**Material Change Report**

**Item 1: Name and Address of Company**

PEDIMENT EXPLORATION LTD.  
Suite 720-789 West Pender Street  
Vancouver, British Columbia V6C 1L6  
(the "Company")

**Item 2 Date of Material Change**

November 26, 2007.

**Item 3 News Release**

The news release was disseminated on November 26, 2007 by way of Stockwatch.

**Item 4 Summary of Material Change**

The Company announces an increase of the unit private placement.

**Item 5 Full Description of Material Change**

5.1 Full Description of Material Change

The Company announces that it is increasing the number of Units offered under the private placement first announced in its November 2, 2007 news release. The Company now plans to sell by way of a private placement 5,854,300 Units (an increase of 604,300 Units) at a price of \$3.00 per Unit for gross proceeds of \$17,562,900 (the "Offering"). As originally announced, each Unit will comprise one common share and one-half of one warrant (2,927,150 warrants), and each whole warrant will be exercisable to acquire one additional common share of the Company at a price of \$3.75 per share for a period of 18 months from the closing date. The other terms of the Offering remain unchanged. The completion of the Offering is subject to acceptance for filing by the TSX Venture Exchange.

**Forward-Looking Statement Cautions:**

This material change report contains certain "forward-looking statements", as defined in the United States Private Securities Litigation Reform Act of 1995, and within the meaning of Canadian securities legislation, relating to a proposed 5,854,300 unit private placement. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are statements that are not historical facts; they are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "aims," "potential," "goal," "objective," "prospective," and similar expressions, or that events or conditions "will," "would," "may," "can," "could" or "should" occur, or are those statements, which, by their nature, refer to future events. The Company cautions that Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. The Company undertakes no obligation to update these forward-looking statements if management's beliefs, estimates or opinions, or other factors, should change. Factors that could cause future results to differ materially from those anticipated in these forward-looking statements include, the Company's inability to secure subscriptions from investors or the stock exchange approvals necessary to complete the proposed financing in whole or in part, and other risks associated with the Company's mineral exploration and development business. The reader is urged to refer to the Company's reports, publicly available through the Canadian Securities Administrators' System for Electronic Document Analysis and Retrieval (SEDAR) at [www.sedar.com](http://www.sedar.com), and the U.S.

Securities and Exchange Commission's Electronic Data Gathering and Retrieval (EDGAR) System at [www.sec.gov](http://www.sec.gov), for a more complete discussion of such risk factors and their potential effects.

The news release was disseminated on December 3, 2007 by way of Stockwatch.

**Item 4 Summary of Material Change**

The Company has completed a private placement of 5,849,300 units for gross proceeds of \$17,547,900.

**Item 5 Full Description of Material Change**

5.1 Full Description of Material Change

The Company has closed its private placement of 5,849,300 units (the "Units") for gross proceeds of \$17,547,900, as announced by the Company on November 2 and November 26, 2007 (the "Private Placement").

Each Unit consists of one common share in the capital of the Company and one-half of one share purchase warrant with each whole warrant entitling the holder to purchase one additional common share in the capital of the Company at a price of \$3.75 per share until June 3, 2009.

In connection with the Private Placement, the Company paid to six registered dealers as finder's fees an aggregate of \$425,520 and issued 101,000 Units (at a deemed issue price of \$3.00 per Unit) and 262,215 finders' warrants. Each finder's warrant is exercisable to acquire one common share of the Company at a price of \$3.80 per share until June 3, 2009, and each Unit has the same terms as the Units described above.

The insider subscriber group consisted of three members: Gary Freeman, Michael Halvorson and Chris Theodoropoulos who subscribed for an aggregate of 140,000 Units. All securities issued under the Private Placement are subject to a four-month hold period and are not tradable in Canada until April 4, 2008.

The Company plans to use the net proceeds of the Private Placement to further the Company's San Antonio gold exploration project in Baja, Mexico, the newly acquired La Colorada project in Sonora, Mexico, additional acquisitions and general corporate purposes.

**Forward-Looking Statement Cautions:**

This material change report contains certain "forward-looking statements", as defined in the United States Private Securities Litigation Reform Act of 1995, and within the meaning of Canadian securities legislation, relating to the use of proceeds from the closing of a 5,849,300 unit private placement. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are statements that are not historical facts; they are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes,"

“intends,” “estimates,” “projects,” “aims,” “potential,” “goal,” “objective,” “prospective,” and similar expressions, or that events or conditions “will,” “would,” “may,” “can,” “could” or “should” occur, or are those statements, which, by their nature, refer to future events. The Company cautions that Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. The Company undertakes no obligation to update these forward-looking statements if management’s beliefs, estimates or opinions, or other factors, should change. Factors that could cause future results to differ materially from those anticipated in these forward-looking statements include, a management decision to change the use of proceeds based on changing circumstances, the volatility of metals prices, the possibility that exploration efforts will not yield economically recoverable quantities of metals, accidents and other risks associated with mineral exploration and development operations, the risk that the Company will encounter unanticipated geological factors, the Company’s need for and ability to obtain additional financing, the possibility that the Company may not be able to secure permitting and other governmental clearances necessary to carry out the Company’s exploration and development plans, and other risks associated with the Company’s mineral exploration and development business. The reader is urged to refer to the Company’s reports, publicly available through the Canadian Securities Administrators’ System for Electronic Document Analysis and Retrieval (SEDAR) at [www.sedar.com](http://www.sedar.com), and the U.S. Securities and Exchange Commission’s Electronic Data Gathering and Retrieval (EDGAR) System at [www.sec.gov](http://www.sec.gov), for a more complete discussion of such risk factors and their potential effects.
