**INTRODUCTION**

The following entities hereby request an order (the “**Order**”) of the U.S. Securities and Exchange Commission (the “**Commission**”) pursuant to Sections 57(a)(4) and 57(i) of the Investment Company Act of 1940 (the “**1940 Act**”), and Rule 17d-1 promulgated under the 1940 Act, authorizing certain joint transactions that otherwise may be prohibited by Section 57(a)(4):<sup>1</sup>

- Golub Capital BDC, Inc. (“**GBDC**”);
- Golub Capital ~~BDC, Inc.~~ Investment Corporation (the “~~Company~~” “**GCIC**”);
- GC Advisors LLC, ~~the Company~~ GBDC’s and GCIC’s investment adviser (“**GC Advisors**”). The term “**Adviser**” means (a) GC Advisors, (b) the “**Controlled Advisors**” set forth in Schedule A hereto, and (c) any future investment adviser that controls, is controlled by or is under common control with GC Advisors and is registered as an investment adviser under the Investment Advisers Act of 1940 (the “**Advisers Act**”); and
- The investment vehicles set forth in Schedule A hereto, each of which is an entity whose investment adviser is an Adviser (the “**Existing Funds**”), and the general partners or managing members of those Existing Funds, each also set forth in Schedule A hereto (the “**Fund GPs**”).

The ~~Company~~ Regulated Funds,<sup>2</sup> the Advisers, the Existing Funds and the Fund GPs may be referred to herein as the “**Applicants**.”

<sup>1</sup> Unless otherwise indicated, all section and rule references herein are to sections of, and rules under, the 1940 Act.

<sup>2</sup> The term “**Regulated Funds**” means GBDC, GCIC, and any future closed-end management investment company that has elected to be regulated as a BDC (as defined below) or is registered under the 1940 Act, whose investment adviser is an Adviser (as defined below) and who intends to participate in the Co-Investment Program (as defined below).

The relief requested in this application (the “*Application*”) would allow ~~the Company on the one hand, and~~ one or more Regulated Funds<sup>2</sup> and Funds<sup>3</sup> ~~on the other hand~~, to participate in the same investment opportunities through a proposed co-investment program where such participation would otherwise be prohibited under Section 57(a)(4) and the rules under the 1940 Act (the “*Co-Investment Program*”). For purposes of this Application, a “*Co-Investment Transaction*” shall mean any transaction in which ~~the Company~~ one or more Regulated Funds (or ~~its~~ a Wholly-Owned Investment Subsidiary) participated together with one or more Regulated Funds and Funds in reliance on the Order and a “*Potential Co-Investment Transaction*” shall mean any investment opportunity in which the ~~Company~~ Regulated Funds (or its Wholly-Owned Investment Subsidiary) could not participate together with one or more Regulated Funds and Funds without obtaining and relying on the Order.<sup>34</sup>

~~The Company~~ A Regulated Fund may, from time to time, form one or more Wholly-Owned Investment Subsidiaries. A Wholly-Owned Investment Subsidiary would be prohibited from investing in a Co-Investment Transaction with another Regulated Fund or any Fund because it would be a company controlled by the ~~Company~~ applicable Regulated Fund, for purposes of Section 57(a)(4) and Rule 17d-1. Applicants request that a Wholly-Owned Investment Subsidiary be permitted to participate in Co-Investment Transactions in lieu of the ~~Company~~ applicable Regulated Fund, and that ~~the~~ such Wholly-Owned Investment Subsidiary’s participation in any such transaction be treated, for purposes of the requested order, as though the ~~Company~~ Regulated Fund were participating directly. Applicants represent that this treatment is justified because a Wholly-Owned Investment Subsidiary would have no purpose other than serving as a holding vehicle for the ~~Company~~ Regulated Fund’s investments and, therefore, no conflicts of interest could arise between ~~the Company~~ such Regulated Fund and ~~the~~ its respective Wholly-Owned Investment Subsidiary Subsidiaries. The ~~Company’s~~ Board<sup>5</sup> of the Regulated Fund would make all relevant determinations under the conditions with regard to a Wholly-Owned Investment Subsidiary’s participation in a Co-Investment Transaction, and the ~~Company’s~~ Board would be informed of, and take into consideration, any proposed use of a Wholly-Owned Investment Subsidiary in the ~~Company’s~~ place of the Regulated Fund. If ~~the Company~~ a Regulated Fund proposes to participate in the same Co-Investment Transaction with any of its Wholly-Owned Investment Subsidiaries, ~~the Company’s~~ its Board will also be informed of, and take into consideration, the relative participation of the ~~Company~~ Regulated Fund and the Wholly-Owned Investment Subsidiary.

