Form 10-K for the Year Ended December 31, 2012
Filed March 18, 2013
Response Dated May 29, 2013
File No. 001-34827

Dear Mr. Karayannopoulos:

We have reviewed your response and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

Form 10-K for the Year Ended December 31, 2012

1. We note your response to comments 9 through 12 in which you propose to address these comments prospectively, such as reporting your ore reserves to coincide with your fiscal year end, mine and mill production along with stockpile changes and salable production, a description of your new mill facility's operational transition, your construction and commissioning challenges, capital cost variances, schedule slippage, and external feedstock source quantity & quality for all your operating divisions in your future annual filings. Please provide a copy of the proposed sections, paragraphs or pages you intend to modify in your future filings along with any enhanced discussion, as necessary.
