The Managers shall observe the following policies in connection with Company operations:

(a) The Company may not invest in or make Loans on any one property that would exceed, in the aggregate, an amount equal to 10% of the then total gross Offering proceeds. The Company may not invest in or make Loans to or from any one borrower that would exceed, in the aggregate, an amount greater than 10% of the then total gross Offering proceeds. The Company shall not make a Loan secured by unimproved Real Property, except in amounts and upon terms which can be financed by the Offering proceeds or from cash flow and provided investment in such unimproved Real Property shall not exceed 10% of the then total gross Offering proceeds. Properties shall not be considered unimproved if they are expected to produce income within a reasonable period of time after their acquisition, and for purposes hereof, two years shall be deemed to be presumptively reasonable.

(b) All Loans must be supported by an appraisal of the property which secures the loan, which shall be prepared by a competent, independent appraiser. The appraisal shall be maintained in the Company's records for at least five (5) years and shall be available for inspection and duplication by any Member. A mortgagee's or owner's title insurance policy or commitment as to the priority of a mortgage or the condition of title shall also be obtained with respect to each property that secures a Loan made by the Company or in which the Company holds a participation interest; in addition, Company Loans may be supported by a pledge of all ownership interests of the borrower.

(c) The Company shall not invest in real estate contracts of sale unless such contracts of sale are in recordable form and are appropriately recorded in the chain of title.

(d) The Manager shall not have the authority to incur indebtedness which is secured by properties or assets of the Company, except as specifically authorized in this Agreement.

(e) The Company may not at any time incur any indebtedness in excess of 50% of Members' capital.

(f) The Company shall not reinvest cash flow (other than any proceeds from the repayment or prepayment of a Loan or sale of Company property after foreclosure or other disposition of the Loan). At any time, any Member may elect to receive its pro rata share of any Loan principal repayments received by the Company after the seven year anniversary of the date that the Registration Statement is declared effective by the Securities and Exchange Commission by providing written notice to the Company of such election, and a portion of any Loan principal repayments received by the Company after its receipt of such notice that are required to be distributed to such electing Member shall be distributed to such electing Member.

(g) The Company shall maintain reasonable reserves for Company properties, in such amounts as the Manager in its sole and absolute discretion determines from time to time to be adequate, appropriate or advisable in connection with the operations of the Company, subject to compliance with applicable regulations and guidelines.

(h) The funds of the Company shall not be commingled with the funds of any other Person; provided, however, that the foregoing shall not prohibit the Managers from establishing a master fiduciary account pursuant to which separate subtrust accounts are established for the benefit of Affiliated Programs, if Company funds are protected from claims of such other Programs and/or creditors. The foregoing prohibition shall not apply to investments described in Section 11.17.

(i) The Managers shall not be authorized to enter into or affect any Roll-Up.

(j) The Company shall not give a Manager an exclusive right or employment to sell or otherwise dispose of Loans or other assets of the Company.

(k) The Company shall not provide Loans to Programs formed by or affiliated with the Company.

3.4 Requirements for Managers.

(a) Any Manager, or its chief operating officers, shall have at least two years of relevant real estate lending or other experience demonstrating the knowledge and experience to acquire and manage a diversified portfolio of mortgage loans on Real Property, and any of the foregoing or any Affiliate providing services to the Company shall have had not less than five years of relevant experience in the kind of service being rendered or otherwise must demonstrate sufficient knowledge and experience to perform the services proposed.

(b) The financial condition of any Manager liable for the debts of the Company must be commensurate with any financial obligations assumed in any public offering of limited liability interests in the Company and in the operation of the Company. At a minimum, the Managers shall collectively have an aggregate Net Worth of at least \$1 million. In determining Net Worth for this purpose, evaluation will be made of contingent liabilities and the use of promissory notes, to determine the appropriateness of their inclusion in computation of Net Worth.

3.5 No Personal Liability. The Managers shall have no personal liability for the original invested capital of any Member or to repay the Company any portion or all of any negative balance in their Capital Accounts, except as otherwise provided in Article 4.

3.6 Compensation to Managers. The Managers shall be entitled to be compensated and reimbursed for expenses incurred in performing their management functions in accordance with the provisions of Article 11 thereof, and may receive compensation from parties other than the Company.

3.7 Extent of Managers' Fiduciary Duty. The Managers have fiduciary responsibility for the safekeeping and use of all funds and assets of the Company, whether or not in the Managers' possession or control, and the Managers will not employ, or permit another to employ the Company's funds or assets in any manner except for the exclusive benefit of the Company. The Company shall not permit a Member to contract away the fiduciary duty owed to any Member by the Managers under common law.

3.8 Allocation of Time to Company Business. The Managers and their officers and employees shall not be required to devote full time to the affairs of the Company, but shall devote whatever time, effort and skill they deem to be reasonably necessary for the conduct of the Company's business. The Managers and their Affiliates may engage in any other businesses or activities, including businesses related to or competitive with the Company. Each Member acknowledges and agrees that the Managers have existing commitments to other entities and that such commitments will continue during the term of the Company and that new commitments will be entered into by the Managers during the term of the Company. The Managers and their shareholders, officers, employees and Affiliates currently and may in the future participate in the management of other funds or investments and are involved, and in the future may be involved, in other business ventures, which may give rise to potential conflicts of interests, all of which are hereby waived by the Members. The Company and the Members will have no claim to any income or profit derived from or any interest in such other business ventures or other activities.

3.9 Assignment by a Manager. A Manager's Interest (as defined in Section 3.10) in income, losses and distributions of the Company shall be assignable at the discretion of a Manager, which, if made, may be converted, at a Manager's option, into a Membership Interest to the extent of the assignment.

3.10 Manager's Interest. The Managers shall be allocated a total of one percent (1%) of all items of Company income, gains, losses, deductions and credits, which shall be shared among them in such proportion as mutually agreed by the Managers in their sole discretion. The Company and each Member hereby acknowledge and agree that a Manager's right to receive distributions pursuant to Section 5.5 ("Manager's Interest") is intended to constitute a "profits interest" in the Company within the meaning of Revenue Procedure 93-27, 1993-2 C.B. 343, or any successor Internal Revenue Service or Treasury Regulation or other pronouncement applicable. The Managers shall have the right to make a timely election under Code Section 83(b) with respect to such Managers' Interest. The Members agree that, in the event the Safe Harbor Regulation is finalized, the Company is authorized and directed to elect the Safe Harbor Election and the Company and each Member (including any person to whom a Membership Interest in the Company is transferred in connection with the performance of services) agrees to comply with all requirements of the safe harbor with respect to all Membership Interests in the Company if transferred in connection with the performance of services (including the Managers' Interest) while the Safe Harbor Election remains effective. The Tax Matters Partner shall be authorized to (and shall) prepare, execute, and file the Safe Harbor Election. Any transferee of a Membership Interest in the Company shall agree to be bound by this Section 3.10.

3.11 Removal of Manager. A Manager may be removed upon the following conditions:

(a) By affirmative vote or written consent of the Majority of the Members (excluding any Units or Percentage Interest of the Manager being removed). Members may exercise such right by presenting to the Manager a notice, with due verification of such vote or consent, to the effect that the Manager is removed; the notice shall set forth the grounds for removal and the date on which removal is to become effective;

(b) Concurrently with such notice or within thirty (30) days thereafter by notice similarly given, a Majority of the Members may also designate a successor as Manager;

(c) Substitution of a new Manager, if any, shall be effective upon written acceptance of the duties and responsibilities of a Manager by the new Manager and subject to the provisions of Section 7.1. Upon effective substitution of a new Manager, this Agreement shall remain in full force and effect, except for the change in the Manager, and business of the Company shall be continued by the new Manager.

If an additional Manager is elected by the affirmative vote or consent of the Majority of the Members, without the concurrence of the Managers, or if all or any one of the initial Managers is removed as a Manager by the affirmative vote or consent of the Majority of the Members, and a successor or additional Manager(s) is thereafter designated, and if such successor or additional Manager(s) begins using any other loan brokerage firm for the placement of Loans or the servicing of Loans, Redwood Mortgage Corp. will be immediately released from any further obligation under the Formation Loan (except for a proportionate share of the principal installment due at the end of that year, prorated according to the days elapsed.)

In the event that all of the Managers are removed, no other Managers are elected, the Company is liquidated and Redwood Mortgage Corp. is no longer receiving payments for services rendered, the debt on the Formation Loan shall be forgiven by the Company and Redwood Mortgage Corp. will be immediately released from any further obligation under the Formation Loan.

3.12 Withdrawal by a Manager. Without the affirmative vote or consent of the Majority of the Members, a Manager may not voluntarily withdraw as a manager of the Company unless such withdrawal would not affect the tax status of the Company and would not materially adversely affect the Members. Subject to the foregoing, a Manager may withdraw as manager of the Company upon not less than 90 days written notice of the same to all Members. The withdrawing Manager shall not be liable for any debts, obligations or other responsibilities of the Company or this Agreement arising after the effective date of the withdrawal. During the 90 day period described in this section, the Majority of the Members (excluding any Units or Percentage Interest of the withdrawing Manager), shall have the right, by affirmative vote or consent, to continue the business and, by the end of the 90 day period described in this section, elect and admit a new Manager who agrees to continue the existence of the Company.

3.13 Payment to Withdrawn or Removed Manager. Upon the retirement, removal or withdrawal of a Manager, the Company shall be required to pay the Manager in cash all amounts then accrued and owing to the Manager under this Agreement (including, without limitation, the asset management fee pursuant to Section 11.5 through the date of such termination). In addition, the Company shall terminate the Manager's Interest of such Manager in Company income, losses, distributions, and capital by payment of an amount equal to the then-present fair value of such interest, as determined by agreement of the Manager and the Company or, if they cannot agree, by arbitration in accordance with the then-current rules of the American Arbitration Association. The expense of arbitration shall be borne equally by the Manager and the Company. Payments made to the Manager pursuant to this Section 3.13 shall be in the form of a one-time cash payment, subject to the solvency and liquidity requirements of the Company.

3.14 Right of Third Parties to Rely on Managers. Any person dealing with the Company may rely (without duty of further inquiry) upon a certificate signed by the Managers as to:

- (a) The identity of any Manager or Member;
- (b) The existence or nonexistence of any fact or facts which constitute a condition precedent to acts by a Manager or which are in any further manner germane to the affairs of the Company;
- (c) The persons who are authorized to execute and deliver any instrument or document of the Company or to withdraw funds from any bank account of the Company; or
- (d) Any act or failure to act by the Company or any other matter whatsoever involving the Company or any Member or a Manager.