All existing entities that currently intend to rely on the requested Order have been named as Applicants. Any other existing or future entity that relies on the order in the future will comply with the terms and conditions of this Application.

The Regulated Funds and the Funds may be under common control. Any of the Funds, Fund GPs or Controlling Adviser would be deemed to be a person identified in Section 57(b) of the 1940 Act if it is an affiliated person of GC Advisors within the meaning of Section 2(a)(3)(C), thus requiring exemptive relief for certain co-investments with the Regulated Funds.

## II. RELIEF FOR PROPOSED CO-INVESTMENT TRANSACTIONS

### A. Co-Investment in Portfolio Companies by the ~~Company~~ Regulated Funds and the Funds

#### 1. Mechanics of the Co-Investment Program

In selecting investments for ~~the Company~~ each Regulated Fund, GC Advisors will separately consider only the investment objective, investment policies, investment position, capital available for investment, and other pertinent factors applicable to ~~the Company~~ that particular Regulated Fund. Likewise, when selecting investments for the Funds, GC Advisors or a Controlled Adviser will select investments separately for each Fund, considering, in each case, only the investment objective, investment policies, investment position, capital available for investment, and other pertinent factors applicable to that particular Fund. ~~The Company's~~ investment objectives and strategies (the "Objectives and Strategies") of each Regulated Fund, as described in ~~the Company's~~ its registration ~~statement on Form N-2, statements or~~ other filings ~~the Company has~~ made with the Commission under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, and ~~the Company's~~ its reports to stockholders ~~(the "Objectives and Strategies")~~, and the investment objectives and strategies of the Funds are substantially similar, and GC Advisors anticipates that a portfolio company that is an appropriate investment for ~~the Company~~ one or more Regulated Funds will normally also be an appropriate investment for one or more Funds. Therefore, to the extent a Potential Co-Investment Transaction falls within ~~the Objectives and Strategies of the Company and~~ the investment objectives and strategies of one or more Regulated Funds and Funds, ~~the Company~~ each Regulated Fund intends to co-invest with the Funds, with certain exceptions based on factors such as available capital, investment size or diversification.<sup>12</sup> GC Advisors and the Controlled Advisers currently share offices and frequently communicate to assist one another in providing investment management services to the Company Regulated Funds and Funds. GC Advisors and the Controlled Advisers have ~~approximately 160~~ more than 200 employees, the majority of which work on matters for GC Advisors and one or more Controlled Advisers and information about potential investment opportunities is routinely disseminated among GC Advisors and the Controlled Advisers. The personnel overlap and coordination among GC Advisors and the Controlled Advisers ensures that all relevant investment opportunities will be brought to the ~~Company's~~ attention of each Regulated Fund. GC Advisors will receive all information regarding all investment opportunities that fall within the then-current Objectives and Strategies of such Regulated Fund.

Under the Co-Investment Program, pursuant to written policies and procedures adopted by GC Advisors and the Controlled Advisers (the "**Allocation Policy**"), each Potential Co-Investment Transaction would be allocated between the ~~Company, on the one hand, and the~~ participating Regulated Funds ~~on the other hand~~ and Funds pro rata based on the relative total capital of the participants (total capital being equal to raised equity plus available debt). With respect to ~~the Company's~~ participation in a Potential Co-Investment Transaction by a Regulated Fund, each Potential Co-Investment Transaction and the proposed allocation of each investment opportunity would be approved prior to the actual investment by the Required Majority.<sup>9</sup> of the applicable Board.<sup>13</sup> The information provided to the Eligible Directors about a Potential Co-Investment Transaction will include information about the total capital of ~~the Company~~ such Regulated Fund and the other participating Regulated Funds and/or Funds to assist the Eligible Directors with their review of the ~~Company's~~ investments by such Regulated Fund for compliance with the Allocation Policy. Additionally GC Advisors will regularly review with ~~the Company's~~ each Board the Allocation Policy and how the Allocation Policy has been applied in the context of the ~~Company's~~ investments by each Regulated Fund. No Eligible Director will have a direct or indirect financial interest in any Co-Investment Transaction, other than through any interest such Eligible Director may have in securities of ~~the Company~~ Regulated Fund. All subsequent activity (*i.e.*, exits or follow-on investments) in a Co-Investment Transaction will be made pursuant to the terms and conditions contained in this Application. The Co-Investment Program requires that the terms, conditions, price, class of securities, settlement date, and registration rights applicable to ~~the~~

<sup>12</sup> A Regulated Fund, however, will not be obligated to invest, or co-invest, when investment opportunities are referred to them.

