Where indicated, we think you should revise your document in response to these comments. If you disagree with a comment, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Comments Applicable to All DB Funds

Form 10-K for the fiscal year ended December 31, 2009

Item 7. Management’s Discussion & Analysis of Financial Condition and Results of Operations

Liquidity

1. We note your response to comment 3 in our letter dated January 20, 2010; however, we continue to believe that it would be helpful to disclose the information previously requested regarding margin requirements. We understand your view that the requested disclosure relates to the functioning of the future markets and their settlement systems, and we continue to believe that such information would be useful to an investor’s understanding of your business and your industry. Please confirm that you will provide this disclosure in future filings and tell us how you plan to comply.

Item 8. Financial Statements and Supplementary Data

Financial Statements

2. We note your response to comment 5 in our letter dated January 20, 2010. As the Fund and Master Fund are separate registrants, we continue to believe that separate financial statements for both the Fund and the Master Fund are required. Please amend your Form 10-K for the fiscal year ended December 31, 2009 and your Form 10-Q for the fiscal period ended March 31, 2010 to provide such separate financial statements.

Item 9A. Controls and Procedures

3. We note your response to comment 6 in our letter dated January 20, 2010. Please amend your Form 10-K for the fiscal year ended December 31, 2009 to clarify that for purposes of the disclosure under Item 9A, references to the "Fund" include both the Fund and the Master Fund. Provide similar clarification in Item 4 of your Form 10-Q for the fiscal period ended March 31, 2010.

Certifications

4. We note your response to comment 8 in our letter dated January 20, 2010. Considering our comment above with respect to separate financial statements, please include separate certifications for the Fund and the Master Fund with the amendments to your Form 10-K for the fiscal year ended December 31, 2009 and Form 10-Q for the fiscal period ended March 31, 2010.

Comment Specifically Directed to PowerShares DB US Dollar Index Trust and DB US Dollar Index Master Trust

5. We note your response to comment 9 in our letter dated January 20, 2010. Please amend your Form 10-K for the fiscal year ended December 31, 2009 and your Form 10-Q for the fiscal period ended March 31, 2010 to include disclosure regarding controls and procedures at the Trust and Master Trust levels and file separate certifications for these registrants.