3.15 Sole and Absolute Discretion. Except as otherwise provided in this Agreement, all actions which any Manager may take and all determinations which any Manager may take and all determinations which any Manager may make pursuant to this Agreement may be taken and made at the sole and absolute discretion of such Manager.

3.16 Merger or Reorganization of the Managers. The following is not prohibited, will not cause a dissolution of the Company and will not require the consent or approval of the Members: (a) a merger or reorganization of any Manager or the transfer of all or any of the ownership interests in any Manager; and (b) the assumption of any or all of the rights and duties of any Manager by a person that is an Affiliate under the control of any of the Managers.

3.17 Delegation of Authority; Transactions with Managers or Affiliates. A Manager may contract with other persons and entities, including its Affiliates, to perform any of the Manager's duties for or on behalf of the Company, but such delegation shall not relieve the Manager of its responsibility for such duties. A Manager or any of its Affiliates may, directly or indirectly, render services to or otherwise deal with the Company in connection with carrying out the business and affairs of the Company, including the provision of leasing, brokerage, management, consulting or any other services to the Company (the Manager or any Affiliate thereof that is so providing services to the Company hereunder is referred to herein as a "Manager Provider"). The approval of the Members shall not be required for any such transaction with a Manager Provider, provided that the compensation payable to such Manager Provider in connection with such transaction is in the amounts disclosed in the Prospectus or is not substantially more than the compensation generally payable to unrelated third parties for the performance of similar services.

3.18 Exculpation of Managers and Affiliates. The Managers and their Affiliates shall have no liability whatsoever to the Company or to any Member, so long as a Manager or Affiliate determined in good faith, that the course of conduct which caused the loss or liability was in the best interests of the Company, and such loss or liability did not result from the gross negligence or willful misconduct of the Manager or Affiliate being held harmless.

3.19 Indemnification of Managers and Affiliates.

(a) The Company, its receiver or its trustee shall indemnify, defend, save and hold harmless the Managers, their Affiliates, the respective officers, directors, shareholders, trustees, members, constituent partners, managers, employees, attorneys, accountants and agents of each of the foregoing, and any securities broker or dealer for the Company (individually and collectively, the “Indemnified Party” or “Indemnified Parties”) from and against any and all claims, losses, costs, damages, liabilities and expenses of any kind whatsoever, including actual attorneys’ fees and court costs (which shall be paid as incurred) and liabilities under state and federal securities laws (to the fullest extent permitted by law) that may be made or imposed upon or incurred by any Indemnified Party by reason of any act performed (or omitted to be performed) for or on behalf of the Company or, or in furtherance of or in connection with the business of the Company, except for those acts performed or omitted to be performed by the party seeking indemnification hereunder which constitute fraud, willful misconduct or gross negligence. If any action, suit or proceeding shall be pending against the Company or any Indemnified Party relating to any such act performed (or omitted to be performed) for or on behalf of the Company by an Indemnified Party, such Indemnified Party shall have the right to employ, at the reasonable cost of the Company (subject to Section 3.19(d) below), separate counsel of such Indemnified Party’s choice in such action, suit or proceeding.

(b) The Company’s obligations to indemnify, defend and hold harmless under this Section 3.19 shall not obligate, or impose personal liability on, a Manager or Members or any of their directors, shareholders, members, constituent partners, managers, managing members, officers, employees, attorneys, accountants or agents, whether direct or indirect at whatever level and the sole source of such indemnity shall be the assets of the Company.

(c) Notwithstanding anything to the contrary set forth above, the Managers (which shall include Affiliates only if such Affiliates are performing services on behalf of the Company), its agents or attorneys or any securities broker or dealer shall not be indemnified for any losses, liabilities or expenses arising from an alleged violation of federal or state securities laws unless the following conditions are met:

(i) there has been a successful adjudication on the merits of each count involving alleged securities law violation as to the particular Indemnified Party; or

(ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular Indemnified Party; or

(iii) a court of competent jurisdiction has approved a settlement of the claims against a particular Indemnified Party and has determined that indemnification of the settlement and related costs should be made; and

(iv) in the case of subsection (iii) of this Section 3.19(c), the court of law considering the request for indemnification has been advised of the position of the Securities and Exchange Commission and the position of any state securities regulatory authority in which securities of the Company were offered or sold as to indemnification for violations of securities laws; provided that the court need only be advised of and consider the positions of the securities regulatory authorities of those states (1) which are specifically set forth in the Prospectus; and (2) in which plaintiffs claim they were offered or sold Units.

(d) Cash advances from Company funds to an Indemnified Party for legal expenses and other costs incurred as a result of any legal action are permissible only if the following conditions are satisfied:

(i) such suit, action or proceeding relates to or arises out of any action or inaction on the part of the Indemnified Party in the performance of its duties or provision of its services on behalf of the Company;

(ii) such suit, action or proceeding is initiated by a third party who is not a Member, or the suit, action or proceeding is initiated by a Member and a court of competent jurisdiction specifically approves such advancement; and

(iii) the Indemnified Party undertakes to repay any funds advanced pursuant to this Section 3.19(d) in cases in which such Indemnified Party would not be entitled to indemnification under this Section 3.19.

If advances are permissible under this Section 3.19(d), the Indemnified Party shall have the right to bill the Company for, or otherwise request the Company to pay, at any time and from time to time after such Indemnified Party shall become obligated to make payment therefor, any and all amounts for which such Indemnified Party believes in good faith that such Indemnified Party is entitled to indemnification under this Section 3.19. The Company shall pay any and all such bills and honor any and all such requests for payment within sixty (60) days after such bill or request is received. In the event that a final determination is made that the Company is not so obligated for any amount paid by it to a particular Indemnified Party, such Indemnified Party will refund such amount within sixty (60) days of such final determination, and in the event that a final determination is made that the Company is so obligated for any amount not paid by the Company to a particular Indemnified Party, the Company will pay such amount to such Indemnified Party within sixty (60) days of such final determination.

(e) Notwithstanding anything to the contrary set forth above, the Company shall not indemnify a Manager, its Affiliates, agents or attorneys, or any securities broker or dealer for any liability or loss suffered by any such party, nor shall any such party be held harmless for any loss or liability suffered by the Company, unless all of the following conditions are met:

(i) the Managers have determined, in good faith, that the course of conduct which caused the loss or liability was in the best interest of the Company;

(ii) the Indemnified Party was acting on behalf of or performing services for the Company;

(iii) such liability or loss was not the result of the gross negligence or misconduct by the Indemnified Party; and

(iv) such indemnification or agreement to hold harmless is recoverable only out of the assets of the Company and not from the Members.

(f) Nothing herein shall prohibit the Company from paying in whole or in part the premiums or other charge for any type of indemnity insurance by which the Managers or other agents or employees of the Company are indemnified or insured against liability or loss arising out of their actual or asserted misfeasance or nonfeasance in the performance of their duties or out of any actual or asserted wrongful act against the Company including, but not limited to judgments, fines, settlements and expenses incurred in the defense of actions, proceedings and appeals therefrom; provided that the Company may not incur the cost of that portion of liability insurance which insures any party for any liability as to which such party is prohibited from being indemnified under this Section 3.19.

ARTICLE 4

CAPITAL CONTRIBUTIONS; THE MEMBERS

4.1 Units. A Member's Membership Interest in the Company, including such Member's share of the Profits and Losses of, and right to receive distributions from, the Company, shall be represented by the "Unit" or "Units" held by such Member.

4.2 Capital Contribution by Managers; Managers' Purchase of Units. The Managers, collectively, shall contribute to the Company an amount in cash equal to 1/10 of 1% of the aggregate Capital Contributions of the Members. Such Capital Contribution of the Managers shall not entitle the Managers to any Units. The Managers may, in their discretion, make additional Capital Contributions to the capital of the Company in exchange for the purchase of Units on the same basis as the other Members. If the Managers purchase Units, then they shall continue, in all respects, to be treated as a Manager but shall receive the income, losses and cash distributions with respect to any Units purchased by it on the same basis as other Members may receive with respect to their Units.

4.3 Capital Contribution by Initial Member. The Initial Member made a cash Capital Contribution to the Company of \$10,000. Upon the admission of additional Members to the Company, the Company shall promptly refund to the Initial Member its \$10,000 Capital Contribution and upon receipt of such sum the Initial Member shall be withdrawn from the Company as its Initial Member.

4.4 Capital Contributions of New Members. The Managers are authorized and directed to raise capital for the Company as provided in the Prospectus by offering and selling Units to Members as follows:

- (a) Each Unit shall be issued for a purchase price of one dollar (\$1.00).
- (b) Except as set forth below, the minimum purchase of Units shall be two thousand (2,000) Units (or such greater minimum number of Units as may be required under applicable state or federal laws) per Member (including subscriptions from entities of which such Member is the sole beneficial owner). Notwithstanding the foregoing, the provisions set forth above relating to the minimum number of Units which may be purchased shall not apply to purchases of Units pursuant to the Distribution Reinvestment Plan.
- (c) The Managers may accept subscriptions for fractional Units in excess of the minimum subscription amount.
- (d) The Managers may refuse to accept subscriptions for Units and contributions tendered therewith for any reason whatsoever.
- (e) Each Unit sold to a subscriber shall be fully paid and nonassessable.
- (f) The Managers are further authorized to cause the Company to issue additional Units to Members pursuant to the terms of any plan of merger, plan of exchange or plan of conversion adopted by the Company.

4.5 Public Offering. Subject to compliance with applicable state securities laws and regulations, the Offering shall terminate one year from the original effective date of the Prospectus unless fully subscribed at an earlier date or terminated on an earlier date by the Managers, or unless extended by the Managers for additional one year periods. Except as otherwise provided in this Agreement, the Managers shall have sole and complete discretion in determining the terms and conditions of the offer and sale of Units and are hereby authorized and directed to do all things which they deem to be necessary, convenient, appropriate and advisable in connection therewith, including, but not limited to, the preparation and filing of the Registration Statement with the Securities and Exchange Commission and the securities commissioners (or similar agencies or officers) of such jurisdictions as the Managers shall determine, and the execution or performance of agreements with selling agents and others concerning the marketing of the Units, all on such basis and upon such terms as the Managers shall determine.