<sup>913</sup> The term "**Required Majority**" has the meaning provided in section 57(o) of the 1940 Act. The term "**Eligible Directors**" means the directors who are eligible to vote under section 57(o) of the 1940 Act.

Companya Regulated Fund's purchase be the same as those applicable to the purchase by the other participating Regulated Funds and Funds.

~~When evaluating a Potential Co Investment Transaction, GC Advisors will determine whether participation in the Potential Co Investment Transaction is appropriate for the Company and any Funds based on, among other criteria, the Company's Objectives and Strategies, each Funds' investment objectives and strategies, and the Company's and each Fund's investment position and capital available for investment. If a Potential Co Investment Transaction is an appropriate investment for the Company or a Fund, prior to entering into the Potential Co Investment Transaction, GC Advisors and any Controlled Adviser will determine separately the amount of the proposed investment to be made in the Potential Co Investment Transaction by the Company and any participating Funds (each a "Recommended Amount"). GC Advisors will determine the Recommended Amount for the Company and any Fund for which it acts as investment adviser; a Controlled Adviser will determine the Recommended Amount for any Fund for which it acts as investment adviser. The Company and each Fund will receive individualized investment advice, and the investment decisions for the Company will be made without regard to the investment needs of any other Fund. If sufficient securities or loan amounts are available to satisfy the Company's and each Fund's Recommended Amount, the investment opportunity will be allocated among the Company and the Funds in accordance with the Recommended Amount determined by GC Advisors' and/or each Controlled Adviser. If sufficient securities or loan amounts are not available to satisfy the Company's and each Fund's Recommended Amount, the amount of the investment opportunity will be allocated among the Company and each Fund pro rata based on the relative total capital of the Company and the participating Funds up to the amount proposed to be invested by each.~~

As noted above, all subsequent activity (i.e., to sell, exchange or otherwise dispose of an investment or to complete a Follow-On Investment<sup>1014</sup>) in respect of an investment acquired in a Co-Investment Transaction will also be made in accordance with the terms and conditions set forth in this Application. With respect to the pro rata dispositions and Follow-On Investments provided in conditions 7 and 8, the Companya participating Regulated Fund may participate in a pro rata disposition or Follow-On Investment without obtaining prior approval of the Required Majority, if, among other things: (i) the proposed participation of each Fund and the CompanyRegulated Fund in such disposition or Follow-On Investment is proportionate to its outstanding investments in the issuer immediately preceding the disposition or Follow-On Investment, as the case may be; and (ii) the applicable Board has approved the Companysuch Regulated Fund's participation in pro rata dispositions and Follow-On Investments as being in the best interests of the Companysuch Regulated Fund. If the Board of a Regulated Fund does not so approve, any such disposition or Follow-On Investment will be submitted to the Eligible Directors. The Board of a Regulated Fund may at any time rescind, suspend or qualify ~~its~~their respective approval of pro rata dispositions and Follow-On Investments with the result that all dispositions and/or Follow-On Investments must be submitted to the Eligible Directors.

Under condition 14, if an Adviser, the Principals, any person controlling, controlled by, or under common control with an Adviser or the Principals, and the Funds (collectively, the " **Holders** ") own in the aggregate more than 25% of the outstanding voting securities of the Companya Regulated Fund (" **Shares** "), then the Holders will vote such Shares as directed by an independent third party (such as the trustee of a voting trust or a proxy adviser) when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) any matters requiring approval by the vote of a majority of the outstanding voting securities, as defined in section 2(a)(42) of the Act.

