ITEM 14. Material Modifications to the Rights of Security Holders and Use of Proceeds, page 87

1. We note your response to prior comment 1 that you do not believe the loans to your affiliates are "personal loans" within the meaning of Section 13(k) of the Exchange Act. Please specify the business purposes of the loans. Specifically, discuss how the funds will be used and have been used by the affiliates; the terms of repayment and business purpose for such repayment terms; and why they were structured as interest free loans. Also, tell us the percentage of ownership by Mr. Tao Li of these affiliates during the term of the loans.