4.6 Minimum Capitalization. The Offering will terminate if the Company has not received and accepted subscriptions for the Minimum Offering on or before the Minimum Offering Expiration Date.

4.7 Escrow Account. Until subscriptions for the Minimum Offering are received and accepted by a Manager, or until the Minimum Offering Expiration Date, whichever first occurs, all subscription proceeds shall be held in an escrow account separate and apart from all other funds and invested in obligations of, or obligations guaranteed by, the United States government, or bank money-market accounts or certificates of deposit of national or state banks that have deposits insured by the Federal Deposit Insurance Corporation (including certificates of deposit of any bank acting as a depository or custodian for any such funds), which mature on or before the Minimum Offering Expiration Date, unless such instrument cannot be readily sold or otherwise disposed of for cash by the Minimum Offering Expiration Date without any dissipation of the subscription proceeds invested, all in the discretion of such escrow agent or agents appointed by the Managers. All moneys tendered by Persons whose subscriptions are rejected shall be returned, without interest, to such Persons promptly after such rejection. If subscriptions for the Minimum Offering are not received and accepted before the Minimum Offering Expiration Date, those subscriptions and funds in escrow on such date shall be returned to the subscribers, together with any interest earned thereon. Notwithstanding the above, the escrow shall be modified to reflect any particular requirements of federal law or any state in which the Units are offered. The Managers are, and any one of them is, authorized to enter into one or more escrow agreements on behalf of the Company in such form as is satisfactory to the Managers reflecting the requirements of this Section 4.7 and containing such additional terms as are not inconsistent with this Section.

4.8 Subscription Account. Subscriptions received after the Minimum Offering will be deposited into a subscription account at a federally insured commercial bank or other depository (the “Subscription Account”) and invested in short-term certificates of deposit, a money market or other liquid asset account. No asset management fees (as described in Section 11.5) shall be payable on or with respect to any funds held in the Subscription Account. During the period prior to admittance of investors as Members, proceeds from the sale of Units are irrevocable, and will be held by the Managers for the account of Members in the Subscription Account. Investors’ funds will be transferred from the Subscription Account into the Company on a first-in, first-out basis. Upon admission to the Company, subscription funds will be released to the Company and Units (which may include fractional Units) will be issued at the rate of \$1 per Unit. Interest earned on subscription funds while in the Subscription Account will be returned to the subscriber.

4.9 Admission of Members. No action or consent by any Members shall be required for the admission of Members to the Company. Subscriptions shall be accepted or rejected by the Managers on behalf of the Company within thirty (30) days of their receipt by the Company, and if rejected, all funds shall be returned to subscribers within ten (10) business days after such rejection without interest. Pending the receipt and acceptance by the Company of the Minimum Offering, the funds of subscribers for Units pursuant to the Offering shall be held in the escrow account described in Section 4.7 above. Such funds shall not be released from escrow, and no subscribers for Units shall be admitted to the Company unless and until the receipt and acceptance by the Company of the Minimum Offering. Upon the receipt and acceptance by the Company of the Minimum Offering, such subscribers shall be admitted as Members not later than fifteen (15) days after the release from the Escrow Account of the subscriber’s funds to the Company, and thereafter investors shall be admitted as Members of the Company not later than the last day of the calendar month following the date their subscription was accepted by the Company. During the period prior to your admittance as a Member, proceeds of the sale are irrevocable and will be held by our managers for your account in the subscription account. Your funds will be transferred from the subscription account into our operating account on a first-in, first-out basis. Upon your admission as a Member of the limited liability company, your subscription funds will be released to us and Units will be issued to you at the rate of \$1 per Unit or fraction thereof. Interest earned on subscription funds while in the subscription account will be returned to you.

The Company shall amend Schedule A to this Agreement from time to time (but, in any event, no less than once each calendar quarter) to reflect changes in the Members of the Company and their Membership Interests or Units.

No Person who subscribes for Units in the Offering shall be admitted as a Member who has not executed and delivered to the Company the Subscription Agreement specified in the Prospectus, together with such other documents and instruments as the Managers may deem necessary or desirable to effect such admission, including, but not limited to, the execution, acknowledgment and delivery to the Managers of a power of attorney in form and substance as described in Section 2.11 hereof.

4.10 Names, Addresses, Date of Admissions, and Contributions of Members. The names, addresses, date of admissions, Capital Contributions and ownership of Units of the Members shall be set forth in Schedule A attached hereto, as amended from time to time, and incorporated herein by reference. The Managers shall update Schedule A to reflect then-current ownership of Units without any further need to obtain the consent of any Member, and Schedule A, as revised from time to time by the Managers, shall be presumed correct absent manifest error.

4.11 Interest on Capital Contributions. No interest shall be paid on, or in respect of, any Capital Contribution to the Company by any Member, nor shall any Member have the right to demand or receive cash or other property in return for the Member's Capital Contribution.

4.12 Ownership by Member of Interest in Affiliates of Managers. No Member (other than a Manager, in the event that he or it is also a Member) shall at any time, either directly or indirectly, own any stock or other interest in any Affiliate of any Manager if such ownership, by itself or in conjunction with the stock or other interest owned by other Members would, in the opinion of counsel for the Company, jeopardize the classification of the Company as a partnership for federal income tax purposes or create a material risk that the Company would be treated as a publicly traded partnership as defined under Section 7704 of the Code. The Managers shall be entitled to make such reasonable inquiry of the Members and prospective Members as is required to establish compliance by the Members with the provisions of this Section 4.12.

4.13 Loans. Any Manager or Member or their respective Affiliates may, with the written consent of the Managers, lend or advance money to the Company. If the Managers or, with the written consent of the Managers, any Member shall make any loans to the Company or advance money on its behalf, the amount of any such loan or advance shall not be treated as a contribution to the capital of the Company, but shall be a debt due from the Company. The amount of any such loan or advance by a lending Manager or Member or an Affiliate of a Manager or a Member shall be repayable out of the Company's cash. On loans made available to the Company by a Manager or its Affiliate, the Manager or its Affiliate shall not receive interest (or similar charges or fees) in excess of the amount which would be charged by unrelated lending institutions on comparable loans for the same purpose, and in the same locality if the loan is made in connection with a particular property. No prepayment charge or penalty shall be required by a Manager or its Affiliate on a loan to the Company secured by either a first or junior or all-inclusive Deed of Trust, mortgage or encumbrance on the property, except to the extent that such prepayment charge or penalty is attributable to the underlying encumbrance. None of Managers or Members or their respective Affiliates shall be obligated to make any loan or advance to the Company.

4.14 No Participation in Management. Except as expressly provided herein, no Member (other than a Manager) shall take part in the conduct or control of the Company's business or have any right or authority to act for or bind the Company.

4.15 Voting and Other Rights of Members. The Members shall have the right to take any of the following actions upon the affirmative vote or consent of the Majority of the Members, without the concurrence of the Managers.

- (a) Dissolve and terminate the Company prior to the expiration of the term of the Company.
- (b) Amend this Agreement, subject to the limitations set forth in Section 12.4;
- (c) Approve or disapprove a transaction entailing the sale of all or substantially all of the assets of the Company, except in connection with the orderly liquidation and winding up of the business of the Company upon its termination and dissolution;
- (d) Remove a Manager or any successor Manager, as provided in Section 3.11; or

(e) Elect an additional Manager or a new Manager or Managers upon the removal of a Manager or any successor Manager, or upon the withdrawal or death of a Manager or any successor Manager, all in the manner and subject to the conditions described in Section 3.11 and Section 7.1.

Without the affirmative vote or consent of the Majority of the Members, the Managers shall not:

- (a) sell all or substantially all of the Company's assets other than in the ordinary course of the Company's business;
- (b) subject to Sections 3.16 and 4.19(a), cause the merger or other reorganization of the Company;
- (c) dissolve the Company, or
- (d) appoint a new Manager, provided, however, that an additional Manager may be appointed without obtaining the vote or consent of the Members if the addition of such person is necessary to preserve the tax status of the Company, such person has no authority to manage or control the Company under this Agreement, there is no change in the identity of the persons who have authority to manage or control the Company, and the admission of such person as an additional Manager does not materially adversely affect the Members.

With respect to any Units owned by the Managers, the Managers may not vote or consent on matters submitted to the Members regarding the removal of the Managers or regarding any transaction between the Company and the Managers. In determining the existence of the requisite percentage of Units necessary to approve a matter on which the Managers may not vote or consent, any Units owned by the Managers shall not be included.

4.16 Meetings. The Managers, or Members representing ten percent (10%) of the outstanding Units, may call a meeting of the Company for any matters for which Members may vote as set forth in this Agreement. If Members representing the requisite Units present to the Managers a written request stating the purpose of the meeting, the Managers shall fix a date for such meeting and shall, within ten (10) days after receipt of such request, provide written notice to all of the Members of the date of such meeting and the purpose for which it has been called. With respect to a meeting duly requested by Members, such meeting shall be held at a date not less than fifteen (15) and not more than sixty (60) days after the Company's receipt of the Members' written request for the meeting, and, unless otherwise specified in the notice for such meeting, the meeting shall be held at 2:00 p.m. on such date at the principal place of business of the Company as set forth in Section 2.3. At any meeting of the Company, Members may vote in person or by proxy. A majority of the Members, present in person or by proxy, shall constitute a quorum at any Company meeting. Any question relating to the Company which may be considered and acted upon by the Members hereunder may be considered and acted upon by vote at a Company meeting, and any consent required to be in writing shall be deemed given by a vote by written ballot. Except as expressly provided above, additional meeting and voting procedures shall be in conformity with Section 18-302 of the Act.

4.17 Limited Liability of Members. No Member shall be liable for any debts or obligations of the Company beyond the amount of the Capital Contributions made by such Member.

4.18 Representation of Company. Each of the Members hereby acknowledges and agrees that the attorneys representing the Company and the Managers and their Affiliates do not represent and shall not be deemed under the applicable codes of professional responsibility to have represented or be representing any or all of the Members in any respect at any time. Each of the Members further acknowledges and agrees that such attorneys shall have no obligation to furnish the Members with any information or documents obtained, received or created in connection with the representation of the Company, the Managers and/or their Affiliates.

