Management's Discussion and Analysis of Financial Condition and Results of Operations, page 18

Liquidity and Capital Resources, page 21

1. We note that you entered agreements to purchase vacant land on November 25, 2010 and November 28, 2010, respectively, and that you are required to pay the balance of the purchase price under these agreements on November 30, 2010. Please revise to address your ability and source of funds to make these payments. To the extent that these purchases indicate an intention to develop two solar power plants, please revise further to address the affect of that intention on your long-term liquidity needs.
2. Please file the respective purchase agreements as exhibits.
