Form 10-Q for Fiscal Quarter Ended December 31, 2018

Management's Discussion and Analysis of Financial Condition and Results of Operations
Key operating and financial performance metrics, page 28

1. The adjustments made for changes in deferred revenue and deferred costs in computing your non-GAAP performance measures "direct contribution from billings" and "adjusted cash flow from operations" appear to accelerate the recognition of revenue and costs that otherwise would not be recognized in the periods for which the measures are presented. Accordingly, these measures appear to substitute a tailored accounting recognition method for that prescribed by GAAP and do not comply with Question 100.04 of the staff's Compliance & Discussion Interpretations "Non-GAAP Financial Measures." Please remove these adjustments from your computations.

In closing, we remind you that the company and its management are responsible for the
