1. Please confirm to us that ADR reflects the average daily rate actually paid for occupied rooms and thus excludes complimentary rooms.

Financial Statements

Consolidated Statements of Cash Flows, page 69

2. Please disclose a breakdown of your capital expenditures between amounts paid to develop new projects and redevelopment activities.

Notes to Consolidated Financial Statements

Note 1 – Organization and Business of Company

Development Projects, page 71

3. Please provide us with an update on the status of your delayed projects, particularly the project located on parcels 7 and 8 of the Cotai Strip properties and the Las Vegas Condo Tower project. Given the continued construction delays, explain to us how you determined the projects were not impaired as of December 31, 2011.

4. We note your disclosure that you cease capitalization of interest on suspended construction projects when construction has been delayed for more than a brief period. Please clarify for us how you define “a brief period” in this context. In your response, tell us whether you currently have any delayed construction projects for which you continue to capitalize interest and the amount of interest capitalized during the current period and since the onset of the construction delays.

Note 13 – Mall Sales

The Shoppes at The Palazzo, page 99

5. Please provide us with a more detailed description of the terms of your settlement with GGP regarding the sale of The Shoppes at The Palazzo. In your response, please include a more detailed discussion of how you are accounting for the transaction with reference to the accounting literature relied upon to reach your conclusions.

Note 16 – Employee Benefit Plans, page 106

6. We note your disclosure that the company is self-insured for health care and workers compensation benefits for its U.S. employees. Please disclose a roll forward of your insurance claims for each year presented. The roll forward should include the amount of incurred claims, any changes in the provision for prior year events, and the amount of payments made.
