Filed June 14, 2016
File No. 001-34930**

Dear Mr. Perlman:

We have limited our review of your amended filing to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

Background of the Merger, page 33

1. We partially reissue prior comment one. Discuss in greater detail the negotiations surrounding the rollover and employment agreements and timing.

The Merger Agreement, page 90

2. We note that you continue to state that "In addition, the representations and warranties were included in the merger agreement for the purpose of allocating contractual risk between ExamWorks, Parent and Merger Sub rather than to establish matters as facts." Please revise as requested by prior comment 9.
