Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Results of Operations, page 55

1. We have reviewed your response to prior comment two. Please tell us management's basis for determining that the reclassification of the trust preferred debt does not violate Item 10(e)(1)(ii)(A). It would appear that management uses this non-GAAP measure as a liquidity measure and the trust preferred securities are liabilities that would require cash settlement. Additionally, please tell us the nature and terms of these securities that management believes would make it more appropriate to classify them as equity.

2. We have considered your response to our prior comment five. We are unclear how you have provided all the required disclosures for share based compensation in accordance with paragraphs 64, and A240-A241 of SFAS 123(R), specifically disclosures related to the fair value of equity instruments granted. Please tell us where you have included the required disclosures, or provide us with an example of any proposed disclosure to be included in future filings.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please file your response letter on EDGAR. You may contact Robert Telewicz, Senior Staff Accountant at (202) 551-3438, Jennifer Monick, Staff Accountant at (202) 551-3295, or the undersigned at (202) 551-3629 if you have questions.

Sincerely,

Kevin Woody