Applicants believe that this condition will ensure that the Independent Directors will act independently in evaluating the Co-Investment Program, because the ability of an Adviser or the Principals to influence the Independent Directors by a suggestion, explicit or implied, that the Independent Directors can be removed will be limited significantly. The Independent Directors shall evaluate and approve any such voting trust or proxy adviser, taking into account its qualifications, reputation for independence, cost to the shareholders, and other factors they deem relevant.

<sup>1014</sup> " **Follow-On Investment** " means any additional investment in an existing portfolio company, including the exercise of warrants, conversion privileges or other similar rights to acquire additional securities of the portfolio company.

## 2. Reasons for the Co-Investment Program

The Applicants believe the Co-Investment Program will increase favorable investment opportunities for the ~~Company~~ Regulated Funds. However, the Co-Investment Program will be implemented only if it is approved by the Required Majority on the basis that it would be advantageous for the ~~Company~~ Regulated Funds to have the additional capital from the other Regulated Funds and Funds available to meet the funding requirements of portfolio companies. A BDC that makes investments of the type contemplated by ~~the Company~~ each of GBDC and GCIC typically limits its participation in any one transaction to a specific dollar amount, which may be determined by legal or prudential limits on exposure to a single investment. In addition, the Code imposes diversification requirements on companies, such as ~~the Company~~ GBDC and GCIC, which seek certain favorable tax treatment under Subchapter M of the Code.<sup>++15</sup>

In view of the foregoing, in cases where GC Advisors identifies an investment opportunity that requires a capital commitment that exceeds ~~the Company~~ A Regulated Fund's legal or prudential limits, it must seek the participation of other entities with similar investment styles. The availability of the other Regulated Funds and the Funds as investing partners of ~~the Company~~ A Regulated Fund may thus alleviate that necessity in certain circumstances and allow ~~the Company~~ such Regulated Fund to participate in attractive opportunities at levels that are appropriate ~~for the Company~~.

~~The Company~~ A Regulated Fund could lose some investment opportunities if ~~neither~~ could not provide all of the financing needed by a potential portfolio company. Portfolio companies may reject an offer of funding arranged by GC Advisors due to the ~~Company's~~ inability of a Regulated Fund to commit the full amount of financing required by the portfolio company in a timely manner (*i.e.*, without the delay that typically would be associated with obtaining single-transaction authorization from the Commission). By reducing the number of occasions on which the ~~Company's~~ individual or aggregate investment limits of a Regulated Fund require GC Advisors to arrange a syndication with unaffiliated entities, the ~~Company~~ Regulated Funds will likely be required to forego fewer suitable investment opportunities. With the assets of the other Regulated Funds and the Funds available for co-investment, there should be an increase in the number of opportunities accessible to ~~the Company~~ each Regulated Fund.

GC Advisors and the ~~Board~~ Boards of GBDC and GCIC believe that it will be advantageous for ~~the Company~~ GBDC and GCIC to co-invest with the Funds, and that such investments would be consistent with the investment objective, investment policies, investment positions, investment strategies, investment restrictions, regulatory requirements, and other pertinent factors applicable to ~~the Company~~ each of GBDC and GCIC.

GC Advisors and the ~~Board~~ Boards of GBDC and GCIC also believe that co-investment by ~~the Company~~ GBDC, GCIC and the Funds will afford ~~the Company~~ GBDC and GCIC, respectively, the ability to achieve greater diversification and, together with the other Regulated Funds and the Funds, the opportunity to exercise greater influence on the portfolio companies in which ~~the Company~~ GBDC, GCIC and the participating Funds co-invest. GC Advisors and the ~~Board~~ Boards of GBDC and GCIC believe that the allocation methodology described herein provides for the equitable allocation of co-investments and takes into account the current capacity of ~~the Company~~ GBDC, GCIC and participating Funds to make the type of investment presented by the co-investment opportunity. GC Advisors does not have incentive to favor a co-investing Fund over ~~the Company~~ GBDC or GCIC because the Funds, GCIC and ~~the Company~~ GBDC have similar compensation structures, which include a base management fee and a performance fee component, and although the precise formulation of those fees may vary among co-investing entities, the fees paid by ~~the Company~~ each of GBDC and GCIC to GC Advisors are comparable to the fees paid by the Funds. Additionally, GC Advisors typically serves as the primary contact with an issuer in a Potential Co-Investment Transaction, which would limit the ability of a co-investing entity to seek to increase its desired amount in anticipation of a shortage of the opportunity.