4.19 Dissenting Members' Rights.

(a) If the Company participates in any acquisition of the Company by another entity, any combination of the Company with another entity through a merger or consolidation, or any conversion of the Company into another form of business entity (such as a corporation) that requires the approval of the Members, the result of which would cause the other entity to issue securities to the Members, then each Member who does not approve of such reorganization (the "Dissenting Member") may require the Company to purchase for cash, at its fair market value, the interest of the Dissenting Member in the Company in accordance with Section 4.19(c) of this Agreement. The Company, however, may itself convert, without the approval or consent of the Members, to another form of business entity (such as a corporation, trust or association) if the conversion will not result in a significant adverse change in (i) the voting rights of the Members, (ii) the termination date of the Company (currently, October 8, 2028, unless terminated earlier in accordance with this Agreement), (iii) the compensation payable to the Managers or their Affiliates, or (iv) the Company's investment objectives.

(b) The Managers will make the determination as to whether or not any such conversion will result in a significant adverse change in any of the provisions listed in the preceding paragraph based on various factors relevant at the time of the proposed conversion, including an analysis of the historic and projected operations of the Company; the tax consequences (from the standpoint of the Members) of the conversion of the Company to another form of business entity and of an investment in a limited liability company as compared to an investment in the type of business entity into which the Company would be converted; the historic and projected operating results of the Company's Loans, and the then-current value and marketability of the Company's Loans. In general, the Managers would consider any material limitation on the voting rights of the Members or any substantial increase in the compensation payable to the Managers or their Affiliates to be a significant adverse change in the listed provisions.

(c) In the absence of fraud in the transaction, the remedy provided by this Section 4.19(c) to a Dissenting Member is the exclusive remedy for the recovery from the Company of the value of his Units or money damages with respect to such plan of merger, plan of exchange or plan of conversion. If the existing, surviving, or new limited liability company, limited partnership or other entity, as the case may be, complies with the requirements of this 4.19, any Dissenting Member who fails to comply with the requirements of this Section 4.19 shall not be entitled to bring suit for the recovery of the value of his Units or money damages with respect to the transaction. Units of Dissenting Members for which payment has been made shall not thereafter be considered outstanding for the purposes of any subsequent vote of Members. Within sixty (60) days after a Dissenting Member votes against any plan of merger, plan of exchange or plan of conversion, or, with respect to a plan of merger, plan of exchange or plan of conversion approved by written consent, within sixty (60) days after notice to the Members of the receipt by the Company of written consents sufficient to approve such merger, exchange or conversion, the Dissenting Member may demand in writing that payment for his Membership Interests be made in accordance with this 4.19(c), and the Managers shall (i) make a notation on the records of the Company that such demand has been made and (ii) within a reasonable period of time after the later of the receipt of a payment demand or the consummation of the merger, exchange or conversion, cause the Company to pay to the Dissenting Member the fair market value of such Dissenting Member's Units without interest. The fair value of a Dissenting Member's Units shall be an amount equal to the Dissenting Member's pro rata share of the appraised value of the net assets of the Company, as determined by a Competent Independent Expert.

If a Dissenting Member shall fail to make a payment demand within the period provided in Section 4.19(c) hereof, such Dissenting Member and all persons claiming under him shall be conclusively presumed to have approved and ratified the merger, conversion or exchange and shall be bound thereby, the right of such Member to be paid the alternative compensation for his Membership Interest in accordance with this Section 4.19 shall cease, and his status as a Member shall be restored without prejudice to any proceedings which may have been taken during the interim, and such Dissenting Member shall be entitled to receive any distributions made to Members in the interim.

ARTICLE 5

PROFITS AND LOSSES; CASH DISTRIBUTIONS

5.1 Profits and Losses. Except as otherwise provided in Section 5.2, Profits and Losses of the Company shall be allocated for each Fiscal Year of the Company (and at such other times as the Managers determine) amongst the Members and the Managers in such a manner that, as of the end of each such taxable year, the sum of (i) the Capital Account of each Member and Manager, (ii) such Member's and Manager's share of Company Minimum Gain, and (iii) such Member's and Manager's share of Member Minimum Gain shall be equal to the respective amounts (positive or negative) which would be distributed to the Members and the Managers if the Company were to liquidate its assets for an amount equal to their fair market value and distribute the proceeds of such liquidation in accordance with Section 5.6.

5.2 Special Allocation Rules.

(a) *Qualified Income Offset.* Except as provided in Section 5.2(c), in the event any Member or a Manager unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), that create an Adjusted Capital Account deficit in such Member or Manager's Capital Account, items of Company gross income and gain shall be specially allocated to such Member or Manager in an amount and manner sufficient to eliminate, to the extent required by the Treasury Department regulations, the Adjusted Capital Account deficit created by such adjustment, allocation or distribution as quickly as possible.

(b) *Gross Income Allocation.* Loss shall not be allocated to any Member or Manager to the extent such allocation would cause any Member or Manager to have an Adjusted Capital Account deficit at the end of a Fiscal Year. In the event any Member or Manager has an Adjusted Capital Account deficit at the end of any Fiscal Year, each such Member or Manager shall be specially allocated items of Company gross income and gain in an amount sufficient to eliminate such Adjusted Capital Account deficit as quickly as possible.

(c) *Company Minimum Gain Chargeback.* Notwithstanding any other provision of this Article 5, if there is a net decrease in Company Minimum Gain during any Company Fiscal Year, each Member or Manager shall be specially allocated items of Company gross income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's or Manager's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g)(2). This Section 5.2(c) is intended to comply with the partnership minimum gain chargeback requirement in the Treasury Regulations and shall be interpreted consistently therewith. This provision shall not apply to the extent the Member's or Manager's share of net decrease in Company Minimum Gain is caused by a guaranty, refinancing, or other change in the debt instrument causing it to become partially or wholly recourse debt or Member Non-recourse Debt, and such Member or Manager bears the economic risk of loss (within the meaning of Treasury Regulations Section 1.752-2) for the newly guaranteed, refinanced or otherwise changed debt or to the extent the Member or Manager contributes cash to the capital of the Company that is used to repay the Non-recourse Debt, and the Member's or Manager's share of the net decrease in Company Minimum Gain results from the repayment.

(d) *Member Minimum Gain Chargeback.* Notwithstanding any other provision of this Article 5, except Section 5.2(c), if there is a net decrease in Member Minimum Gain during any Company Fiscal Year, any Member or Manager with a share of that Member Minimum Gain (as determined under Treasury Regulations Section 704-2(i)(5)) as of the beginning of such Fiscal Year shall be allocated items of Company gross income and gain for such Fiscal Year (and, if necessary, subsequent years) in an amount equal to such Member's or Manager's share of the net decrease in Member Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g)(2). This Section shall not apply to the extent the net decrease in Member Minimum Gain arises because the liability ceases to be Member Non-recourse Debt due to a conversion, refinancing or other change in a debt instrument that causes it to become partially or wholly a Non-recourse Debt. This Section is intended to comply with the partner minimum gain chargeback requirements in the Treasury Regulations and shall be interpreted consistently therewith and applied with the restrictions attributable thereto.

(e) *Non-Recourse Deductions.* Non-Recourse Deductions for any Fiscal Year or other period shall be allocated 99% to the Members in proportion to their Units and 1% to the Managers and each Member's and the Manager's share of Excess Non-recourse Liabilities shall be in the same proportion.

(f) *Member Non-Recourse Deductions.* Member Non-Recourse Deductions for any Fiscal Year shall be allocated to the Member or the Manager who bears the economic risk of loss as set forth in Treasury Regulations Section 1.752-2 with respect to the Member Non-Recourse Debt. If more than one Member or Manager bears the economic risk of loss for a Member Non-Recourse Debt, any Member Non-Recourse Deductions attributable to that Member Non-Recourse Debt shall be allocated among the Members or the Managers according to the ratio in which they bear the economic risk of loss.

(g) *Code Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members and the Managers in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such section of the Treasury Regulations.

5.3 Contributed Property. Notwithstanding any other provision of this Operating Agreement, the Members shall cause Depreciation and or cost recovery deductions and gain or loss attributable to Property contributed by a Member or the Manager or revalued by the Company to be allocated among the Members or the Managers for income tax purposes in accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder using the method selected by the Managers.

5.4 Allocation of Company Items. Except as otherwise provided herein, whenever a proportionate part of Profit or Loss is allocated to a Member, every item of income, gain, loss or deduction entering into the computation of such Profit or Loss, and every item of credit or tax preference related to such allocation and applicable to the period during which such Profit or Loss was realized shall be allocated to the Member in the same proportion. Any elections or other decisions relating to such allocations shall be made by the Managers in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 5.4 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Person's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

5.5 Operating Distributions.

(a) Cash Available for Distribution at the end of each calendar month shall be allocated ninety-nine percent (99%) to the Members and one percent (1%) to the Managers.

(b) Cash Available for Distribution allocated to the Members shall be allocated among the Members in proportion to their Percentage Interests and in proportion to the number of days during the applicable month that they owned such Percentage Interests. Cash Available for Distribution allocated to the Managers shall be allocated among the Managers in such proportion and manner as mutually agreed upon by the Managers from time to time.

(c) Distributions allocable to Managers and Members (other than those participating in the Distribution Reinvestment Plan) shall be distributed to them in cash at the end of each calendar month. The Managers' allocable share of Cash Available for Distribution shall also be distributed concurrently with cash distributions to Members. Cash Available for Distribution allocable to Members who are participating in the Distribution Reinvestment Plan shall be credited to their respective Capital Accounts at the end of each calendar month.

(d) Assignees of a Membership Interest shall be deemed to be the owner of such Membership Interest as of the first day following the day the transfer of such Membership Interest is completed in accordance with Sections 7.2 and 7.3 and shall not participate in distributions for the period prior to which the transfer occurs.

5.6 Cash Distributions Upon Termination. Upon dissolution and termination of the Company, Cash Available for Distribution shall thereafter be distributed to Members in accordance with the provisions of Section 10.3 below.

ARTICLE 6

BOOKS AND RECORDS, REPORTS AND RETURNS

6.1 Books and Records. The Managers shall cause the Company to keep the following:

- (a) Complete books and records of account in which shall be entered fully and accurately all transactions and other matters relating to the Company.
- (b) A copy of the Certificate and all amendments thereto.
- (c) Copies of the Company's federal, state and local income tax returns and reports, if any, for the six (6) most recent years.
- (d) Copies of this Agreement, including all amendments thereto, and the financial statements of the Company for the three (3) most recent years.

