FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2006

Financial Statements and Notes

Note 1 – Organization and Description of Business and Basis of Presentation, page 49

1. We note from your disclosure on page 32, that Black Trust obtained a majority interest in B&BB and VRCC as part of the December 20, 2004 transaction. We also note that the financial statements have been prepared as if the reorganization of entities under common control took place as of the beginning of the periods presented. If these entities were not controlled by Black Trust for all of fiscal year 2004, please advise us your basis for presenting the financial statements on a consolidated basis for the portion of 2004 in which you did not have common control.

Note 15 – Guarantor Financial Information

2. Your presentation of the condensed consolidating financial information does not include a separate column for each issuer, RGB, LLC and B&BB, Inc., as represented in your correspondence with the Commission dated June 5, 2006. Tell us how you considered Rule 3-10(d) of Regulation S-X in determining that your presentation was appropriate.

Certifications

3. We note that the identification of the certifying individual at the beginning of the certification required by Exchange Act Rule 13a-14(a) also includes the title of the certifying individual. Considering that the certifications must be signed in a personal capacity, please confirm to us that your officers signed such certifications in a personal capacity and that you will revise your certifications in future filings to exclude the title of the certifying individual from the opening sentence.

Since the company and its management are in possession of all facts relating to a company's disclosures, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that

- the company is responsible for the adequacy and accuracy of the disclosures in the filings;
