Sheets was suspended in April 2020 and has not resumed full quotation. Also disclose if there are any additional steps that would need to be taken by the company or others prior to full quotation being restored.

Use of Proceeds , page 25

3. Please revise your Use of Proceeds section on page 25 to disclose a description of how you intend to use the proceeds received from the shares of common stock offered by the company and how you intend to raise additional funds if the proceeds from this offering are insufficient to cover the intended uses. Specifically, your discussion should show the amount of proceeds to be allocated for BXT-25 for the treatment of hypoxic conditions in the brain, and ProLectin-Rx for the treatment of Covid-19, assuming different amounts of proceeds raised and the number of shares sold, for example 100%, 75%, 50% and 25% of the shares offered for sale in this offering. This discussion should also include an estimate of how far you expect these proceeds will allow you to reach in the development process for each of the two products candidates.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

Please contact Dillon Hagius at 202-551-7967 or Tim Buchmiller at 202-551-3635 with any questions.

Sincerely,