All such books and records shall be maintained at the Company's principal place of business and shall be available for inspection and copying by, and at the sole expense of, any Member, or any Member's duly authorized representatives, during reasonable business hours.

6.2 Member List. The Managers shall maintain an alphabetical list of the full names, last known business or residence addresses and business telephone numbers of the Members of the Company along with the number of Units held by each of them (the "Member List") as a part of the books and records of the Company which shall be available for inspection by any Member or his designated representative at the principal office of the Company upon the request of the Member. The Member List shall be updated at least quarterly to reflect changes in the information contained therein. A copy of the Member List shall be mailed to any Member requesting the Member List within ten (10) days of the request. The copy of the Member List to be mailed to a Member shall be printed in alphabetical order, on white paper, and in readily readable type size (in no event smaller than 10-point type). A reasonable charge for copy work may be charged by the Company. The purposes for which a Member may request a copy of the Member List include, without limitation, matters relating to the Members' voting rights under this Agreement and the exercise of the Members' rights under federal proxy laws. If the Managers neglect or refuse to exhibit, produce or mail a copy of the Member List as requested, it shall be liable to the Member requesting the list for the costs, including attorneys' fees, incurred by that Member for compelling the production of the Member List and for actual damages suffered by the Member by reason of such refusal or neglect. It shall be a defense that the actual purpose and reason for a request for inspection of or a request for a copy of the Member List is to secure such list of Members or other information for the purpose of selling such list or copies thereof or for the purpose of using the same for a commercial purpose other than in the interest of the applicant as a Member relative to the affairs of the Company. The Managers may require any Member requesting the Member List to represent that the list is not requested for a commercial purpose unrelated to such Member's interest in the Company. The remedies provided hereunder to Members requesting copies of the Member List are in addition to, and shall not in any way limit, other remedies available to Members under federal law or under the laws of any state.

6.3 Tax Information. The Managers shall cause to be prepared and distributed to the Members not later than 75 days after the close of each Fiscal Year, Company information necessary for the preparation of the Members' federal income tax returns.

6.4 Annual Report. The Managers shall cause to be prepared at least annually, at Company expense, an annual report that includes financial statements audited by an independent registered public accounting firm prepared in accordance with accounting principles generally accepted in the United States, and which contains a reconciliation of amounts shown therein with amounts shown on the method of accounting used for tax reporting purposes. Such financial statements will include a balance sheet of the Company, and statements of income, changes in Members' capital and cash flow. The annual report for each Fiscal Year shall (i) include a report on the Company's activities for such Fiscal Year, (ii) identify the sources of distributions to Members, including (as applicable) from (A) cash flow from operations during the Fiscal Year; (B) cash flow from operations during a prior period which had been held as reserves; (C) proceeds from Capital Transactions; and (D) reserves from the gross proceeds of the Offering of Units; (iii) set forth the compensation paid to the Managers and their Affiliates and a statement of the services performed in consideration therefore; and (iv) contain such other information as deemed reasonably necessary by the Managers to advise Members of the affairs of the Company. Copies of the financial statements and annual reports shall be furnished or made available to each Member within 120 days after the close of each Fiscal Year, in a form and manner consistent with then-current requirements of the SEC and applicable state securities agencies.

6.5 Quarterly Reports. If and for as long as the Company is required to file quarterly reports on Form 10-Q with the Securities and Exchange Commission, the information contained in each such report shall be furnished or made available (in a form and manner consistent with then-current requirements of the SEC and applicable state securities agencies) to Members after such report is filed with the Securities and Exchange Commission, but no later than sixty (60) days after the end of the relevant quarter for the quarterly report on Form 10-Q. If and when such reports are not required to be filed, each Member will be furnished (in a form and manner consistent with then-current requirements of the SEC and applicable state securities agencies), within sixty (60) days after the end of each of the first three quarters of each Fiscal Year an unaudited financial report for that quarter including a balance sheet, a statement of income and a cash flow statement. Such reports shall also include such other information as is deemed reasonably necessary by the Managers to advise the Members of the activities of the Company during the quarter covered by the report.

6.6 Filings. The Managers, at Company expense, shall cause the income tax returns for the Company to be prepared and timely filed with the appropriate authorities. The Managers, at Company expense, shall also cause to be prepared and timely filed, with appropriate federal and state regulatory and administrative bodies, all reports required to be filed with those entities under then current applicable laws, rules and regulations. The reports shall be prepared by the accounting or reporting basis required by the regulatory bodies. Any Member shall be provided with a copy of any of the reports upon request without expense to him. The Managers, at Company expense, shall file, with the Administrators for the various states in which this Company is registered, as required by such states, a copy of each report referred to in this Article 6.

6.7 Fiscal Matters.

(a) **Fiscal Year.** The Company shall adopt a Fiscal Year beginning on the first day of January of each year and ending on the last day of December; provided, however, that the Managers in their sole discretion may, subject to any required approval by the Internal Revenue Service and the applicable state taxing authorities, at any time without the approval of the Members change the Company's Fiscal Year to a period to be determined by the Managers.

(b) **Method of Accounting.** The accrual method of accounting shall be used for both income tax purposes and financial reporting purposes; provided, however, the Managers reserve the right to change the method of accounting from time to time, provided that such change is disclosed in a report publicly filed by the Company with the Securities and Exchange Commission or is disclosed in a written notice sent to Members.

(c) **Adjustment of Tax Basis.** Upon the transfer of an interest in the Company, the Company may, at the sole discretion of the Managers, elect pursuant to Section 754 of the Internal Revenue Code of 1986, as amended, to adjust the basis of the Company property as allowed by Sections 734(b) and 743(b) thereof.

6.8 Tax Matters Partner. Redwood Mortgage Corp. shall be the initial “tax matters partner” (within the meaning of Section 6231 of the Code) of the Company (“TMP”), and as such, shall have all powers and authorities granted TMPs under the applicable provisions of the Code and the Treasury Regulations thereunder. Redwood Mortgage Corp. (or any successor TMP) may be replaced as TMP, from to time, upon the unanimous approval of the Managers. All costs and expenses incurred by the TMP in connection with an audit by the Internal Revenue Service or other government tax agency of a Company income tax return shall be borne by the Company.

ARTICLE 7

TRANSFER OF INTERESTS OF MANAGERS AND MEMBERS

7.1 Interest of Managers. A successor or additional Manager may be admitted to the Company as follows:

(a) With the consent of all Managers and the affirmative vote or consent of the Majority of the Members, any Manager may at any time designate one or more Persons to be successors to such Manager or to be additional Managers, in each case with such participation in the Manager’s Interest as the Managers may agree upon, provided that the Membership Interests shall not be affected thereby; provided, however, that the foregoing shall be subject to the provisions of Section 10.1(d) below, which shall be controlling in any situation to which such provisions are applicable.

(b) Upon any sale or transfer of a Manager’s Interest, the successor Manager shall succeed to all the powers, rights, duties and obligations of the assigning Manager hereunder, and the assigning Manager shall thereupon be irrevocably released and discharged from any further liabilities or obligations of or to the Company or the Members accruing after the date of such transfer. The sale, assignment or transfer of all or any portion of the outstanding stock of a corporate Manager, or of any interest therein, or an assignment of a Manager’s Interest for security purposes only, shall not be deemed to be a sale or transfer of such Manager’s Interest subject to the provisions of this Section 7.1.

(c) In the event that the Members elect an additional Manager, without the concurrence of the existing Managers, pursuant to Section 4.15 or in the event that all or any one of the initial Managers are removed by the affirmative vote or consent of the Majority of the Members and a successor or additional Manager(s) is designated pursuant to Section 3.11, prior to a Person’s admission as a successor or additional Manager pursuant to this Section 7.1, such Person shall execute and deliver to the existing Managers or initial Managers (as the case may be) a written acknowledgement and agreement:

(i) that Redwood Mortgage Corp., a Manager, has been repaying the Formation Loan, with the proceeds it receives from loan brokerage commissions on Loans, fees received from the early withdrawal penalties and fees for other services paid by the Company, and

(ii) that if such successor or additional Manager(s) begins using the services of another mortgage loan broker or loan servicing agent, then Redwood Mortgage Corp. shall immediately be released from all further obligations under the Formation Loan (except for a proportionate share of the principal installment due at the end of that year, prorated according to the days elapsed).

7.2 Transfer of Membership Interest. Except as specifically provided in this Article 7 or Article 8, none of the Members shall sell, transfer, encumber or otherwise dispose of, by operation of law or otherwise, all or any part of his or its Membership Interest. No assignment shall be valid or effective unless in compliance with the conditions contained in this Agreement, and any unauthorized transfer or assignment shall be void ab initio. No assignee of the whole or any portion of a Membership Interest shall have an Economic Interest or any other rights of a Member until such assignee becomes a substituted Member in accordance with Section 7.3.

7.3 Substituted Members. No assignee of the whole or any portion of a Membership Interest in the Company shall have the right to become a substituted Member in place of his assignor, unless the following conditions are first met.

(a) The assignor shall designate such intention in a written instrument of assignment, which shall be in a form and substance reasonably satisfactory to the Managers;

(b) The written consent of the Managers to such substitution shall be obtained, which consent shall not be unreasonably withheld, but which, in any event, shall not be given if the Managers determine that such sale or transfer (i) is to a minor or incompetent (unless a guardian, custodian or conservator has been appointed to handle the affairs of such person); (ii) may jeopardize the continued ability of the Company to qualify as a “partnership” for federal income tax purposes; (iii) may violate any applicable laws, including, without limitation, applicable federal and state securities laws (including any investment suitability standards); or (iv) would jeopardize the Company’s existence or qualification as a limited liability company under Delaware law and or under the applicable laws of any other jurisdiction in which the Company is then conducting business. In the case of a Member who is a Benefit Plan Investor, the consent of the Managers to any substitution for all or part of such Benefit Plan Investor’s Units shall not be withheld unless the Managers believe in good faith that (i) the assignee is a minor or incompetent (unless a guardian, custodian or conservator has been appointed to handle the affairs of such person); (ii) such sale or transfer may jeopardize the continued ability of the Company to qualify as a “partnership” for federal income tax purposes or that such sale or transfer may violate any applicable federal or state securities laws (including any investment suitability standards), or (iii) one of the other conditions in Sections 7.3 or 7.4 hereof would not be met;

(c) The assignor and assignee named therein shall execute and acknowledge such other instruments as the Managers may deem necessary to effectuate such substitution, including, but not limited to, a power of attorney with provisions more fully described in Sections 2.11 and 2.12 above;

(d) The assignee shall accept, adopt and approve in writing all of the terms and provisions of this Agreement as the same may have been amended;

(e) Such assignee shall pay or, at the election of the Managers, obligate himself to pay all reasonable expenses connected with such substitution, including but not limited to reasonable attorneys’ fees associated therewith; and

(f) The Company has received, if required by the Managers, a legal opinion satisfactory to the Managers that such transfer will not violate the registration provisions of the Securities Act, which opinion shall be furnished at the Member’s expense.

