General

1. We note your response to our prior comments. To the extent that future documents filed or furnished with the SEC include reference to “green bonds”, “green notes” or a “green finance framework”, confirm your understanding that you will include definitions of these terms or tell investors where such information can be located. For example, we note that you reference your green finance framework without further description in your recent Form 10-Q for the quarter ended June 30, 2022, in stating that you intend “to allocate an amount equivalent to the net proceeds from this offering to finance and/or refinance, in whole or in part, one or more eligible green projects in accordance with the Company’s Green Finance Framework.”