## **B. Applicable Law**

### **1. Sections 57(a)(4) and 57(i) of the 1940 Act, and Rule 17d-1 thereunder**

Section 57(a)(4) makes it unlawful for any person who is related to a BDC in a manner described in Section 57(b), acting as principal, knowingly to effect any transaction in which the BDC is a joint or a joint and several participant with that person in contravention of rules and regulations as the Commission may prescribe for the purpose of limiting or preventing participation by the BDC on a basis less advantageous than that of the other participant. Although the Commission has not adopted any rules expressly under Section 57(a)(4), Section 57(i) provides that the rules under Section 17(d) applicable to registered closed-end investment companies (*e.g.*, Rule 17d-1) are, in the interim, deemed to apply to transactions subject to Section 57(a). Rule 17d-1, as made applicable to BDCs by Section 57(i), prohibits any person who is related to a BDC in a manner described in Section 57(b), as modified by Rule 57b-1, acting as principal, from participating in, or effecting any transaction in connection with, any joint enterprise or other joint arrangement or profit-sharing plan in which the BDC is a participant, unless an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order entered prior to the submission of the plan or any modification thereof to security holders for approval, or prior to its adoption or modification if not so submitted.

In passing upon applications under Rule 17d-1, the Commission will consider whether the participation by the BDC in such joint transaction is consistent with the provisions, policies, and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

### **2. Section 57(b) of the 1940 Act and Rule 57b-1 thereunder**

Section 57(b), as modified by Rule 57b-1, specifies the persons to whom the prohibitions of Section 57(a)(4) apply. These persons include the following: (1) any director, officer, employee, or member of an advisory board of a BDC or any person (other than the BDC itself) who is, within the meaning of Section 2(a)(3)(C), an affiliated person of any such person; or (2) any investment adviser or promoter of, general partner in, principal underwriter for, or person directly or indirectly either controlling, controlled by, or under common control with a BDC (except the BDC itself and any person who, if it were not directly or indirectly controlled by the BDC, would not be directly or indirectly under the control of a person who controls the BDC), or any person who is, within the meaning of Section 2(a)(3)(C) or (D), an affiliated person of such person.

Rule 57b-1 under the 1940 Act exempts certain persons otherwise related to a BDC in a manner described in Section 57(b)(2) of the 1940 Act from being subject to the prohibitions of Section 57(a). Specifically, this rule states that the provisions of Section 57(a) shall not apply to any person: (a) solely because that person is directly or indirectly controlled by a BDC; or (b) solely because that person is directly or indirectly controlling, controlled by, or under common control with, a person described in (a) of the rule or is an officer, director, partner, copartner, or employee of a person described in (a) of the rule.

Section 2(a)(9) defines “control” as the power to exercise a controlling influence over the management or policies of a company, unless such power is solely the result of an official position with such company. The statute also sets forth the interpretation that any person who owns beneficially, either directly or through one or more controlled companies, more than 25 percent of the voting securities of a company shall be presumed to control such company; any person who does not so own more than 25 percent of the voting securities of a company shall be presumed not to control such company; and a natural person shall be presumed not to be a controlled person.

Sections 2(a)(3)(C) and (D) define an “affiliated person” of another person as: (C) any person directly or indirectly controlling, controlled by, or under common control with, such other person; and (D) any officer, director, partner, copartner, or employee of such other person.

### C. Need for Relief

Certain transactions effected as part of the Co-Investment Program may be prohibited by Section 57(a)(4) and Rule 17d-1 without a prior exemptive order of the Commission to the extent that the Funds fall within the category of persons described by Section 57(b), as modified by Rule 57b-1 thereunder with respect to a Regulated Fund. Because GC Advisors or a Controlled Adviser is the investment adviser to each of the Regulated Funds and the Funds, the ~~Company~~ Regulated Funds and the Funds may be deemed to be affiliated persons within the meaning of Section 2(a)(3) if the Regulated Funds and the Funds are deemed to be controlled by or under common control with ~~GC Advisors~~ an Adviser. Thus, ~~each Regulated Fund and~~ Fund could be deemed to be a person related to ~~the Company~~ a Regulated Fund in a manner described by Section 57(b) and therefore subject to the restrictions of Section 57(a)(4) and Rule 17d-1 in connection with its participation in the Co-Investment Program.