7.4 Further Restrictions on Transfers. Notwithstanding any provision to the contrary contained herein, the following restrictions shall also apply to any and all proposed sales, assignments and transfer of Membership Interests, and any proposed sale, assignment or transfer in violation of same shall be void ab initio.

(a) No Member shall make any transfer or assignment of all or any part of his Membership Interest if said transfer or assignment, when considered with all other transfers during the same applicable twelve month period, would, in the opinion of counsel for the Company, result in the termination of the Company’s status as a partnership for federal or state income tax purposes.

(b) No Member shall make any transfer or assignment of all or any of his Membership Interest if the Managers determine such transfer or assignment would result in the Company being classified as an association taxable as a corporation or a “publicly traded partnership” within the meaning of Section 7704(b) of the Code (determined without reference to Code Section 469(i)) or any regulations or rules promulgated thereunder.

(c) Instruments evidencing a Membership Interest (if any) shall bear and be subject to legend conditions in substantially the following forms:

IT IS UNLAWFUL TO CONSUMMATE A SALE OR TRANSFER OF THIS SECURITY, OR ANY INTEREST THEREIN OR TO RECEIVE ANY CONSIDERATION THEREFOR, WITHOUT THE PRIOR WRITTEN CONSENT OF THE COMMISSIONER OF CORPORATIONS OF THE STATE OF CALIFORNIA, EXCEPT AS PERMITTED IN THE COMMISSIONER’S RULES.

(d) Each Member that is a legal entity (other than a Benefit Plan Investor) acknowledges that its management shall have a fiduciary responsibility for the safekeeping and use of all funds and assets of any assignee to all or a portion of its interest as a Member, and that the management of each Member that is a legal entity (other than a Benefit Plan Investor) shall not employ, or permit another to employ such funds or assets that are attributable to any assignee of all or a portion of such Member’s interest as a Member in any manner except for the exclusive benefit of the assignee. Each Member, other than a Benefit Plan Investor, agrees that it will not contract away the foregoing fiduciary duty.

7.5 Elimination or Modification of Restrictions. Notwithstanding any of the foregoing provisions of this Article 7, the Managers shall amend this Agreement to eliminate or modify any restriction on substitution or assignment at such time as the restriction is no longer necessary.

ARTICLE 8

REDEMPTION OF UNITS

8.1 Redemption of Units. No Member shall have the right to redeem its Units, withdraw from the Company or otherwise obtain the return of all or any portion of his Capital Account balance for a period of one year after such Member’s initial purchase of Units, except in the event of the Member’s death within the first year of his or her purchase of Units. Redemptions of Units after a minimum one year holding period and before the five year holding period as set forth below shall be permitted in accordance with this Article 8. The Managers shall have the right, in their sole discretion, to redeem the Units of any Member who holds less than 2,000 Units. No penalty will be assessed in connection with such redemption of less than 2,000 Units by the Managers. Additionally, as set forth below there shall be a limited right of withdrawal upon the death of a Member. A Member may redeem its Units upon the following terms:

(a) A Member wishing to have his Units redeemed must mail or deliver a written request (a “Redemption Request”) to the Company (executed by the trustee or authorized agent in the case of Retirement Plans) in substantially the form of Exhibit A attached hereto indicating the number of Units that such Member wishes to be redeemed. A Member may request that fewer than all of such Member’s Units be redeemed. In connection with a Redemption Request, a Member shall provide such information and documents as may be reasonably requested by the Managers.

(b) In the event that the Managers decide to honor a Redemption Request, they will cause the Company to redeem all the Units (or portion thereof) requested to be redeemed by the Member, subject to the conditions and limitations set forth herein.

(c) The Company shall attempt to redeem Units on a quarterly basis. Redemptions (or partial redemptions), if any, shall be paid at the end of the calendar quarter following the quarter in which the Redemption Request is received by the Company. Units redeemed by the Company pursuant to this Article 8 shall be promptly canceled.

(d) The purchase price for redeemed Units shall be equal to:

(i) For redemptions beginning after one year (but before two years) following the date of acquisition of the redeemed Units, 92% of the actual purchase price for the Units paid by the redeeming Member or 92% of the Member's Capital Account balance as of the date of each redemption payment, whichever is less;

(ii) For redemptions beginning after two years (but before three years) following the date of acquisition of the redeemed Units, 94% of the actual purchase price for the Units paid by the redeeming Member or 94% of the Member's Capital Account balance as of the date of each redemption payment, whichever is less;

(iii) For redemptions beginning after three year (but before four years) following the date of acquisition of the redeemed Units, 96% of the actual purchase price for the Units paid by the redeeming Member or 96% of the Member's Capital Account balance as of the date of each redemption payment, whichever is less;

(iv) For redemptions beginning after four years (but before five years) following the date of acquisition of the redeemed Units, 98% of the actual purchase price for the Units paid by the redeeming Member or 98% of the Member's Capital Account balance as of the date of each redemption payment, whichever is less;

(v) For redemptions beginning after five years following the date of acquisition of the redeemed Units, 100% of the actual purchase price for the redeemed Units or 100% of the Member's Capital Account balance as of the date of each redemption payment, whichever is less.

Notwithstanding the foregoing, with respect to any Redemption Request, the maximum number of Units which may be redeemed per quarter shall not exceed the greater of (i) 100,000 Units, or (ii) 25% of the Member's total outstanding Units. For Redemption Requests that require more than one quarter to fully redeem, redemption payments will be made at the end of each calendar quarter. The percentage discount amount that applies when the redemption payments begin will continue to apply throughout the entire redemption period and will apply to all Units covered by such Redemption Request regardless of when the final redemption payment is made. Units purchased through the Company's Distribution Reinvestment Program shall be subject to the same holding period and redemption values applicable to original purchases of Units.

(e) A portion of the early withdrawal penalty payments shall be applied toward the next installment(s) of principal under the Formation Loan owed to the Company by Redwood Mortgage Corp., thereby reducing the amount owed to the Company from Redwood Mortgage Corp. Such portion will be determined by the ratio between the initial amount of the Formation Loan and the total amount of the offering costs incurred by the Company in the Offering of Units. Once offering expenses are repaid, early redemption penalties will be applied to the Formation Loan, and then the Company's own account.

(f) Notwithstanding the foregoing, the Company will not, (i) in any calendar year, redeem more than 5%, or (ii) in any calendar quarter, redeem more than 1.25%, of the weighted average number of Units outstanding during the twelve (12) month period immediately prior to the date of the redemption. In addition, the Managers may, in their sole discretion, further limit the percentage of the total Members' Units that may be redeemed or may adjust the timing of scheduled redemptions (including deferring withdrawals indefinitely), to the extent that such redemption would cause the Company to be treated as a "publicly traded partnership" within the meaning of Section 7704 of the Code or any Treasury Regulations promulgated thereunder (determined without reference to Code Section 469(i)).

In the event that Redemption Requests in excess of the foregoing limitations are received by the Managers, such Redemption Requests will be honored in the following order of priority: (1) first, to redemptions upon the death of a Member; and (2) next, to other Redemption Requests until all other requests for redemption have been met. All Redemption Requests shall be honored on a pro rata basis, based on the amount of Redemption Requests received in the preceding quarter plus unfulfilled Redemption Requests that the Company was unable to honor in prior quarter(s).

(g) Unfulfilled Redemption Requests carried over from a prior quarter shall not receive priority over Redemption Requests received by the Managers in the current quarter.

(h) In the event that a Member has an unfulfilled Redemption Request, the Member may withdraw such Redemption Request at any time by sending a written notice of withdrawal to the Company. If the Company receives the notice of withdrawal on a date that is less than thirty (30) days prior to the next scheduled redemption payment, then that payment shall be made but all subsequent payments to the Member shall cease. If the Company receives the notice of withdrawal on a date that is more than thirty (30) days prior to the next scheduled redemption payment, then all redemption payments to such Member shall cease.

(i) After withdrawing a pending Redemption Request in accordance with subsection (h) above, the withdrawing Member may thereafter submit another Redemption Request to the Company at a later date. The purchase price for the redeemed Units covered by such later Redemption Request, shall be determined based on the date of the later Redemption Request, and accordingly, may have a lower penalty than what was applied to the initial Redemption Request.

(j) Payments to redeeming Members shall at all times be subject to the availability of sufficient cash flow generated in the ordinary course of the Company's business, and the Company shall not be required to liquidate outstanding Loans prior to their maturity dates for the purposes of meeting the Redemption Requests of Members. For this purpose, cash flow shall be considered to be available only after all current Company expenses have been paid (including compensation to the Managers and their Affiliates), adequate provision has been made for payment of the Company's current and future debt, and adequate provision has been made for the payment of all monthly cash distributions to Members who do not reinvest distributions pursuant to the Distribution Reinvestment Plan.

(k) The Managers shall have the right, in their sole discretion, at any time and from time to time, (i) to reject any Redemption Request or to suspend or terminate the acceptance of new Redemption Requests without prior notice, or (ii) to terminate, suspend and/or amend the unit redemption program. Without limiting the generality of the foregoing, the Managers may choose to terminate or suspend the unit redemption program in the event the Managers determine, in their sole discretion, that (i) the Company has insufficient available cash flow, in accordance with subsection (j) above or (ii) such termination or suspension would otherwise be in the best interests of the Company. In addition, the Managers may, at any time and without prior notice, reduce the number of Units purchased under the unit redemption program if the Managers determine, in their sole discretion, that the funds otherwise available to fund the unit redemption program are needed for other Company purposes. The foregoing limitations shall apply to all redemptions, including redemptions upon the death of a Member. In the event that the Company shall terminate, suspend or amend its Unit redemption program, the Company shall send to the Members written notice of such termination, suspension or amendment at least 30 days prior to the effective date of the termination, suspension or amendment; provided, however, the Company may suspend or terminate the acceptance of new Redemption Requests at any time without prior notice, and the Company may reduce the number of Units purchased under the unit redemption program at any time without prior notice. In addition, the Managers may, in their sole discretion, waive any applicable holding periods or penalties in the event of the death of a Member or other exigent circumstances or if the Managers believe such waiver is in the best interests of the Company.

