Financial Statements

Note 1 - Organization, page 26

1. We note your disclosure stating that "...effective April 30, 2007, the Company completed a merger with its subsidiary PetroSouth Energy Corp..." and "...on October 2, 2007, the Company completed the acquisition of all of the issued and outstanding common stock of PetroSouth Energy Corp..." Please expand your

disclosure to clarify the date that the acquisition was considered effective and the date that you started consolidating PetroSouth in your financial statements.

2. We further note your disclosure stating that you completed a merger with West Canyon Energy Corp. effective April 11, 2008. Please expand your disclosure to discuss your merger in more details, including but not limited to the reasons for the merger, the assets and liabilities exchanged, the consideration paid or received including the type, number and percentage of any shares issued, and how you accounted for the merger.

Note 2 – Summary of Significant Accounting Policies, page 26

g) Accounting for Oil and Gas Properties, page 27

3. We note you disclose that you use the full cost method of accounting for oil and gas properties. Please expand your disclosure to discuss the limitation on your capitalized costs (i.e. the ceiling test), noting the guidance in Rule 4-10(c)(4) of Regulation S-X.

Note 4 – Unproved Interest, page 33

4. Please provide the disclosure required under Rule 4-10(c)(7)(ii) of Regulation S-X, including the current status of unproved properties for which costs are excluded from amortization, the anticipated timing of the inclusion of such costs in amortization, and a table indicating the nature of costs by category and identifying the periods in which the costs were incurred.

Common Stock, page 34

5. As presented in your Consolidated Statements of Stockholders' Equity on pages 24 and 25, the per share amounts mentioned in the captions for the common stock issuances in January, June and September 2005 do not appear to reflect the effect of your stock split, and the per share amount for the 1,500,000 common shares issued for services on June 23, 2008 appears to be about \$0.21 instead of the reported \$1.00. Please revise accordingly.
6. Please expand your disclosure to state the reasons for your ten for one split on April 30, 2007, and to state that the number of shares issued and the per share amounts for all common stock issuances that occurred since inception through June 30, 2008 as presented in your financial statements have been retroactively restated to show the effect of the split, if true.

Controls and Procedures, page 39

Management's Report on Internal Control over Financial Reporting, page 39

7. We note your disclosure concluding that as of June 30, 2008, your internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with US generally accepted accounting principles.

Please note the term *internal control over financial reporting* also includes the policies and procedures that are set forth in Exchange Act Rule 13a-15(f) and 15d-15(f).

Please expand your conclusion regarding the effectiveness of your internal control over financial reporting to encompass the entire definition. Alternatively, remove the partial definition from your conclusion.

Exhibits 31.1 and 31.2 – Certifications

8. Please revise your certifications to add reference to internal control over financial reporting in the introductory language of paragraph 4 to comply with Item 601(b)(31) of Regulation S-K.

Form 10-Q for the Quarter Ended December 31, 2008

Common Stock, page 15

9. We note that the per share amounts listed for various common stock issuances that occurred since inception through December 31, 2008, as presented in your Consolidated Statements of Stockholder's Equity on pages 6 and 7, do not reflect the effect of your reverse stock split that occurred on November 7, 2008. Please revise accordingly.
10. Please expand your disclosure to state the reasons for your five for one reverse stock split on November 7, 2008, after having done your ten for one split on April 30, 2007. In addition, please state that the number of shares issued and the per share amounts for all common stock issuances that occurred since inception through December 31, 2008 as presented in your financial statements have been retroactively restated to show the effect of the splits, if true.
