Form 10
Amended September 15, 2008
File No. 0-53255**

Dear Mr. Cassidy:

We have limited our review of your filing to the issue we have addressed in our comment. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Please file a quarterly report on Form 10-Q for the period ending June 30, 2008. If you do not believe a quarterly report is required to be filed, please explain in a supplemental letter.

As appropriate, please respond to this comment within 10 business days or tell us when you will provide us with a response.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
