded entity by the Internal Revenue Code (“IRC”). The IRC provides that any income or loss is passed through to the ultimate beneficial member for federal and state income taxes. Accordingly, the Company has not provided for federal and state income taxes.

The Company is not required to file an income tax return as it is a disregarded entity for federal tax purposes. The Parent of the Company is a single member limited liability company, and as such the income is reported directly to the single member owner. Accordingly, no provision is made for income taxes in the financial statements.

2. Summary of Significant Accounting Policies and Basis of Presentation (Continued)

Income Taxes (Continued)

The Company has adopted the uncertainty in income tax accounting standard. This standard provides applicable measurement and disclosure guidance related to uncertain tax positions. Adoption of this standard has had no effect on the Company's financial statements. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to and including 2014.

At December 31, 2017, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

New Accounting Pronouncements

In May 2014, the Financial Accounting Standards Boards (FASB) issued a new accounting pronouncement regarding revenue recognition effective for 2018. Management is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

In February 2016, the FASB issued a new accounting pronouncement regarding lease accounting for reporting periods beginning after December 15, 2019. A lessee will be required to recognize on the balance sheet the assets and liabilities for leases with lease terms of more than 12 months. Management is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

3. Regulatory Requirement

The Company is subject to SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital both as defined, shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of \$9,798 which exceeded the required net capital by \$4,798.

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 as the Company does not hold customers' cash or securities.

4. Recent Regulatory Developments

In July 2013, the U.S. Securities and Exchange Commission ("SEC") adopted amendments to its broker-dealer reports rules, which will now require, among other things, that audits of all SEC registered broker-dealers be conducted under Public Company Accounting Oversight Board (PCAOB). PCAOB standards for fiscal years ending on or after June 1, 2015, will effectively replace the American Institute of Certified Public Accountants with the PCAOB as the auditing standard-setter for auditors of broker-dealers, and replacing Generally Accepted Auditing Standards with PCAOB standards for broker-dealers that are subject to audit. Broker-dealers will be required to file either compliance reports or exemption reports, as applicable, and file reports of independent public accountants covering compliance reports or exemption reports (prepared in accordance with the PCAOB standards). Additionally, effective December 31, 2015, if a broker-dealer is a SIPC member firm, the broker-dealer's audited financial statements will also be required to be submitted to SIPC, and broker-dealers will be required to file a new quarterly Form Custody.

4. Recent Regulatory Developments (Continued)

In addition, SEC adopted amendments to various financial responsibility rules. For a broker-dealer such as the Company, these amendments were mostly technical in nature and effectively ratified various interpretive and no-action positions taken by SEC staff over many years or which conformed to existing practices or self-regulatory organization rules.

Management has evaluated the implications of the amendments to the broker-dealer reports and the financial responsibility rules and does not expect that the adoption of the amendments will have a material impact on the Company or its financial statements.

5. Risks and Concentrations

The Company maintains all cash in a major bank, which at times, may exceed Federal insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

6. Subsequent Event

The Company has performed an evaluation of subsequent events through February 28, 2018, the date of the financial statements were issued.