### D. Requested Relief

Accordingly, the Applicants respectfully request an Order of the Commission, pursuant to Sections 57(a)(4) and 57(i) and Rule 17d-1, permitting the Regulated Funds and the Funds to participate ~~with the Company~~ in the Co-Investment Program.

### E. Precedents

The Commission has granted co-investment relief on numerous occasions in recent years.<sup>12,16</sup> Although the various precedents may involve somewhat different allocation formulae, approval procedures, and presumptions for co-investment transactions to protect the interests of public investors in the BDC than the ones described in this Application, Applicants submit that the formulae and procedures set forth as conditions for the relief requested herein are consistent with the range of investor protection found in the cited orders. We note, in particular, that the co-investment protocol to be followed by the Applicants here is substantially similar to the protocol followed by WhiteHorse Finance, Garrison Capital Inc. and its affiliates, for which an order was granted on January 12, 2015, WhiteHorse Finance, Inc. and its affiliates, for which an order was granted on July 8, 2014, PennantPark Investment Corporation and its affiliates, for which an order was granted on April 15, 2014, Medley

## F. Applicants' Legal Arguments

Rule 17d-1 was promulgated by the Commission pursuant to Section 17(d) and made applicable to BDCs by Section 57(i). Paragraph (a) of Rule 17d-1 permits an otherwise prohibited person, acting as principal, to participate in, or effect a transaction in connection with, a joint enterprise or other joint arrangement or profit-sharing plan in which a BDC is a participant if an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order issued prior to the submission of such plan or any modification thereof to security holders for approval, or prior to its adoption or modification if not so submitted. Paragraph (b) of Rule 17d-1 states that in passing upon applications under that rule, the Commission will consider whether the participation by the investment company in such joint enterprise, joint arrangement, or profit-sharing plan on the basis proposed is consistent with the provisions, policies, and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

Applicants submit that the fact that the Required Majority will approve each Potential Co-Investment Transaction before investment, and other protective conditions set forth in this Application will ensure that each of the Company's Regulated Funds are treated fairly.

The conditions to which the requested relief will be subject are designed to ensure that GC Advisors or the principals of GC Advisors would not be able to favor any Regulated Fund or the Funds over ~~the Company's other Regulated Funds~~ through the allocation of investment opportunities among them. Because almost every attractive investment opportunity for ~~the Company's~~ Regulated Fund will also be an attractive investment opportunity for one or more Regulated Funds and Funds, Applicants submit that the Co-Investment Program presents an attractive alternative to the institution of some form of equitable allocation protocol for the allocation of 100% of individual investment opportunities to ~~either the Company's~~ Regulated Funds or the Funds as opportunities arise.

Applicants submit that the ~~Company's~~ Regulated Fund's participation in the Co-Investment Transactions will be consistent with the provisions, policies, and purposes of the Act and on a basis that is not different from or less advantageous than that of other participants.

## G. Conditions

Applicants agree that any Order granting the requested relief will be subject to the following conditions:

1. Each time an Adviser considers a Potential Co-Investment Transaction for ~~a Fund~~ an Applicant that falls within ~~the Company's~~ Regulated Fund's then-current Objectives and Strategies, GC Advisors will make an independent determination of the appropriateness of the investment for ~~the Company's~~ each Regulated Fund in light of the ~~Company's~~ their respective then-current circumstances.

2. (a) If GC Advisors deems ~~the Company's~~ Regulated Fund's participation in any Potential Co-Investment Transaction to be appropriate for the ~~Company's~~ Regulated Fund, it will then separately determine an appropriate level of investment for ~~the Company's~~ such Regulated Fund

(b) If the aggregate amount recommended by GC Advisors to be invested in the Potential Co-Investment Transaction by ~~the Company's~~ each Regulated Fund, together with the amount proposed to be invested by the Funds, collectively, in the same transaction, exceeds the amount of the investment opportunity, the amount proposed to be invested by each party will be allocated among them pro rata based on each party's total capital up to the amount

<sup>17</sup> See note <sup>15</sup> above.

proposed to be invested by each. GC Advisors will provide the Eligible Directors with information concerning each participating Regulated Fund's and each participating Fund's total capital to assist the Eligible Directors with their review of the ~~Company's~~ investments by each Regulated Fund for compliance with these allocation procedures.