(l) The Company shall not be required to establish a reserve from which to fund redemptions.

8.2 Redemptions Upon Death of a Member. Upon the death of a Member (including in the event of a Member's death during the first year of its ownership of Units), an executor, heir or other administrator of the Member's estate may, subject to certain conditions as set forth herein, redeem all or a portion of the deceased Member's Units without penalty. The total amount of Units available to be redeemed in any one quarter shall be limited to the greater of (i) 100,000 Units, or (ii) twenty-five percent (25%) of the deceased Member's outstanding Units. The executor, heir or other administrator of the Member's estate shall give a Redemption Request to the Managers within six (6) months of the Member's date of death or the Units will become subject to the standard redemption provisions set forth in Section 8.1 (a) through (i) above. If spouses are joint registered holders of Units, the request to redeem the Units may be made if either of the registered holders dies. Due to the complex nature of administering a decedent's estate, the Managers reserve the right and discretion to request any and all information they deem necessary and relevant in determining the date of death, the name of the beneficiaries and/or any other matters they deem relevant. The Managers retain the discretion to refuse or to delay the redemption of a deceased Member's investment unless or until the Managers have received all such information they deem relevant. The redemption of a Member's Units pursuant to this Section 8.2 is subject to the provisions of the last paragraph of subsection 8.1(d) above and subsections 8.1 (c), (f), (g), (h) and (i) above.

ARTICLE 9

DISTRIBUTION REINVESTMENT PLAN

9.1 Distribution Reinvestment Plan.

(a) A Member may elect to participate in the Company's Distribution Reinvestment Plan (as amended from time to time, the "Distribution Reinvestment Plan") and have its Cash Available for Distribution reinvested in Units of the Company upon the terms described in the Distribution Reinvestment Plan as adopted by the Managers and subject to the limitations and conditions specified therein.

(b) The Company may only offer the Members the option to participate in the Distribution Reinvestment Plan if the following conditions are met: (i) the Company is registered or exempted under any relevant state blue sky laws; (ii) the Company's legal counsel has submitted an opinion that the pooling of the funds for reinvestment is not in itself a security; (iii) the Members are free to elect to revoke reinvestment within a reasonable time and such right is fully disclosed in the Offering documents; (iv) prior to each reinvestment, the Members receive a current updated disclosure document that contains at minimum the minimum investment amount, the type or source of the proceeds that may be invested and the tax consequences of reinvestment to the Members; (v) the Company's legal counsel has submitted an opinion that different consideration paid on reinvestment is not in violation of applicable state law; and (vi) the broker-dealer or the Company assumes responsibility for blue sky compliance and performance of due diligence responsibilities and has contacted the Members to ascertain whether the Members continue to meet the applicable state suitability standards for participation in each reinvestment.

9.2 Purchase of Additional Units. Under the Distribution Reinvestment Plan, participating Members effectively use amounts otherwise distributable to them to purchase additional Units at a price per Unit so that the Capital Accounts of the Members immediately after the subject distribution and the deemed reinvestment are equal on a per-Unit basis. The Managers will credit Units purchased under the Distribution Reinvestment Plan to the participating Members as of the pertinent distribution date. If a Member revokes a previous election to participate in the Distribution Reinvestment Plan, the Company shall make distributions in cash to the Member instead of reinvesting the distributions in additional Units from and after the effectiveness of the notice.

9.3 Statement of Account. Within sixty (60) days after the end of each calendar quarter, the administrator will furnish or make available to each participating Member a statement of account describing as to such Member, the distributions received during the quarter, the number of Units or other interests purchased during the quarter, the purchase price for such Units or interests, and the total Units or interests purchased on behalf of such Member pursuant to the Distribution Reinvestment Plan.

9.4 Continued Suitability Requirements. Each Member who is a participant in the Distribution Reinvestment Plan must continue to meet the investor suitability standards described in the Subscription Agreement and the Prospectus (subject to minimum requirements of applicable securities laws) to continue to participate in reinvestments. It is the responsibility of each Member to notify the Managers promptly if he no longer meets the suitability standards set forth in the Prospectus for a purchase of Units in the Offering. The Members acknowledge that the Company is relying on this notice in issuing the Units, and each Member shall indemnify the Company if he fails to so notify the Company and the Company suffers any damages, losses or expenses, or any action or proceeding is brought against the Company due to the issuance of Units to the Member.

9.5 Changes or Termination of the Distribution Reinvestment Plan. The terms and conditions of the Distribution Reinvestment Plan may be amended, supplemented, suspended or terminated for any reason by the Managers at any time by mailing notice thereof at least thirty (30) days before the effective date of the action to each participating Member at his last address of record.

10.2 Winding Up and Termination. Upon the occurrence of an event of dissolution, the Company shall immediately be dissolved, but shall continue until its affairs have been wound up according to the provisions of the Act. Upon dissolution of the Company, unless the business of the Company is continued as provided above, the Managers will wind up the Company's affairs as follows:

- (a) No new Loans shall be made or purchased;

(b) Except as may be agreed upon by a Majority of the Members in connection with a merger or consolidation described in Section 10.6, the Managers shall liquidate the assets of the Company as promptly as is consistent with recovering the fair market value thereof, either by sale to third parties or by servicing the Company's outstanding Loans in accordance with their terms; provided, however, the Managers shall liquidate all Company assets for the best price reasonably obtainable in order to completely wind up the Company's affairs within five (5) years after the date of dissolution;

(c) Except as may be agreed upon by a Majority of the Members in connection with a merger or consolidation described in Section 10.6, all sums of cash held by the Company as of the date of dissolution, together with all sums of cash received by the Company during the winding up process from any source whatsoever, shall be distributed in accordance with Section 10.3 below.

10.3 Order of Distribution of Assets. In the event of dissolution as provided in Section 10.1 above, the cash of the Company shall be distributed as follows:

10.4 Deficit Capital Account Balances of Managers. If any Manager's Capital Accounts have a deficit balance (after giving effect to all contributions, distributions, and allocations for all taxable years, including the year during which such liquidation occurs), such Manager shall contribute to the capital of the Company the amount necessary to restore such deficit balance to zero in compliance with Treasury Regulation Section 1.704-1(b)(2)(ii)(b)(3).

10.5 No Recourse to Manager. Upon dissolution, each Member shall look solely to the assets of the Company for the return of his Capital Contribution, and if the Company assets remaining after the payment or discharge of the debts and liabilities of the Company are insufficient to return the Capital Contribution of each Member, such Member shall have no recourse against the Managers or any other Member. The winding-up of the affairs of the Company and the distribution of its assets shall be conducted exclusively by the Managers. The Managers are hereby authorized to do any and all acts and things authorized by law for these purposes. In the event of insolvency, dissolution, bankruptcy or resignation of all of the Managers or removal of the Managers by the Members, the winding up of the affairs of the Company and the distribution of its assets shall be conducted by such person or entity as may be selected by the affirmative vote or consent of the Majority of the Members, which person or entity is hereby authorized to do any and all acts and things authorized by law for such purposes.

10.6 Merger or Consolidation of the Company. The Company may be merged or consolidated with one or more limited liability companies, limited partnerships or other entities (including with Affiliates of the Company), provided that, except for conversions covered by Section 4.19(a), the affirmative vote or consent of the Majority of the Members is obtained pursuant to Section 4.15. Any such merger or consolidation may be effected by way of a sale of the assets of, or Units in, the Company or purchase of the assets of, or Units in, another limited liability company, limited partnership or other entity, or by any other method approved pursuant to Section 4.15. In any such merger or consolidation, the Company may be either a disappearing or surviving entity.

It is estimated that such commissions will be approximately two percent (2%) to five percent (5%) of the principal amount of each Loan made during that year. The loan brokerage commissions shall be capped at 4% per annum of the Company's total assets per year (except during the first year of operations), based on the asset amount at the beginning of each year.

11.2 Loan Servicing Fees. A Manager or an Affiliate of a Manager may act as servicing agent with respect to all Loans, and in consideration for such collection efforts he/it shall be entitled to receive a servicing fee, payable monthly, which when added to all other fees paid in connection with the servicing of a particular Loan, shall not exceed 0.25% of the total unpaid principal balance of each Loan serviced. The Managers or an Affiliate may lower such fee for any period of time and thereafter raise it up to the limit set forth above. The servicing fee shall be payable to the servicing agent regardless of whether specific Loan payments are collected.

11.3 Loan Administrative Fees. A Manager or an Affiliate of a Manager may receive a loan administrative fee in an amount of up to 1% of the principal amount of each new Loan originated or acquired on the Company's behalf for services rendered in connection with the selection and underwriting of potential Loans. 11.9 Prepayment and Late Fees. Any prepayment and late fees collected by a Manager or an Affiliate of the Managers in connection with Loans shall be paid to the Company.

11.10 No Rebates and Reciprocal Arrangements.

(a) The Managers and their Affiliates may not receive from the Company rebates or give-ups nor participate in any reciprocal business arrangement that would enable the Managers or any of their Affiliates to do so.

(b) None of the Managers nor any of their Affiliates shall, directly or indirectly, pay or award any commissions or other compensation to any Person engaged by a potential investor for investment advice as an inducement to such advisor to recommend the purchase of Units in the Company; provided, however, that this clause shall not prohibit the normal Sales Commissions payable to a registered broker-dealer or other properly licensed Person for selling Units.

11.11 Other Fees. The Managers and their Affiliates may not receive any fees or other compensation from the Company except as specifically provided for in this Agreement or as described in the Prospectus. The Managers and their Affiliates may not receive real estate brokerage commissions, property management fees or insurance services fees.

11.12 Formation Loan to Redwood Mortgage Corp. The Company may lend to Redwood Mortgage Corp., a sum not to exceed 7% of the total amount of Capital Contributions to the Company by the Members, the proceeds of which shall be used solely for the purpose of paying selling commissions and all amounts payable in connection with unsolicited orders received by the Managers. The Formation Loan shall be unsecured and shall be evidenced by a non-interest bearing promissory note executed by Redwood Mortgage Corp. in favor of the Company. Upon completion of the Offering, the balance of the Formation Loan shall be repaid in ten (10) equal annual installments of principal, without interest, commencing on December 31 of the year following the year the Offering terminates.

