Dear Mr. Wee:

We have limited our review of your filing to the financial statements and related disclosures and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Form 10-K for the period ended July 30, 2020

Report of Independent Registered Public Accounting Firm, page F-1

1. Note 5 of the notes to the financial statements discloses a going concern and page 6 refers to a going concern opinion of the auditor. However, the audit report of Olayinka Oyebola & Co. does not include a going concern paragraph. Please have your auditors explain to us their consideration of PCAOB Auditing Standards 2415 regarding their conclusion about the company's ability to continue as a going concern.
2. We note the July 31, 2019 financial statements were audited by Total Asia Associates PLT. We also note exhibit 23 references inclusion of the report of these auditors; however, we are unable to locate the report in the filing. Please amend the filing to include the audit report of Total Asia Associates PLT.