(c) After making the determinations required in conditions 1 and 2(a), GC Advisors will distribute written information concerning the Potential Co-Investment Transaction (including the amount proposed to be invested by each Regulated Fund and each Fund) to the Eligible Directors for their consideration. ~~The Company~~ Each Regulated Fund will coinvest with one or more Regulated Funds and Funds only if, prior to participating in the Potential Co-Investment Transaction, a Required Majority concludes that:

(i) the terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair and do not involve overreaching of ~~the Company~~ such Regulated Fund, or its stockholders on the part of any person concerned;

(ii) the ~~transaction~~ Co-Investment Transaction is consistent with

(A) the interests of the ~~shareholders of the Company~~ stockholders of such Regulated Fund; and

(B) the ~~Company's~~ applicable then-current Objectives and Strategies of such Regulated Fund;

(iii) the investment by the other Regulated Funds and the Funds would not disadvantage ~~the Company~~ such Regulated Fund, and participation by ~~the Company~~ such Regulated Fund would not be on a basis different from or less advantageous than that of the other Regulated Funds and the Funds; provided that, if any ~~Fund~~ party to the Co-Investment Transaction, but not ~~the Company itself~~ such Regulated Fund, gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event will not be interpreted to prohibit the Required Majority from reaching the conclusions required by this condition (2)(c)(iii), if

(A) the Eligible Directors will have the right to ratify the selection of such director or board observer, if any;

(B) GC Advisors agrees to, and does, provide, periodic reports to the Board with respect to the actions of the director or the information received by the board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and

(C) any fees or other compensation that any ~~Fund~~ party to the Co-Investment Transaction or any affiliated person of any ~~Fund~~ party to the Co-Investment Transaction receives in connection with the ~~right of the Fund~~ to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Funds (who may, in turn, share their portion with their affiliated persons), and the ~~Company~~ participating Regulated Funds in accordance with the amount of each party's investment; and

(iv) the proposed investment by ~~the Company~~ such Regulated Fund will not benefit any Adviser, any Fund, any Regulated Fund, or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except

(A) to the extent permitted by condition 13;

(B) to the extent permitted by section 17(e) or 57(k) of the 1940 Act, as applicable,

(C) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction, or

(D) in the case of fees or other compensation described in condition 2(c)(iii)(C).

3. ~~The Company~~Each Regulated Fund has the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.

4. GC Advisors will present to the Board of each Regulated Fund, on a quarterly basis, a record of all investments in Potential Co-Investment Transactions made by the Regulated Funds and the Funds during the preceding quarter that fell within the ~~Company's~~ then-current Objectives and Strategies of such Regulated Fund that were not made available to ~~the Company~~such Regulated Fund, and an explanation of why the investment opportunities were not offered to ~~the Company~~such Regulated Fund. All information presented to the Board of each Regulated Fund pursuant to this condition will be kept for the respective life of ~~the Company~~such Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its staff.

5. Except for Follow-On Investments made in accordance with condition 8, ~~the Company~~a Regulated Fund will not invest in reliance on the Order in any issuer in which any Regulated Fund, any Fund or any affiliated person of the Regulated Funds or Funds is an existing investor.

6. The ~~Company~~Regulated Funds will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for ~~the Company~~each participating Regulated Fund as for each participating Fund. The grant to a ~~Fund, but not the Company~~participant in a Co-Investment Transaction, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.

7. (a) If any Regulated Fund or Fund elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction, the applicable Adviser will:

(i) notify ~~the Company~~each Regulated Fund of the proposed disposition at the earliest practical time; and

(ii) formulate a recommendation as to participation by ~~the Company~~each Regulated Fund in the disposition.

(b) ~~The Company~~Each Regulated Fund will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the participating Funds.

(c) ~~The Company~~Each Regulated Fund may participate in such disposition without obtaining prior approval of the Required Majority if: (i) the proposed participation ~~of the Company and~~ each participating Regulated Fund and Fund in such disposition is proportionate to its outstanding investment in the issuer immediately preceding the disposition; (ii) the Board of each Regulated Fund has approved as being in the best interests of ~~the Company~~the such Regulated Fund ~~he~~ ability to participate in such dispositions on a pro rata basis (as described in greater detail in this Application); and (iii) the Board of each Regulated Fund is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, GC Advisors will provide its written recommendation as to the ~~Company's~~ participation by a Regulated Fund to the Eligible Directors, and ~~the Company~~each Regulated Fund will participate in such disposition solely to the extent that a Required Majority determines that it is in the ~~Company's~~ best interests of such Regulated Fund.