11.14 Purchase of Loans from Managers or Affiliates. The Company may not acquire a Loan in which any of the Managers or their Affiliates have an interest unless: (i) the Managers or their Affiliates acquired the Loan in its name and temporarily held title thereto for the purpose of facilitating the acquisition of the Loan, provided that such Loan is purchased by the Company for a price no greater than the cost of such Loan to the Managers or their Affiliates, except compensation allowed by the NASAA Mortgage Guidelines; or (ii) the purchase is made from a Program formed by the Managers or their Affiliates pursuant to the rights of first refusal required by Section 11.17 below (in such case the purchase price should be no more than fair market value as determined by the appraisal of a Competent Independent Expert.). (b) Other than as specifically permitted in subsection (a) above or in Section 11.15, the Company shall not be permitted to invest in general partnerships or joint ventures with Affiliates.

(c) The Company may invest in general partnership interests of limited partnerships only if the Company alone or together with any publicly registered Affiliate of the Company meeting the requirements of subsection (a) above acquires a “controlling interest” (as that term is defined in Section V.G.1. of the NASAA Mortgage Guidelines), no duplicate fees are permitted and no additional compensation beyond that permitted by this Agreement shall be paid to the Managers.

(d) The Company shall not invest in interests of other Programs (i.e. “lower-tier Programs”).

11.19 Sales Commissions.

(a) The Units shall be offered to the public on a best efforts basis through participating broker-dealers. The participating broker-dealers may receive such commissions, reallowances, fees and other compensation as are set forth in the Prospectus, except that no such fees or reallowances shall be paid with respect to sales of Units under the Distribution Reinvestment Plan. The Offering shall be made in compliance with Rule 2810 of the NASD Conduct Rules, which governs the amount of compensation that direct participation programs may pay for the services provided by FINRA members. In the event the Company receives any unsolicited orders directly from an investor who did not utilize the services of a participating broker dealer, Redwood Mortgage Corp. through the Formation Loan may pay to the Company an amount equal to the amount of the Sales Commissions otherwise attributable to a sale of a Unit through a participating broker dealer. The Company will in turn credit such amounts received from Redwood Mortgage Corp. to the account of the investor who placed the unsolicited order. All unsolicited orders will be handled only by the Managers. Sales Commissions will not be paid by the Company out of the proceeds of the Offering. All Sales Commissions will be paid by Redwood Mortgage Corp., which will also act as the mortgage loan broker for all Loans as set forth in Section 11.1 above. Units may also be offered or sold directly by the Managers for which they will receive no Sales Commissions.

(b) The Managers may accept unsolicited orders received directly from an investor utilizing the services of a Registered Investment Advisor and may pay “client fees” to the Registered Investment Advisor in the manner and subject to the conditions and limitations set forth in the Prospectus.

11.20 Reimbursement of Offering Expenses. The Managers may be reimbursed for, or the Company may pay directly, all expenses in connection with the organization or offering of the Units including, without limitation, attorneys' fees, accounting fees, printing costs and other selling expenses (other than underwriting commissions), in the amounts set forth in the Prospectus. The Managers may, at their election, pay any offering and organizational expenses in excess of this amount.

11.21 Reimbursement. The Company shall reimburse the Managers or their Affiliates for the actual cost to the Managers or their Affiliates (or pay directly), the cost of goods and materials used for or by the Company and obtained from entities unaffiliated with the Managers or their Affiliates. The Company shall also pay or reimburse the Managers or their Affiliates for the cost of administrative services necessary to the prudent operation of the Company, provided that such reimbursement will be at the lower of (A) the actual cost to the Managers or their Affiliates of providing such services, or (B) 90% of the amount the Company would be required to pay to non-affiliated Persons rendering comparable administrative services in the same geographical location. No reimbursement shall be permitted for services for which the Managers are entitled to compensation by way of a separate fee. The cost of administrative services as used in this Section 11.21 shall mean the pro rata cost of personnel, including an allocation of overhead directly attributable to such personnel, based on the amount of time such personnel spent on such services, or other method of allocation acceptable to the Company's independent certified public accountant. The annual report to Members shall include a breakdown of the costs reimbursed to the Managers. Within the scope of the annual audit of the Managers' financial statements, the independent certified public accountant must verify the allocation of such costs to the Company. The method of verification shall at a minimum provide: (i) a review of the time records of individual employees, the cost of whose services were reimbursed; and (ii) a review of the specific nature of the work performed by each such employee. The methods of verification shall be in accordance with generally accepted auditing standards and shall, accordingly, include such tests of the accounting records and such other auditing procedures which the Managers' independent certified public accountant considers appropriate under the circumstances. The additional cost of such verification will be itemized by said accountants on a Program-by-Program basis and may be reimbursed to the Managers by the Company in accordance with this Section 11.21 only to the extent that such reimbursement when added to the cost for services rendered does not exceed the allowable rate for such services as determined above.

11.22 Non-reimbursable Expenses. The Managers will pay and will not be reimbursed by the Company for any general or administrative overhead incurred by the Managers in connection with the administration of the Company which is not directly attributable to services authorized by Sections 11.20, 11.21 or 11.23.

11.23 Operating Expenses. Subject to Sections 11.20, 11.21 or 11.22, all expenses of the Company shall be billed directly to and paid by the Company which may include, but are not limited to: (i) all salaries, compensation, travel expenses and fringe benefits of personnel employed by the Company and involved in the business of the Company including persons who may also be employees of the Managers or Affiliates of the Managers, but excluding such items incurred or allocated to any control persons of either the Managers or their Affiliates, (ii) all costs of borrowed money, taxes and assessments on Company properties foreclosed upon and other taxes applicable to the Company, (iii) legal, audit, accounting, and brokerage fees, (iv) printing, engraving and other expenses and taxes incurred in connection with the issuance, distribution, transfer, registration and recording of documents evidencing ownership of an interest in the Company or in connection with the business of the Company, (v) fees and expenses paid to leasing agents, consultants, real estate brokers, insurance brokers, and other agents, (vi) costs and expenses of foreclosures, insurance premiums, real estate brokerage and leasing commissions and of maintenance of such property (provided that the total compensation paid to all Persons for the sale of a property held by the Company as the result of foreclosure shall be limited to a competitive real estate commission, not to exceed 6% of the contract price for the sale of the property), (vii) the cost of insurance as required in connection with the business of the Company, (viii) expenses of organizing, revising, amending, modifying or terminating the Company, (ix) expenses in connection with distributions made by the Company, and communications, bookkeeping and clerical work necessary in maintaining relations with the Members and outside parties, including the cost of printing and mailing to such persons certificates for Units and reports of meetings of the Company, and of preparation of proxy statements and solicitations of proxies in connection therewith, (x) expenses in connection with preparing and mailing reports required to be furnished to the Members for investor, tax reporting or other purposes, or other reports to the Members which the Managers deem to be in the best interests of the Company, (xi) costs of any accounting, statistical or bookkeeping equipment and services necessary for the maintenance of the books and records of the Company including, but not limited to, computer services

and time, (xii) the cost of preparation and dissemination of the information relating to potential sale, refinancing or other disposition of Company property, (xiii) costs incurred in connection with any litigation in which the Company is involved, as well as in the examination, investigation or other proceedings conducted by any regulatory agency with jurisdiction over the Company including legal and accounting fees incurred in connection therewith, (xiv) costs of any computer services used for or by the Company, (xv) expenses of professionals employed by the Company in connection with any of the foregoing, including attorneys, accountants and appraisers. For the purposes of Section 11.23(i), a control person is someone holding a 5% or greater equity interest in the Managers or their Affiliates or a Person having the power to direct or cause the direction of the Managers or their Affiliates, whether through the ownership of voting securities, by contract or otherwise.

11.24 Deferral of Fees and Expense Reimbursement. The Managers may defer payment of any fee or expense reimbursement provided for herein. The amount so deferred shall be treated as a non-interest bearing debt of the Company and shall be paid from any source of funds available to the Company, including Cash Available for Distribution prior to the distributions to Members provided for in Article 5.

11.25 Payment Upon Termination. Upon the occurrence of a terminating event specified in Article 10, the Company shall pay the Manager, within thirty (30) days of the terminating event, in cash all amounts then accrued and owing to the Manager under this Agreement.

ARTICLE 12

MISCELLANEOUS

12.1 Covenant to Sign Documents. Without limiting the power granted by Sections 2.11 and 2.12, each Member covenants, for himself and his successors and assigns, to execute, with acknowledgment or verification, if required, any and all certificates, documents and other writings which may be necessary or expedient to form the Company and to achieve its purposes, including, without limitation, the Certificate and all amendments thereto, and all such filings, records or publications necessary or appropriate laws of any jurisdiction in which the Company shall conduct its business.

12.2 Notices. Except as otherwise expressly provided for in this Agreement, all notices which any Member may desire or may be required to give any other Members shall be in writing and shall be deemed duly given when delivered personally or when deposited in the United States mail, first-class postage pre-paid. Notices to Members shall be addressed to the Members at the last address shown on the Company records. Notices to the Managers or to the Company shall be delivered to the Company's principal place of business, as set forth in Section 2.3 above or as hereafter charged as provided herein. Notice to any Manager shall constitute notice to all Managers.

12.3 Right to Engage in Competing Business. Nothing contained herein shall preclude any Manager or Member from purchasing or lending money upon the security of any other property or rights therein, or in any manner investing in, participating in, developing or managing any other venture of any kind, without notice to the other Managers or Members, without participation by the other Managers or Members, and without liability to them or any of them. Each Member waives any right he may have against the Managers for capitalizing on information received as a consequence of the Managers' management of the affairs of this Company.

12.4 Amendment. This Agreement is subject to amendment by the affirmative vote or consent of the Majority of the Members in accordance with Section 4.15 provided, however, that no such amendment shall be permitted if the effect of such amendment would be to increase the duties or liabilities of any Manager or Member or diminish the rights or benefits to which any Manager or Member is entitled under this Agreement, without the affirmative vote or consent of a majority of the Percentage Interests held by the Members who would be adversely affected thereby (or the consent of a Manager if it will be adversely affected thereby). This Agreement shall in no event be amended to change the limited liability of the Members without the affirmative vote or consent of all of the Members.