(d) ~~The Company~~Each participating Regulated Fund and each participating Fund will bear its own expenses in connection with any such disposition.

8. (a) If any Regulated Fund or Fund desires to make a Follow-On Investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Adviser will:

(i) notify ~~the Company~~each Regulated Fund of the proposed transaction at the earliest practical time; and

(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed Follow-On Investment, by ~~the Company~~each Regulated Fund.

(b) ~~The Company~~Each Regulated Fund may participate in such Follow-On Investment without obtaining prior approval of the Required Majority if: (i) the proposed participation of ~~the Company~~each participating Regulated Fund and each participating Fund in such investment is proportionate to its outstanding investments in the issuer immediately preceding the Follow-On Investment; and (ii) the Board of each Regulated Fund has approved as being in the best interests of ~~the Company~~such Regulated Fund the ability to participate in Follow-On Investments on a pro rata basis (as described in greater detail in this Application). In all other cases, GC Advisors will provide its written recommendation as to the ~~Company's~~ participation by each Regulated Fund to the Eligible Directors, and ~~the Company~~each Regulated Fund will participate in such Follow-On Investment solely to the extent that a Required Majority determines that it is in the ~~Company's~~ best interests of such Regulated Fund.

(c) If, with respect to any Follow-On Investment:

(i) the amount of the opportunity is not based on the ~~Company~~participating Regulated Funds's and the participating Funds' outstanding investments immediately preceding the Follow-On Investment; and

(ii) the aggregate amount recommended by GC Advisors to be invested by ~~the Company~~a Regulated Fund in the Follow-On Investment, together with the amount proposed to be invested by the participating Regulated Funds and participating Funds in the same transaction, exceeds the amount of the opportunity;

then the amount invested by each such party will be allocated among them pro rata based on each party's total capital, up to the amount proposed to be invested by each.

(d) The acquisition of Follow-On Investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in this Application.

9. The Independent Directors will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by the other Regulated Funds and the Funds that ~~the Company~~each Regulated Fund considered but declined to participate in, so that the Independent Directors may determine whether all investments made during the preceding quarter, including those investments that ~~the Company~~a Regulated Fund considered but declined to participate in, comply with the conditions of the order. In addition, the Independent Directors will consider at least annually the continued appropriateness for ~~the Company~~each Regulated Fund of participating in new and existing Co-Investment Transactions.

10. ~~The Company~~Each Regulated Fund will each maintain the records required by section 57(f)(3) of the 1940 Act as if each of the investments permitted under these conditions were approved by the Required Majority under section 57(f).

11. No Independent Director will also be a director, general partner, managing member or principal, or otherwise an "affiliated person" (as defined in the 1940 Act), of any of the Funds.

12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the 1933 Act) will, to the extent not payable by the Advisers under their respective investment advisory agreements with the ~~Company~~Regulated Funds and the Funds, be shared by the

~~Company~~ Regulated Funds and the Funds in proportion to the relative amounts of the securities held or being acquired or disposed of, as the case may be.

13. Any transaction fee<sup>18</sup> (including break-up or commitment fees but excluding broker's fees contemplated by section 17(e) or 57(k), as applicable) received in connection with a Co-Investment Transaction will be distributed to the ~~Company~~ participating Regulated Funds and the participating Funds on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1), and the account will earn a competitive rate of interest that will also be divided pro rata among the ~~Company~~ participating Regulated Funds and the participating Funds based on the amount they invest in such Co-Investment Transaction. None of the Advisers, the Funds, nor any affiliated person of ~~the Company~~ any Regulated Fund will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the ~~Company~~ participating Regulated Funds and the participating Funds, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C), and (b) in the case of the Advisers, investment advisory fees paid in accordance with their respective agreements between the Advisers and the ~~Company~~ Regulated Funds or the Funds.

14. If the Holders own in the aggregate more than 25% of the outstanding voting securities of the Shares, then the Holders will vote such Shares as directed by an independent third party (such as the trustee of a voting trust or a proxy adviser) when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) any matters requiring approval by the vote of a majority of the outstanding voting securities, as defined in section 2(a)(42) of the Act.
